Newton Centre Man Killed When Big Airplane Crashes

Arthur R. Holt of 15 Rice st., Newton Centre was killed when an airplane in which he was a passenger crashed on Wednesday night near St. Louis, Missouri shortly after it had taken off for Chicago. All eight persons on the airplane were killed. Mr. Holt was a native of Newton Centre and the son of Mr. and Mrs. Warren R. Holt. He was unmarried. He was prominent in athletics while at Newton High School, from which he graduated in 1914. He was a member of the class of 1918 at Amherst, leaving to become an aviation student during the World War. He was for years a member of the Newton Centre Squash Tennis Club and was an expert chess and bridge player.

Crippled Children To Enjoy Circus

On August 24th little children who are patients at the Peabody Home for Crippled Children at Oak Hill will be conveyed to Norumbega Park to enjoy Bryan Brothers Circus which features 50 trained animals. This treat for the little sufferers is to be sponsored by the Newton Kiwanis Club. The committee in charge is composed of Wilfred Chagnon, chairman; James Riggs, Archie Clair, Archibald Bellinger and Charles Mahoney.

Examination For Draftsman

On September 3rd an examination will be held for appointment to the position of senior draftsman in the City Engineer's Department of Newton. The position carries a salary of \$1800. The job is being temporarily filled by Earl T. Reinhardt of 15 Baldwin st., Newton, who was recently given a provisional appointment by City Engineer Harvey.

Many Candidates For Legislature

There will be no lack of candidates for the Republican and Democratic nominations for election as Representatives from the two Newton districts to the Massachusetts Legislature. In the 4th Middlesex District, which includes Wards 1, 2, 3 and 7, Representatives William B. Baker of West Newton and Warren K. Brimblecom of Newtonville are candidates for re-nomination and, if successful, re-election. Baker is serving his 8th year as Representative; Brimblecom his 4th. They will be opposed for the Republican nomination by Ellis Sutcliffe of 169 Washington st., Newton; James P. Akins of 439 Washington st., Newton; Alfred Guzzi, 8 Maple Place, West Newton. Sutcliffe was an unsuccessful candidate for alderman a few times in the past several years. Akins, who has been Ward Alderman from Ward 1 the past two years, is also a candidate for the Democratic nomination. He has emphasized his loyalty to the Democratic party. Guzzi is to run as a candidate for the Democratic nomination and will also seek election as an independent. He is missing no bet becoming registered as a voter he was listed as a Republican, and then he shifted to the Democratic party.

In the 5th Middlesex District, which includes Wards 4, 5 and 6 of Newton, a flock of candidates will seek the two Republican nominations. Clarence S. Luitwieler of Newton Highlands, who has been a Representative for the past 12 years, is again a candidate for the nomination. Others who are candidates include Alderman John Temperley of Newton Upper Falls; former Alderman Sidney Holden of Newton Center; John A. Janse of Newton Center; Douglas B. Francis of Newton Center; Edwin H. Cooper of Waban; Nicholas Loumos of Newton Center; Edmund F. Kneeland of 70 Bowen st., Newton Centre is a candidate for the Democratic nomination from the 5th District.

New Fire Truck In Commission

The new fire pump and hose wagon on Engine 3 unit at Newton Centre was delivered to the city last Friday and went through a satisfactory test at Bullough's Pond. The pump, which has a capacity of 1000 gallons a minute, was built by the Maxim Company of Middleboro which has furnished much of the Newton fire apparatus. It cost \$8000. The fire truck which it replaces has been in use since 1917 and will be kept as a spare pump and hose wagon.

Need Mortgage Money?
\$8.17 MONTHLY ON EACH \$1000 BORROWED
One monthly payment of \$8.17 per \$1000 borrowed plus 1-12th of the yearly taxes pays the mortgage in full in only 150 months under our 15 year plan. This plan is available to owners of 1, 2 or 3 family houses in Metropolitan Boston. Merchants Co-operative Bank
24 School Street, Boston, Mass.

Local Women Win Prizes In Camay-RCA Contest

Beautiful new radio receiving sets have been awarded to Mrs. Edythe Andrews, 244 Ward st.; Mrs. Daniel Lowery, 72 Cloverdale rd.; Elizabeth B. Kershaw, 105 Temple st., for writing one of the fourteen hundred seventy best entries in the Camay RCA Victor Contest conducted by the makers of Camay soap. There were fourteen hundred and seventy prizes consisting of \$100,000 worth of RCA Victor radio instruments, in addition to the cash first prize of \$3000.

Local people were given a better chance to win in this contest because the country was divided up into five sections for the award of prizes and in the allotment of radios it was stipulated that 230 radios would go to each of these five sections.

The three Newton ladies were greatly pleased with their good fortune and were today enthusiastically demonstrating the prize instrument to all visitors.

The award of the prize radios was made by Harold W. Batchelder, local RCA Victor dealer. He remarked the winners only seemed to really believe in their good fortune when he brought the instrument into their homes and proceeded to install the all wave antenna which was a part of the prize award.

The radio prize was one of the latest designs with metal tubes, Magic Eye and Magic Brain and a full range of reception covering all the local standard broadcast bands in addition to foreign broadcast, amateur, police, and aviation bands. The winner said that her whole family were as overjoyed with the prize as she was and that they all found it exceptionally easy to operate the instrument. The winner was profuse in the thanks which she gave to Mr. Batchelder of the Garden City Radio Company, Newtonville, who represents RCA Victor in this locality.

Waltham Dump Fire Makes Much Smoke

The dump used by the City of Waltham at the Newton line between Lexington st. and Wood ave. caused a decidedly unpleasant afternoon last Saturday for many West Newton and Auburndale residents in that district. Rubbish at the dump, including tarred paper, furnished fuel for a smoldering fire which filled the section with smoke of sufficient intensity to impede traffic for several hours, compelled people to close windows in their homes, and kept several pieces of Waltham fire apparatus, as well as two engines from Newton busy for three hours trying to extinguish the fire. This dump has been an increasing nuisance to residents of Newton living within a wide area from it.

Muther Not Guilty In Auto Fatality

Lorenz F. Muther of 180 Elgin st., Newton Center, was found not guilty in the Newton court on Monday by Judge Lloyd Allen on charges of manslaughter and driving a car so as to endanger the lives and safety of the public. On the afternoon of June 29th a bicycle on which three boys were riding came out of Victory Field playground and was going across California st. when it was in collision with a car operated by Mr. Muther. Two of the three boys riding on the bicycle received fractured skulls and other injuries. Clifford Carpenter, 14, of Graniteville, who was riding on the handlebar, died a few hours later at the Newton Hospital. Dominic Pacetti, 13, of 42 Rustic st., Nonantum, who was riding on the frame of the bicycle, died at the Newton Hospital on July 6. Clifford DeWolfe, 13, of 246 California st., Nonantum, who was on the seat of the bicycle, received slight injuries.

In court on Monday William Leonard, assistant city engineer, testified regarding the width of the street at the scene of the accident, and that tire marks on the street showed that the automobile had travelled 65 feet after the brakes had been applied. Motorcycle Officer Dowling testified that Muther had stated after the accident that he was travelling about 25 miles per hour when the collision occurred, and that the bicycle had crashed into the side of the car. Frank Fisher who operates a gasoline station near the scene of the accident testified that Muther's car was travelling at a speed of about 40 miles an hour just before the collision. Joseph Palmieri of 304 Watertown st., who saw the crash, estimated the speed of the car at between 30 and 35 miles. Willard Henri of 281 Watertown st., Nonantum, another witness, testified that the automobile was going between 35 and 40 miles an hour. Judge Allen commented that the evidence did not substantiate the charges against Muther.

L. R. Gissler, a young man residing on Clark st., Newton Centre, was seized with a fainting spell while standing on the float at Crystal Lake late Tuesday afternoon and fell into the water. Oliver Cavanaugh, a life-guard at the bathing beach, plunged in and carried young Gissler to the shore. Dr. C. A. Thompson was summoned and treated the youth who was taken to his home.

Bather Rescued At Crystal Lake

The brief and tempestuous thunder storm late Tuesday afternoon blew down trees on Winchester st., Newton Highlands; Elm st., West Newton, and opposite 1151 Commonwealth ave., Newton Centre. Wires were knocked off poles on Elm st. and Parker st. and limbs were torn off trees on a number of streets at Newton Centre.

Newton Citizens Association Explains Objects

The recently organized Newton Citizens Association was granted a charter on July 22nd. The objects for which this association was formed are explained in the following article received from C. Raymond Cabot who was elected president of the new organization.

On July 22 a charter was granted to the Newton Citizens Association by the Secretary of the Commonwealth, and it is now fitting that a statement be made informing the public regarding the purposes of this newest of our civic organizations.

Believing that the thousands of people who have moved to Newton in recent years, many of whom have selected it as their place of residence because of its unexcelled schools, its low tax rate, and its efficient and well-ordered municipal government, have a real interest in their city and desire that its standards be maintained, a group of citizens has organized under the name of the Newton Citizens Association.

While it is true our city has an enviable record and one that is frequently the subject of editorial comment in our Boston and other papers, that record can be maintained only so long as its citizens show an interest in the management of its affairs. The complexity of modern conditions, the many diversions that there are in business and social life, and the growth of the city alone, have made it increasingly more difficult for our citizens to know each other or even know who their representatives in government are.

To meet this problem, the Newton Citizens Association will endeavor to give to all of our citizens information regarding candidates for office in local government, as well as information regarding the various problems which may arise in the city affecting their welfare, whether it concern schools, highways, or other matters. As a medium for giving this information the organization will send out to its membership from time to time bulletins touching the various matters which then may be of importance. The association will prior to elections, furnish a record of all candidates who are seeking our citizens' support.

Not the least of the difficulties in securing capable public servants lies in the burden placed upon them of bringing to the voters in all parts of the city their qualifications for office. This alone has in the past deterred many worthy men and women from even allowing their names to be used or suggested as possible candidates for public office. It is thought then that if such an organization as the Newton Citizens Association can help make the way easier to secure the best candidates for office, the quality of our city government will continue to be maintained on a high plane.

The organization will welcome to its membership all voters who have the best interests of the city at heart without regard to party, race or religion. Its primary concern is the welfare of the community and not the advancement or defeat of any individual. The organization can succeed only to the extent that it receives the support of those having the best interests of our city at heart.

At the first meeting of the Board of Directors held on Wednesday evening, July 29th, the following Executive Committee was selected from the Board of Directors: C. R. Cabot, president; J. Earle Parker, vice president; William H. Rice, treasurer; Richard H. Lee, secretary; Philip S. Jamieson, Kenneth C. Tiffin. In addition to the foregoing, the following are members of the Board of Directors: William F. Chase, Ruth S. Collins, Roy V. Collins, Charles A. Dunne, Warner Eustis, Elmer L. Ford, Douglas B. Francis, Maxwell P. Gaddis, Kenneth S. May, Arthur B. Nash, Everett H. Potter, William E. Soule, John V. Spalding, (Mrs.) Ellis Spear, Ralph D. Weston. A membership committee of fourteen, which will take charge of enrolling members, was appointed, and the work of filling out the organization is already under way.

No New Schools This Year

On July 27th the Newton Board of Aldermen informally voted in favor of requesting Mayor Childs to recommend appropriations for two new schools to replace the antiquated Franklin School at West Newton and the Elliot and Lincoln schools at Newton. They also voted to request the Mayor to recommend an appropriation for a branch library building at Newtonville. Mayor Childs stated on last Friday that while he favors the new schools and the library, he believes the sites for the proposed new schools should be selected first. He said that he does not believe it practical to start the construction of the new buildings this year. The Aldermen did not suggest any method of financing the new schools and library.

Arrested For Drunken Driving

Joseph Clark of 6 Shawmut st., Worcester, was arrested at 1 a. m. Monday by Serg. Sullivan and Patrolmen Foley, McGrath and Whelan for drunkenness and driving a car while under the influence of liquor. A woman who was riding with Clark was arrested for drunkenness. The policemen observed Clark driving in an uncertain manner at Newton Corner. He was arraigned in the Newton court on Monday and his case continued until August 14.

Chester Macomber of Fellows, West Medford, was arrested early Monday morning at Newton Centre by Patrolmen Goddard and Green on a charge of driving a car while under the influence of liquor. His case will be heard August 14.

George Peckham of Hibbard rd., Newton, was arrested last Friday night by Patrolmen Smith and Turner charged with driving a car while under the influence of liquor. His case will be tried August 7.

Record Amount Of Water Used Monday

During the past few weeks there was an exceptionally heavy use of water in this city. The continued drought had been burning up lawns and many residents have been using garden hose extensively in attempts to save the grass in their yards from being scorched. This drain on the Newton water supply, together with the decreased amount of water obtained from the reservation at Needham necessitated Newton using recently large amounts of water from the Metropolitan district supply. This resulted in the water supplied to householders having a soft and disagreeable taste, quite different from that which characterizes Newton's own supply of hard water. Recent tests of the water show, according to Water Commissioner Murray, that it is free from any harmful bacteria.

On Monday of this week, 11,250,000 gallons of water were used in Newton; a record consumption. On Tuesday, 7,500,000 gallons were pumped into the mains. The average daily consumption for the city is 4,700,000 gallons. The Charles River at the pumping station in Upper Falls was nearly 2 feet below normal level on Wednesday.

Files Claim For Damage To Auto

Fred G. Howe, Jr. of 167 Waverley ave., Newton, has presented a claim to the city for damages to his automobile caused by a defect on Bowers st., Newtonville, near the railroad station. Mr. Howe stated that on July 7 his car went into a depression caused by a catch basin being lower than the street surface, and that the curbing near the basin is out of line. He asks \$25 damages.

Sues For Refund Of Taxes

Mrs. Eleanor Saltonstall of Chestnut Hill, filed a suit in the Federal District Court on Monday to recover \$2219 in taxes and interest for an alleged illegal tax levied on her in March, 1931. After having paid \$106,374 for income taxes, she was further assessed a deficiency tax of \$10,328.

Community Chest Campaign Making Progress

All Major Division Heads Are Selected

The Newton Community Chest, Inc., reports that all its Division Chairmen for the 1936 Campaign, scheduled for the period November 12th to 23rd, have been named and have accepted the jobs. Maynard Hutchinson is the Campaign Director; with Mrs. Lorenz Muther, Assistant Campaign Chairman, in charge of home meetings of residents and Chairman of the Exposition planned at the State Armory in West Newton, tentatively set for November 6 and 7; and Charles C. Dasey, Assistant Campaign Chairman in charge of the Advisory Division.

The Women's Division, headed by Mrs. John F. Capron, is a new set-up this year. This group, with a Captain and workers in every village, will cover all retail stores, filling stations, beauty shops, barber shops and, in a word, all the retail establishments in the city. The Business Division is headed by Glade Perrin, Manager of the Burroughs Adding Machine Co., and former president of the Rotary Club of Boston. Mr. Perrin resides in Newton Centre. As his assistants, he has to date John J. Cahill, of the Newton Motor Sales Co., acting as head of the group to cover Automobile Dealers and Garages and Harry B. Hanson, President of the Middlesex and Boston Street Railway, to cover the public utilities.

Dr. Frank R. Clark, of Newtonville, will head up the Doctors' and Dentists' Division which is another new group as such for the 1936 Campaign.

Mayor Childs, with his usual active expression of public spirit and interest in organizations working for Newton's well-being, will be Chairman of the Municipal Division. He has named Harry Hageman, Building Commissioner, as his assistant to handle the General Group and Julius E. Warren, Superintendent of Schools, to cover the school group. This division had an excellent record last year with 97 per cent of all municipal employees giving the highest average pledge of any Chest city in New England. The chairman and his assistants are out to beat even that excellent record this year. Mr. Hutchinson is Chairman of the Special Gifts Division this year and plans to have a city-wide committee, rather than follow the plan of having a special gifts committee in each village. Experience in Newton and other Chests indicate this as the wise procedure.

The Organization Division, covering Clubs and Organizations, private schools and golf clubs in the city, is headed up by James B. Melcher, Treasurer of the Newton National Bank. John M. Blier, another man with an outstanding record of community service in Newton, a resident of Waban and Factory Manager of the Boston Woven Hose and Rubber Company, is Chairman of the Residential Division. This is the division which has about 1,200 solicitors, with a complete organization in each village. To date, Mr. Blier reports the following chairmen:

Robert A. Whidden, of West Newton; Winslow R. Howland, for Auburndale; H. J. Pettengill, Jr., for Waban; Charles Chasson for Nonantum; and A. Leslie Harwood, Jr., for Newton Centre. The list of Village Chairmen is scheduled to be completed this month and excellent progress and response of people approached indicate that the schedule will be easily completed.

Drunk Seizes Grocery Truck

Francis Roberts, 56, of 27 Cottage place, West Newton, was arraigned in the Newton court on Tuesday charged with using an automobile without authority. On July 28th, Roberts climbed into a truck owned by Wilson Brothers, grocers, while the vehicle was parked in front of their store at 304 Centre st., Newton, and drove the vehicle to Watertown square, one of the heaviest traffic centers in Greater Boston. There he was arrested by Watertown police for drunkenness and driving a motor vehicle while under the influence of liquor. He was arraigned in the Watertown court the following day on these charges and his case was continued. In the Newton court last Tuesday he stated he did not remember having appropriated the truck. Judge Weston gave Roberts a two months' suspended sentence to Middlesex County prison.

EDITORIALS

Frank A. Brooks of Watertown, who has represented Newton as a member of the Governor's Council the past 19 months, has lived up to the high standard of service he always gave in public offices he held. Mr. Brooks gained a fine reputation for ability, courage and honesty during many years as Chairman of the Parole Board. He has enhanced this reputation since he became a member of the Executive Council. He has consistently opposed Governor Curley's domination of the council, and he has persistently, if not successfully, endeavored to prevent extravagances which have imposed unnecessary tax burdens on the people of Massachusetts. He is a candidate for re-election and the people of the 3rd. Council District undoubtedly will recognize his excellent service.

The large number of candidates for nominations as Representatives from Newton to the Legislature emphasizes the fact that in Newton a Republican nomination has, in the past, been equivalent to election. While the Democratic vote in Newton has increased in recent years, the city is still overwhelmingly Republican, and it is safe to assume that this year with its Presidential election, will bring out the full strength of the Republican vote. With aggressive candidates seeking nominations, it behooves Republicans of Newton to participate in the primary election next month. Too few have performed their duty in the past by voting at the primaries.

E. H. P.

In this issue of the GRAPHIC is printed a statement received from Mr. C. Raymond Cabot, president of the recently organized Newton Citizens' Association. This statement merits the attention of every citizen of Newton who is interested in the future of the city.

ENTERTAINING YOUR FRIENDS

The Hawthorne Playground in Nonantum yesterday afternoon was the scene of a unique and pleasantly entertaining exhibition of juvenile talent in the form of dancing, singing and dramatics. The program consisted of over twenty-five numbers, all of which were initiated by the individual performers in their desire to share in the purpose of entertaining their friends.

The audience composed of over 600 playmates, parents and friends enthusiastically enjoyed the performance, particularly because of the sincere, hearty attempt of the youngsters to do something well for the enjoyment of others.

Superintendent Ernest Hermann of the Newton Playgrounds often has expressed his desire to have boys and girls so trained that they may actively take part in the entertainment of their friends rather than to be always the audience to be entertained. As he so aptly says, "A physical moron is more to be pitied than a mental moron. Be a part of the play, of the game and your pleasure has a myriad of healthful results."

The children taking part in this exhibition undoubtedly gained considerable in one of the most paramount sides of life, the social side, for they were giving their talents for the edification of others and sharing with others talents widely distributed and in an atmosphere saturated with the same democratic essence of sharing.

These same children have offered particularly interesting Hobby Days for many years but this venture, although apparently cross-purposed to hobby has the sublime feature of a hobby for as Mr. Hermann has said, "The hobby of entertaining your friends in wholesome fun is sublime. It is one to be acquired only by those of the highest quality of character, served to your fellows."

It was natural that the youngsters presented the earliest form of entertainment, dancing, for the pleasure of their playmates, and in every instance the performance was vociferously applauded, not for the perfection of execution but for the wholehearted attempt at perfection regardless of the youth of the performer. The salient feature of the dancing was the grace of the dancers who gave a practical demonstration of what has so often been said, "Grace is economy of motion."

The Nonantum playground district composed of the Stearns, Boyd, Haw-

thorne, Horace Mann, and Victory playgrounds joined in making this entertainment a combined playground effort, with the Hawthorne Playground as the hosts and directly responsible for the program.

The program opened with a welcome from Lillian Palmieri in the form of a "Smile Welcome". The singing games of the Stearns Kindergarten under the direction of Miss Margaret Flood were excellently done and the little tots enjoyed their parts thoroughly.

The Harmonica Band of Nonantum composed of eight boys was another highlight of entertainment. Alfred Colella, a soloist, Alfred Colella, was brilliant in his performance and many expressed the desire of listening to a recital by this clever music master. His performance was par excellence. A playlet, "The Three Bears", by Eddie Costa, Teresa Bacari, Ruth Nolan and Angie Coletti, was dramatized beautifully and was well received. All of the tap dancers did a very fine job. Dorothy Mason, Dorothy Fitzpatrick, Mary McIsaac and Anna Murphy were among other fine performers.

The "Entertaining My Friends" day was in direct supervision of District Supervisor John B. Dacey, with the directors of Hawthorne Playground sponsors and host of the day. Directors Lillian Swartz and Anthony Lombardi were ably assisted by co-workers Daniel J. Barton, Josephine Pillion and Mildred Connelly. Superintendent Ernest Hermann of the Newton Playgrounds under whose supervision, encouragement and inspiration these days are held, has wholeheartedly supported them and has been the main force in initiating them.

Pontiac makes a point of the fact that its triple sealed hydraulic brakes keep out every particle of foreign matter and thus operate efficiently even after hard driving over the worst roads. Only a few years ago brakes were out in the open and it was an easy matter to get a rock in the rod mechanism, or smaller stones, gravel or mud between the drum and the brake shoes or bands. Then there was trouble.

Bills Vetoed by Jackson

Andrew Jackson, as President, vetoed every bill for public improvements that congress laid before him until convinced that the proposed measure would be of improvement to the whole country and not to a portion of it alone.

Kiwanis Activities

At the Woodland Golf Club, Wednesday evening, July 29, 1936, there was held an Inter-Club Meeting of the Fifth Division, New England District of Kiwanis. A group of one hundred and fifty men appeared for dinner at 6:30, many of them having spent several hours prior thereto on the golf course. The meeting, in charge of J. Ernest Gibson, President of the Newton Kiwanis Club, was attended by representatives from Brookline, Roslindale, West Roxbury, Boston, Somerville, Waltham, Weston, Wayland, Sudbury, and Wellesley.

The meeting, an enthusiastic one, centered chiefly about James P. Gallagher, recently elected trustee of Kiwanis International. This signal honor coming to the New England District and a Newton man especially pleased those present and Trustee Jim was highly commended upon his selection for such an important position. In his response he dwelt upon the basic principle of all service clubs, the good neighbor objective, emphasizing point after point by reference to and recital of the Biblical story of the "Good Samaritan." The weekly meeting of the Newton Kiwanis Club was held Tuesday, Aug. 4, 1936, at the Charles River Country Club, and despite the oppressive weather there were many in attendance. The presiding officer, J. Ernest Gibson, credited W. J. Finlay with procurement of entertainment with a very important educational aspect. Mr. Finlay presented a representative of the Coca Cola Company, who, with the use of descriptive talking pictures, illustrated the way to success in business.

Any cash register, he stated, rings in numberless "no sales," but these yield no profit. It rests with the salesman as to how busy the machine will be and the more sales recorded, the more valuable the salesman, and the larger his compensation. No matter what the occupation, practically all are salesmen in one form or another, and though not equipped with cash registers, results are equally important.

The successful salesman must never lose sight of five important things: Personal appearance, facial expression, interest in customer, pleasing voice, and enthusiasm. These requisites are beyond the reach of no one—they can be acquired, they must be acquired to merit success.

UNION CHURCH SERVICES

The August Series of Union Church Services which is being held by a group of Newtonville and West Newton churches was auspiciously begun last week in the Church of the New Jerusalem, Newtonville, when a congregation which nearly filled the church greeted Dr. Harry P. Dewey, guest preacher from Minneapolis. The second service in this group will be held next Sunday morning in the same place at eleven o'clock. Dr. Dewey will preach on the subject, "Belief Tested by Experience." R. Lawrence Capon, organist and choirmaster, has arranged an attractive program of music including Preludes: "Allegro con brio (Sonata in E Minor)" by Rogers; "Lento" by Edmundson. The anthems to be rendered by the mixed quartette are: "Sing to the Lord" by Haydn and "I Sought the Lord" by Frederick Stevenson.

Summer visitors in the vicinity of Newton are cordially invited to these services.

AIR CONDITION FOR EMBASSY

The installation of a new ventilation and fresh air cooling system at the Embassy Theatre (Waltham) is expected to be completed and ready for operation within the next few days.

For the past several weeks workmen have been busy at the Embassy installing this new system which is of the most modern design. When completed the new cooling equipment will supply, distributing equally throughout the house, 45,000 cubic feet of fresh air hourly.

Huge air blowers driven by powerful motors will remove all excessive humidity and foul air as fast as it is created; replacing with a comfortably cool dry air purified and free of all odors.

In the installation of this ventilation and fresh air cooling system every precaution has been taken to protect the health and comfort of theatre patrons. All new equipment has been installed in such a manner as to eliminate any possibilities of direct drafts.

Magnetic Hills

In regard to a certain hill in California that is supposed to have magnetic power sufficient to pull an automobile up at the rate of 25 miles an hour, the so-called magnetic force is imaginary, and cars do not climb them without power from their engines. The rider is simply the victim of an optical illusion, produced by the contrast in two grades. It is often difficult for a driver among the mountains to tell whether he is going uphill, on the level, or downhill. Approaching the hill on a 15-degree grade, he comes to a sharp curve and when he has turned he seems to be still going uphill though his machine will coast without power. In reality he is going down a two-degree grade. Besides the Magnetic hill outside Los Angeles, there are similar "magnetic hills" in other mountainous regions, where the same illusion is experienced.

Letters To The Editor

Los Angeles, Calif., July 31, 1936

W. K. Brimblecom, Editor: Fifty years ago, in 1886, I sent a letter to the Newton Graphic in regard to Los Angeles. I wonder how many of my predictions have come through. I kept the paper for many years but it finally was lost. I believe your father owned the paper at that time. I remember my piece was just under a poem by Oliver Wendell Holmes. I am sure it was in 1886. Since then I have lived East in Newton. My son and granddaughter are graduates of the Newton High, also myself. Three generations of graduates alive. Can you duplicate this family? I have lived in California from 1885 to 1895 and from 1917 to 1936. Possibly you have heard of my son. He was quite prominent in the Newton High and Yale College.

The other Pauls in Newton Centre are relatives of mine. Don't suppose this is worth printing but the "Fifty Years Ago" Column brought back remembrances.

JOHN W. PAUL.

WPA Orchestra Concert Tuesday

The Newton WPA Orchestra, Albert H. Webster, director, and Herman C. Subers, conductor, will give the following program on Tuesday, August 11 at 7:45 p. m. at the Newton Center playground.

On The Mall, March—E. F. Goldman
Queen of Autumn, Overture—Biggs
Unfinished Symphony in B minor—Schubert

Allegro moderato
Andante con moto
Spring, Beautiful Spring, Waltz—Linke

Intermission
Echoes from the Metropolitan Opera House
Amaryllis, Gavotte—H. Ghys
Potato-Bug Parade, An Air—Cobb
Episode—G. L. Cobb
Tangerine, Selection—C. Sanders
The Star Spangled Banner—Arnold

HAMILTON SCHOOL PLAYGROUND FIELD DAY

Newton Lower Falls boys and girls enjoyed a Track and Field meet held at the playground on Wednesday morning. There were many events on the program which kept the children busy throughout the entire morning. The races were judged by William Steward, Ted Cotter and Leighton Reimer. The prizes were awarded by Mr. Donahue, the District Supervisor, to the following children:
Boys' Races, 30-yard dash, 10 years and under—1st, Howard Simpson; 2nd, Norman Bradley; 3rd, Paul Kopiec.
50-yard dash, 12 years and under—1st, Frederick Walkins; 2nd, James Tyman; 3rd, Paul Bradley.
75-yard dash, open—1st, Robert McCourt; 2nd, Edward Bartzok; 3rd, William Johnson.
Shoe Race, open—1st, Peter Sohaskey; 2nd, Clyde Bradley; 3rd, Robert Bradley.
Three-Legged Race, 15 years and under—1st, Ian Trefry and Stanley Lyko; 2nd, William Haley and Paul Healey; 3rd, William Spooner and John Emmetts.
Baseball Throw, 14 years and under—1st, Robert McCourt; 2nd, Ian Trefry; 3rd, Robert Bradley.
Baseball Throw, open—1st, William Spooner; 2nd, Arthur McDaniels; 3rd, Ted Grybos.
Ballon Race—1st, Paul Bradley; 2nd, Joseph Wilson.
Girls' Races, 30-yard dash, 12 years and under—1st, Margaret Bradley; 2nd, Bernice Collins; 3rd, Helen Sohaskey.
50-yard dash, open—1st, Margaret Bradley; 2nd, Veronica Sowaskey; 3rd, Helen Sohaskey.
Three-Legged Race, 12-15 years—1st, Bernice Collins and Blanche Grybos; 2nd, Mary Healey and Carol Durkee; 3rd, Helen Sohaskey and Helen Emmetts.
Ballon Race, 8-14 years—1st, Margaret Bradley; 2nd, Helen Emmetts; 3rd, Bernice Collins.
Shoe Race, 12 years and under—1st, Ruth Grant; 2nd, Helen Sohaskey; 3rd, Margaret Bradley.
Blindfold Race, open—1st, Bernice Collins; 2nd, Melia Lyko; 3rd, Blanche Grybos.
Soft Ball Throw, open—1st, Veronica Sowaskey; 2nd, Bernice Collins; 3rd, Margaret Bradley.

The track and field meet was under the direction of Leighton Reimer, Ted Cotter, Marie Daly and Eleanor Feerick.

Hypnotism Long in Use for Medical Treatments

Psychologists in universities, while investigating the mechanism of the human mind, often employ hypnotism to bring to the surface its hidden workings, while physicians have legitimately used it many times in making cures of certain kinds of cases—such as drug addiction or alcoholism.

Hypnotism is not a mysterious force flashed over hundreds of miles by the power of some dark hypnotic eye, writes Prof. A. H. Estabrook in the Scientific American. A hypnotized person is much like one who walks in his sleep. If you can find such a person and start a conversation without waking him, you are in touch with the sub-conscious mind of one who is already hypnotized. The unconscious mind is in control of the body. In the hypnotic trance, however, the unconscious is also in touch with an operator. This accounts for the curious results obtained, for the unconscious is very open to suggestion and has a remarkable power over the entire body.

Newton Graphic, August 7, 1886
There was a snowstorm on Mount Washington on Tuesday and it was almost cold enough for one in Newton. Such a sudden fall in the temperature is unusual in August and it made the stay-at-homes pity the unfortunate people at the shore and mountains.

It is rumored that a scheme is on foot to dispose of the militia camp ground at South Framingham and secure a new site near the ocean. It is said that the State property at So. Framingham can be sold at any time for double the price it cost.

The Highway Committee has voted to accept Emerson st. as a public street and there is talk of accepting Hunnewell ave. and making it a public way.

S. K. Harwood of Hotel Hunnewell is having plans made for a new building with 40 rooms and a handsome hall to be located east of the present hotel building and connected by a corridor. He has to turn away enough applicants every month to fill the proposed rooms.

The Waltham Electric Light Company and the Waltham Gas Company are having a controversy over the introducing of the electric light in that city. There is some talk of the former introducing the electric light into Newton and Watertown.

Henry C. Daniels has added to his stock of carriages a handsome wagonette and a fine landau which will be in great demand for pleasure parties.

The new water fountain for Nonantum Square has arrived and the old one which has been a nuisance will be soon removed. Many accidents have occurred at it, as it was impossible for two horses to drink there at the same time without breaking a wagon pole.

Newton Graphic, August 4, 1911

The cheering news is rumored about City Hall that the new tax rate to be announced within a few days will show a decrease from the present rate of \$18.60. The tax levy is \$23,000 less than last year and on the same valuation would mean about 30 cents less on the tax rate. As there is certain to be some increase in valuations an \$18.20 or even \$18 rate is possible.

The Railroad Commission has authorized the Middlesex & Boston Street Railway Company to continue to charge 6 cents when transfers are issued. While the commission finds that the financial condition of the company is better than it has been,

60 YEARS AGO

Newton Republican, August 7, 1876

The demands for a hotel in Newton are not yet fully supplied. Mr. Lamson at the Newton House is doing what he can with his limited accommodations but his dwelling house is too small. With the stimulated enterprise developed toward substantial brick edifices for stores and business purposes, will come ere long the means for a hotel building which shall be worthy of our new city. Then would the traveler find a place in Newton to rest him over night instead of being obliged to go to Watertown.

The rate of tax in Newton will not be over \$14 per \$1000. This will be good news to those who thought that by becoming a city would increase our rate of taxation to a fabulous sum.

One of the pleasantest rides among the many in our beautiful city is to the Newton Cemetery. Under the skillful care of Mr. Ross the grounds are looking finely. The numerous plots of flowers are now in their fullest glory. We understand that several lots have been sold recently and the association is encouraged to enter upon some of the many improvements which they contemplate.

Did you ever see a train starting from the depot without some belated individual running to catch it?

Forty cents per foot is the price paid by Mr. Morton for 2000 feet of cedar in the rectory of Grace Episcopal Church.

A company has been formed for the new horse carriage at Newtonville. William Watts was chosen foreman and Ed Watson, clerk. It is stated that one of the Engineers objects to these officers and there may be a new election. The horse carriage is expected soon.

The Newton & Waltham Street Railway will run four trips to Waltham on Sundays in the future.

In the early days of Newton the south end section, known as Oak Hill, was the most populous. But water-power, stage routes and railroads developed the other sections into thriving manufacturing villages, business centres and beautiful suburban residential districts, and Oak Hill in 1874 is no more populous than it was a century and a half ago. Although it is so far from a railroad to rival our other villages as a sleeping apartment for Boston, it can aspire to any suburban community in the department of market gardening.

Edward H.

Powers' Paragraphs

Herr Adolf Hitler's contention that the Aryan race is outstanding, has been receiving quite a jolt the past week because of the accomplishments of the Negro athletes on the United States Olympic team. The Aryans and Nordics may be superior in some respects, but not when it comes to travelling 100 meters, 400 meters, 800 meters; high jumping, broad jumping, and other tests of agility. When one considers the small number of Negro athletes as compared with white athletes, the victories of Owens, Metcalfe, Woodruff, Johnson, Robinson and the other dark complexioned men from the U. S. A., the superiority of the colored men is all the more outstanding.

Governor Curley is real peeved with Lieut. Governor Hurley and Councillors Brennan and Hennessy because they have not been doing his bidding lately. He stated they are more Republican than Democratic. But, it was all right for Governor Curley to seduce Republican councillors and legislators by giving them lucrative jobs after they had voted as he wanted them to. Talk about your dual standards.

A nuisance which has bothered many Newton residents in recent years is going to be curtailed. This is—the practice of some drivers of milk wagons of shifting cases of bottles during early morning hours and leaving empty cases piled high on sidewalks during the following day, and frequently for a couple of more days. In the first place it is illlud or borders on the sidewalk. We were in the office of the Street Commissioner the other day when a woman telephoned from Newton Center complaining that children had been taking empty milk bottles from cases stored on a sidewalk not far from the playground, and had broken them on the street. One principle objection to this practice of the milk wagon drivers is—that instead of shifting the bottles in the wagons at places where the noise will not awaken people, they have been doing this work in the midst of closely settled neighborhoods, when by going 100 or less yards away they would not have disturbed persons' sleep nightly.

The Newton Board of Aldermen at its last meeting properly turned down a petition from a Newton resident asking that parking be prohibited along the sides of his estate for distances of 220 feet, on Centre and Sargent sts. If parking in residential sections were prohibited, just where would persons park automobiles? Sometimes parking nuisances in residential neighborhoods justify parking restrictions, but to prohibit parking where little parking is done is neither practical nor legal. The streets still belong to the public.

The statement printed in this week's GRAPHIC regarding the purposes of the Newton Citizens' Association should be of much interest to residents of this city. Persons who want Newton to remain in the future the outstanding residential community it has been in the past, have realized during the past 15 years when this city has been growing very rapidly in population, that care must be exercised to elect to our city government men of ability, men who will prevent Newton from deteriorating through undesirable development or exploitation. We believe the organizers of the new organization are quite sincere in their objects. We would be more enthusiastic about the association, had it been made more representative in its group of organizers and officers. There are many life-long residents of this city, men who have served in our city government who have an old city knowledge of Newton affairs, who are genuinely anxious that Newton shall be kept on a high plane, who would have been assets as leaders in this new movement had they been requested to co-operate in its organization. However, the invitation to join, which is now extended, affords an opportunity for others to participate, and we hope that the association will eventually include people of all classes in the city who desire to see municipal government in Newton kept on a high level.

We received a very informative and interesting booklet this week entitled "Suburban Living at Its Best." The author is John R. Prescott, for 56 years a resident of Newtonville and for 27 years a member of the Newton Board of Assessors. Mr. Prescott, a native of Vassalboro, Me., is a city who with a youth and this city has no more loyal booster. The purpose of the booklet is to allow an extension of the 6 cent charge.

10 YEARS AGO
Newton Graphic, August 4, 1926
Newton police frequently receive complaints about barking dogs and crowing roosters which disturb sleep of neighborhoods. But, an unusual call came at 1 a. m. Thursday morning from Charles st., Auburndale, when someone phoned that a baby in that neighborhood had been bawling so loudly and long that hardly anyone in the section had been able to get a wink of sleep. Motorcycle Officers Dowling and McHugh were sent to the scene of the broadcasting. It is not known whether they used soothing syrup, a teething ring or resorted to bedtime stories, but they succeeded in having the weeping of the suffering infant made less audible to the annoyed parties.

Law of Life That Enriches
It is a law of life that what we give uselessly multiplies and returns to us. In helping others we enrich ourselves in the real things—the things that endure. We develop character—we grow in power and usefulness—we become real men and women, not dwarfs. The moment you fling open the door of your heart, and let your sympathy and helpfulness flow out to shed their fragrance and beauty upon lives that are starving for human fellowship, you begin to develop power. The moment you bottle them up you begin to strangle the best things in you, then you begin to dwarf your power and possibilities. Give and grow!

Accidents

Cars driven by Aurele Boucher of 1619 Centre st., Newton Highlands and Thornton Snow of Reading collided on Wednesday about 5:30 p. m. at Lowell ave. and Washington st., Newtonville. Mrs. Florida Boucher who was riding in her husband's car, received a severe head injury and was taken to the Newton Hospital. The two cars crashed into a car operated by Angelo Taranto of Waltham who had stopped his car at the entrance of the Lowell avenue bridge at Washington st.

At 1:15 Thursday morning cars operated by Fred Quigley of Oakdale rd., Newton Highlands and Norman Perkins of Gilbertville collided at the turnpike and Woodcliff rd., Newton Highlands. Joseph McKenna of Springfield, a passenger in Perkins' car, received injuries to his chest and stomach and was taken to the Newton Hospital. Quigley reported that Perkins' car hit his from behind. Perkins reported that Quigley started to make a left turn, then steered back onto the turnpike and forced his car to the right so that it went onto the sidewalk and blew out two tires.

Curran To Run For Reg. of Probate

Robert J. Curran of 28 Manet rd., Chestnut Hill, is a candidate for the Democratic nomination for Register of Probate and Insolvency of Middlesex County. Mr. Curran is an attorney at law and his office is at 73 Tremont st., Boston. He is a member of the bar of both State and United States courts and is assistant liquidation counsel for closed banks. He is a member of the Newton Democratic City Committee, 9th District Democratic Committee, Newton Jefferson Club, Georgetown University Club of New England and Senior Vice Commander of John Gilman Post, Sons of Union Civil War Veterans.

"FURY" HEADS BILL AT THE PARAMOUNT THIS COMING WEEK

Sylvia Sidney and Spencer Tracy Win
Laurels in Drama Packing a Wallop

Sylvia Sidney and Spencer Tracy are the brilliant co-stars of "Fury," the picture that is starting at the Paramount-Needham Sunday, August 9th. In this powerful screen play, directed by Fritz Lang, they give performances that will linger long in your memory. The narrative, based on an original story by Norman Krassna, has to do with the tragic circumstances that separate two young lovers on the eve of their marriage. Tracy, as the man, is arrested as a kidnap suspect and apparently burned to death by a mob that storms the prison. His life is wrecked and his mind twisted, he goes into hiding and contrives to have 22 of the mob convicted of murder. As a hard-hitting indictment of national shame, "Fury" stands out as one of the fine pictures of the year, for its power lies in its altogether objective approach to the subject of mass lawlessness.

In sharp contrast the co-feature for the first three days of the week is "Champagne Charlie" with Paul Cavanagh and Helen Wood as the feature players. It is a very light comedy and rounds out a perfect show.

On Wednesday and Thursday, August 12-13, the Paramount offers for its patrons these funny men of the screen. Bert Wheeler and Robert Woolsey in a comedy full of laughs and merriment, "Silly Billies"; no doubt everyone has seen some of their pictures but this is their best. On the same program is Boris Karloff and Marguerite Churchill in "The Walking Dead," this picture is not as weird as the name suggests, but a truly interesting story of a man who was wrongly electrocuted and then brought back to life by a famous doctor. A truly interesting and enjoyable picture.

"Hearts Divided" with Dick Powell and Marion Davies head the bill for Friday and Saturday, August 14 and 15. Laid in the colorful and romantic setting of the south in 1803, it presents one of the most distinguished casts ever assembled for a motion picture. Supporting Dick Powell and Marion Davies in this colorful film is Charles Ruggles, Claude Rains, Edw. E. Horton and Hall Johnson Choir. "Hearts Divided" is full of beautiful melodies as only Dick Powell can sing them woven into a story of beauty and splendor. As the co-feature for this tremendous production, we offer "Speed" with Wendy Barrie and James Stewart a light and moving romance of the racy days of today.

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

EVERTS IN NATIONAL TENNIS AT CULVER

Albert P. Everts, Jr. of 114 Kirk-stall rd., Newtonville, is one of New England's two representatives in the National boys' tennis championships at Culver, Indiana. Together with Robert Decker and Bill Hart, juniors, and Arthur Prochaska of Hartford, who will team with him in the doubles, Albert left Boston last Saturday, with all expenses paid by the New England Lawn Tennis Association.

Young Everts, a graduate of the Frank A. Day junior high school, is ranked No. 1 in boys' singles play by the association. Prochaska, ranked seventh, defeated Everts in the Massachusetts state final this year. Robert Decker, Boston youth who lived for some time in Waban, is third ranking among New England juniors, but has improved since last year sufficiently to cut a swath in senior tournament play. In one of the meagre reports which have come back from Culver, it was learned that Decker won his first-round match from Jack Ryan of Milwaukee by 6-1, 6-2.

Rich Wins Burr Singles

Paul Rich, captain of Newton High's state championship tennis team this year, and runner-up in the interscholastic state singles play, was the winner of the annual Burr Playground singles tournament, defeating Harry Sylvester in straight sets last Sunday, 6-0, 6-3, 6-0. In the semi-finals, Rich had defeated Don Grant 6-3, 6-0, while Sylvester took the measure of the veteran Phil Segal 6-1, 6-3.

The tournament, an annual fixture at Burr, is run by Guy Baker, playground superintendent, who also has charge of the city parks singles championships this year. Superintendent Baker explained why Henry Jones, Malcolm Clarke and other leading players of the city were not represented in this year's tournament by saying that the ultimate winner is sent to the New England championship public parks singles in Springfield, and that no member of a private club is eligible for that tournament.

TWIN COUNTY LEAGUE NEWTON

	W	L	T
NEWTON	3	1	2
Bemis	3	2	1
Needham	4	3	0
Natick	1	2	10
Wellesley	0	3	1

Games Next Week

Newton: Independents at Wellesley Thursday; Needham A. A. at Newtonville.

Jeff Jones again has the Newton Independents as the head of the Twin-County league, having held the pace-setting Bemis Cards to a 4-4 tie Monday evening. In last week's home game, the Independents hit freely to down Needham A. A. 11-7. In the Newton-Twi-League, the same club put in an indifferent week, playing a 4-4 tie with the Newton Cubs last Friday and losing 6-3 to Auburndale Wednesday.

Bev Wilson pitched the first five innings of the Needham game, and Guido Castoldi finished the last two. Herb Berry's home run with two on base in the first inning, followed by a two-run third canto, put the Newton team ahead, but Needham evened the score with two runs in the first and three in the fourth.

In the fifth, Andres, Berry, Pete and Hal Morrison singled in order, bringing in two more runs. Bert Marrazzo got to first base on the catcher's error, and Bill Mullen hit safely to score the Morrisons. Manager Jones singled, and Howard Ferguson flied out to center field for the tenth and eleventh Newton runs. Herb Berry, with a home run and two singles in three attempts, was the big hitter.

Andres and Morrison Tie Cubs

Two-base hits figured prominently as the Independents earned a 4-4 tie with Bemis last Monday. Berry scored from first base on Pete Morrison's double in the first inning. Ben Ryan, Newton pitcher, hit a double to score Marrazzo in the fourth inning, and repeated in the fifth, scoring Hal Morrison. Ryan, who hit three times in three trips to the plate, and Jeff Jones, who got three for four, each hit a pair of doubles.

Last Friday's tie with the Cubs had an unusual angle, in that Phil Andres and Pete Morrison, catchers for the Independents, just about monopolized the scoring column. Phil reached on an error in the first, advanced on Pete's single, and scored when Hal Morrison also singled. In the third inning, Andres clouted a two-bagger and Morrison drove him in with a single. Again in the fifth,

NEWTON TWI LEAGUE

Cabot Associates have finally won a game, defeating Garden City, Wednesday night, by a score of 8-2. This victory places Cabot once more in the lead with one more victory than the Nonantum Pals, and the same number of losses. Cabot has only two remaining games, one with the Centre and another with Boys' Club. Pals have Boys' Club, Garden City and Waban to play. The championship of the Junior Circuit seems to rest between these two teams, although Boys' Club and Garden City have an outside chance. Boys' Club, by winning all remaining games, would be assured of the first-place honors. This, however, is unlikely, since it means playing seven games in a little over a week.

Our Lady's is sure of a play-off berth and seems slated for first-place honors, having but a single defeat and only four games left to play. Giants held the edge over Independents, the latter having lost to Auburndale, Wednesday evening, by a score of 6-3, and thus have five losses to Giants' three. However, these two teams are about on a par and if games won and lost because of the forfeit rule for late starting were removed from the league standing, Independents would have a slight edge. Giants have three games remaining with Our Lady's, while Independents have only one, and these games may be the determining factor.

The All-Star game between the Senior and Junior Circuits will be played Sunday afternoon at Cabot Park.

Coach Bridley will select his team from the following: Colantano, Manning, Simon, Proctor, C. DiRusso, Ryan, Bagley, J. Doherty, Jeff Jones, J. Greene, McCreary, Harry Gray, J. Byrnes, and J. Murphy.

Coach Lawless has the following men: J. Fitzgerald, F. McGrath, W. McDermott, J. Colletti, H. P. Woods, C. Cormier, C. Dangelo, Coakley, Daley, A. Cueste, R. Harney, Guy Colletti, Francis Doherty and Leo Murphy.

A series with Smart Oil of the Suburban League will be played, the first game at Bicycle Park next Monday and the second game at Cabot Park on Thursday at 6:30.

The All-Star coaches will have the privilege of making further selections from league teams after Sunday's game if they find a stronger combination of players is necessary.

Umpires Sullivan and Leary have been selected by the managers to work Sunday's game and Jack Barwise will go behind the plate for the Smart Oil game on Thursday.

Standing Including Wednesday, August 5, 1936

	Won	Lost	Percentage
Our Lady's	15	1	.937
West Newton	12	3	.800
Giants	10	5	.667
Cubs	7	10	.412
Auburndale	6	11	.353
Y. M. C. A.	4	13	.235

Junior Circuit

	Won	Lost	Percentage
Cabot Associates	12	7	.631

Waban A. C.	4	13	.235

Schedule for Week of August 10, 1936

Tuesday: Y. M. C. A. vs. Auburndale B. C. C. at Cabot; Wednesday: Cubs vs. Y. M. C. A. at John W. Weeks (West Newton); Independents vs. West Newton Giants at High School; Thursday: West Newton Giants vs. Our Lady's Alumni at John W. Weeks (W. N.); Friday: Auburndale B. C. C. vs. Cubs at Auburndale; Our Lady's Alumni vs. Independents at Cabot.

Junior Circuit

Tuesday: Nonantum Boys' Club vs. Garden City Club at Victory; Centre A. C. vs. Cabot Associates at Highlands; Wednesday: Garden City Club vs. Centre A. C. at Victory; Thursday: Waban A. C. vs. Nonantum Boys' Club at Highlands; Friday: Nonantum Pals vs. Garden City Club at Victory.

Andres hit safely, stole second, and coasted home on Morrison's triple. Pete then tallied on Joe Green's hit. Against Auburndale Wednesday, the story was different, as the Independents trailed 6-0 until the sixth, when P. Morrison, Ferguson, H. Morrison, Ryan and Marrazzo hit consecutively to make three runs in a futile rally.

Want Zone Changes Made On Turnpike

A public hearing will be held at City Hall on September 9 before the Claims and Rules Committee of the Board of Aldermen on petitions filed recently by Henry I. Harriman of 825 Centre st., Newton, which ask that large parcels of land abutting Boylston st. (the Worcester turnpike) at Chestnut Hill be changed from private and single residence zones to general residence zone. In the petitions Mr. Harriman stated that he has interests in the properties involved. One of the areas specified is bounded by the southerly side of Boylston st. and Hammond Pond Parkway and is now in a private residence zone. It includes land owned by Lucy Lowell and James Driscoll. The other, and larger area is land on the northerly side of Boylston st. between the Brookline line and the Metropolitan Park reservation. This land also adjoins Hammond Pond. Petitions were presented last year to the Board of Aldermen by Augustus P. Thorndike, Jr. and members of the Lowell family, owners of this property, asking that it be changed to business zone. These petitions did not receive favorable consideration from the Board of Aldermen.

Mr. Harriman has explained to members of the Aldermen that the reason for desiring the change of zone is to permit the development of the properties for garden type apartment buildings which have become popular in other sections of the country.

County Gets PWA Grant For Hospital

Middlesex County has been allotted \$54,000 under the third Public Works Program as a PWA grant for the Middlesex County Tuberculosis Hospital at Waltham. The money will be used for part payment to build an addition and to make alterations and improvements.

NEWTON GIRLS AT SARGENT CAMPS

Among the 160 girls from different parts of the country who are spending the summer at the Sargent Camps in Peterboro, New Hampshire, are the Misses Virginia Rowland, Elizabeth Kerr, Aileen Davis and Jane Hesselein of Newton. Elizabeth Dempsey of Newton Centre, Odette Hatch of West Newton and Elizabeth Ann Branch of Waban.

THOUGHTFUL LITTLE CHILDREN HOLD BENEFIT PLAY

Eight little children, all under ten years of age, members of the education class of Our Lady's Parochial School, living in the vicinity of Jackson rd., held a benefit play on the lawn of Mr. Edward Bryson, Wiltshire ct., last Friday evening.

The play was very well attended and the entire proceeds turned over to the parents of the late Phyllis and Alice Horrigan, recent victims of an accidental drowning. The play was sponsored by Miss Mary Bryson who also furnished musical selections. Readings were given by Helen Bryson and Mary and Barbara LeBlanc. Vocal selections were rendered by Barbara Murphy and Alice Bryson. Exhibition part dancing was given by Jean MacIsaac and Nancy Pollock.

Fish Opposes Luce For Nomination

A nomination paper was filed at Newton city hall yesterday for Erland F. Fish of Brookline for the Republican nomination for Congressman from the 9th District. This would seem to indicate that Mr. Fish, a well known lawyer and former President of the State Senate, will oppose Robert Luce of Waltham for the Republican nomination. Among the signatures on the nomination paper were those of Representative William B. Baker, Charles J. Floyd, Mrs. Helen Hutchinson, Walter Amesbury, Guy Winslow and others who have been prominent in Republican party activities in Newton.

Newton Official Gets Belmont Job

Keble Perine of 242 Islington rd., Auburndale, for the past eight years agent of the Newton Board of Health, has been appointed agent of the Belmont Board of Health and will assume his new duties on September 1. Mr. Perine was born in Boston and graduated from Mass. Inst. of Technology in 1922. He was appointed agent of the local health department on September 1, 1928. In 1931 he was made Milk Inspector and for the past several years has done considerable laboratory work in addition to his field work.

Newton Girl On Station WEEI

Lucille Helen Morrison of Newton, daughter of Mr. and Mrs. Henry I. Morrison, will be heard in the remaining three of a series of six piano recitals to be broadcast over station WEEI on Tuesdays, August 11th, 18th, and 25th at 2:15 p. m. Miss Morrison, who is teaching pianoforte and concertizing in Boston, is devoting her broadcasts exclusively to the works of Johann Sebastian Bach, her concluding three recitals to include the B flat Partita, the Fifth French Suite in G Major and the Italian Concerto.

A pupil of Frederick Tillotson, Miss Morrison is entering her junior year at Radcliffe, where she is majoring in musical history and theory and the teaching of pianoforte. Music critics have acclaimed Miss Morrison's rendition and interpretation of the works of Bach.

Break Traffic Law And Pay Fines

Samuel Cline of 64 Mandalay rd., Newton Centre was fined \$3 in the Newton court on Monday for entering a through way without stopping. Gerold Curran of 240 Waltham st., Waltham was fined \$3 in the Newton court on Wednesday for speeding.

Charles River Boosters Meet

A meeting of the members of the Charles River Waterway Association, Inc., will be held at Necra Centre, 107 Charles st., Auburndale next Monday evening. The topics to be discussed will include mosquito control on the Charles River at Newton and Waltham, and the prospects of a new traffic bridge at Riverside.

Mayor Edwin O. Childs of Newton, Mayor Frederick L. MacDonald of Waltham, and representatives of the state, city, town and county governments in addition to delegates from various local organizations have been invited to address the gathering. The public are urged to attend. The meeting is called for 8:00 p. m.

The Annual Lawn Party of the New England Canoe Racing Association, Inc., will be held at Necra Centre, 107 Charles st., the former Newton Boat Club at Auburndale Sunday afternoon and evening.

James Gordon Lovell heads the committee in charge. Inter-Association Championships in tennis, croquet, quarts, bowling-on-the-green and table tennis will be held.

Hardy Nurnsen of New York City, 28 year old Estonian, has just concluded a 7200 mile canoe trip around the eastern United States, Mississippi River, Gulf of Mexico and Atlantic Coast, and will be the guest of honor. The public is invited to attend and there is no charge for admission or participation in the games.

Smallest Land Is Tuned to Music and Festivals

Music plays an important role in Luxembourg. One-sixth of its small army, it is used to be said, composed the band. Ancient tunes and saws are the order of the day for festivals.

One of the most interesting of these is the strange procession at Echternach every 11th Tuesday, when 20,000 dancing pilgrims, swaying three steps forward and two back, go through the town to the old tune, "Adam, He Had Seven Sons." Then at Luxembourg, the capital, the March of the Muttons is celebrated each year, snow-white lambs making their puzzled way through the streets, followed by musicians playing the old Mutton march.

Older than Luxembourg's castles are its Druid ruins and customs. On the summit of one of its hills, which is crowned by a mysterious stone, children build a fire one night each year, and then waving burning brands come rushing down through the torch-lit darkness into the village at the foot of the mountain. This custom began before history was written.

Less than half the size of the little American state of Delaware, the Grand Duchy of Luxembourg has a total population less than that of San Antonio, Texas.

Giants Feared Midgets

Midgets often have been killed, while giants are frequently below the average in intelligence, says a writer of "The World of Midgets," published in London. The contrast in virility and wits between giants and midgets was amusingly illustrated in the Seventeenth century by an Austrian empress, who collected as many as she could and housed them in the same building. Many people feared the giants would harm the midgets, but the reverse was the case. The midgets teased the life out of the giants, and insulted and robbed them to such an extent that the poor giants, with tears in their eyes, complained about the way they were being bullied! Finally, armed sentinels had to be stationed in the building to protect the poor little giants from the "great" bullying midgets!

Investment Bankers

An investment banker does not usually run a private bank; though perhaps it is more accurate to say that an investment banker is not necessarily engaged in private banking. An investment banker is usually understood to be merely one who buys and sells large blocks of securities. Usually, says Literary Digest, he acts solely as an underwriter, buying the whole issue of a given security, and taking his profits from the difference between the buying price and the selling price. He may also buy less than the entire issue.

Crude Sail Used to Aid Oarsmen to Propel Ships

The adaptation of sails came early in the history of navigation, notes a writer in the Chicago Tribune. The Egyptians first used a piece of square matting lashed to a single mast. This crude sail, however, was by no means the chief means of propelling the vessel. For hundreds of years the propelling force for all ships was principally supplied by oarsmen. Sails were in the beginning merely auxiliary assistants to the rowers and were used only when a following wind was present. Egyptian ships of the fifth dynasty represent a more practicable use of sails as a propelling force. Manipulation of the sail was aided by lines attached to the sail. Backstays supported the mast. Steering was accomplished by paddles in the hands of steersmen on the stern platform. The commander, standing amidships, held a long pole, or a thong, with which he prodded the rowers when they were working.

From the primitive stages of the art of shipbuilding and the skill of navigating vessels progressed to that stage which was represented by the comparatively huge ships known as galleys. The ancient Greeks and Romans, as well as the civilized nations bordering the Mediterranean and adjoining seas, used galleys effectively in war and peace. Galleys were common in the early centuries of the Christian era. The famous triremes of the Romans had lengths as great as 200 feet and were from 20 to 30 feet in width. They were equipped with large sails, but depended upon oars for the chief means of propulsion.

First Steam Engine Was Used Away Back in 1698

While James Watt is generally credited with being the inventor responsible for the development of the steam engine, patent records show that an Englishman, Thomas Savery, devised a water-raising engine in 1698. This was really the first steam engine to be put to practical use, being employed in raising water from a coal mine, says Pathfinder Magazine. The first practical piston-type steam engine was patented by Thomas Newcomen and his assistant, James Cawley, in 1705. This proved immediately that this type was far more practical than Savery's engine, both in number of uses and fuel consumed. Improvements made on the Newcomen engine from 1703 to 1781 by James Watt gradually brought steam into industrial use. In 1782 Watt departed radically from principles of the earlier engines and devised the double action type, the forerunner of the giant engines.

The introduction of steam marked the end of the supremacy of sailing vessels. In 1786 James Rumsey propelled a boat on the Potomac river at a speed of four miles an hour through use of a power pump. About the same time an Englishman, James Fitch, utilized a steam engine to operate his one-driven steamboats. In 1801 the paddle-wheel was introduced in a steam towboat operating on the Forth and Clyde canal. It was the work of this strange craft that inspired Robert Fulton to build his steamboat, the Clermont, in 1807.

Climacteric Years

According to ancient Greek physiologists, the climacteric years of a man's life were respectively his seventh, twenty-first, forty-ninth, sixty-third, and eighty-first. These were regarded as the terminals of marked physical change, and were duly celebrated. The advent of the twenty-first year we still celebrate as the "coming of age" of a man—the end of the period of adolescence. The mystic numbers were seven and nine. Although the Spanish origin of the term "grand climacteric" is not known, it is probable that it arose from the multiplication of the two mystic numbers; and the age sixty-three is supposed to mark the beginning of the period of decline.—Literary Digest.

The Gemel Ring

The Gemel ring, common in the Middle Ages, was formed of three circles joined with a jeweled clasp, the middle circle quite plain and the upper and lower ones set with precious stones. When a girl was betrothed, the first circle was placed on her hand, the plain circle given to the witness to the betrothal, and the third circle to the bridegroom. On the wedding day, the Gemel, joined again by its jeweled clasp, was used as the wedding ring.

Federal Penitentiaries

The federal civil penitentiaries are located at Leavenworth, Kan., and McNeil Island, Wash. In the military division, the army prisons are the following: United States disciplinary barracks, Fort Leavenworth, Kan.; Atlantic branch, United States disciplinary barracks, Governor's Island, Fort Jay, New York; Pacific branch, United States disciplinary barracks, Alcatraz, Calif. The naval prisons are located at Portsmouth, N. H.; and Mare Island, Calif.

Reason for the Curfew

The reason for the curfew was that in the early days all the houses were made of wood and thatched straw, says the Montreal Herald. There were no chimneys, and the smoke had to escape through a hole in the center of the roof, and thus fires often occurred. To prevent this happening at night the rule of putting out all fires was strictly enforced. They were usually extinguished by placing over them a large copper hood.

Harley Candidate For Commissioner

Edward L. Harley of Lowell is a candidate for the Democratic nomination for County Commissioner of Middlesex County. He was elected associate county commissioner of Middlesex two years ago; the first time a Democrat succeeded in getting this office.

Newton

—Miss H. J. Kinchle, 68 Charles bank rd., Newton, called from Baltimore on the S.S. Chatham of the Merchants & Miners Line en route home via Boston after having visited Washington, D. C.

—Miss Mary L. Vassalotte, of Newton, who has been visiting at the home of Mr. and Mrs. George Bishop of Norfolk, Va., will leave for Roanoke and Blacksburg, where she will visit her brother, Cadet Frank J. Vassalotte. While in Norfolk, Miss Vassalotte was also entertained by Mr. and Mrs. J. Ryan Nee, at a party at the Town Club.

Upper Falls

—Mr. and Mrs. Walter Evans and daughter and husband, Mr. and Mrs. Gordon Cart, have returned from a four days' auto trip to Pittsburg, Me.

—Rev. G. Vaughn Shedd of the First M. E. Church will be the speaker at the three o'clock service at the Morgan Memorial Camps at South Athol on Sunday afternoon.

—Rev. James Whitman, pastor of the Second Baptist Church, will have charge of the Union Services of their church and the First M. E. Church. Services will be held at the Second Baptist Church until the second Sunday in September.

The Arc de Triomphe

The Arc de Triomphe was begun in 1806 by Napoleon, who intended it as a monument to the glory of his army after the battle of Austerlitz. The great arch was not completed and inaugurated until 30 years later. It cost the state over nine million francs, because of its substructure, which extends 45 feet below the ground. The figures in the great frieze running around the top are over six feet high and represent a departure and return of the French armies. The handsome arch suffered badly at different periods of its existence at the hands of friend and foe alike, notably perhaps at the fall of the Second empire, while the Commune raged in the city. It was calculated that for three weeks 90 shells were fired at it daily. With the restoration of law and order the Arc de Triomphe was completely restored. To reach the summit 273 steps have to be climbed.

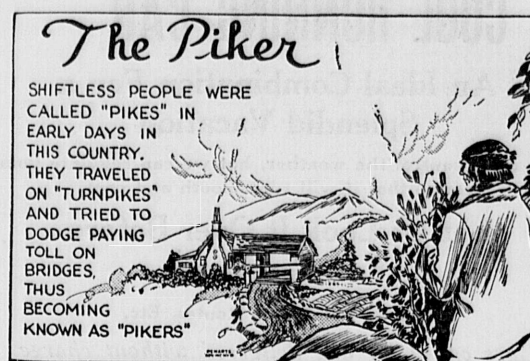

Origin of "Dixie"

The Home Book of Quotations says there are many stories to explain this but none of them is convincing, the compiler's guess being that it derives from the Mason and Dixon line between Pennsylvania and Maryland. One legend is of a kind-hearted slave-owner of Manhattan island in the Eighteenth century, whose slaves were so well treated that when taken away they pined to be back on Dixie's plantation. Another explanation derives it from the French word "dix" which was printed on the \$10 notes issued by a New Orleans bank, popularly known as Dixie's bank. Emmett's song "Dixie Land," written in 1859, spread its use.

Work of Storage Battery

Storage batteries, as the name indicates, supply electric power which has previously been supplied to the batteries when charged. In charging, electric current has produced a chemical change on the lead plates, so that it is chemical energy which is stored up. When the proper electrical connections are made, this chemical energy is transformed into electrical energy. When the storage battery is run down, it has no more chemical energy to transform until it has been recharged.

The History of Beginnings

Mental peace increases when you know you have a reserve fund in a strong financial institution. Opening a Savings Account at the Newton Savings Bank and depositing regularly is more than saving—it also increases self-respect.

INTEREST BEGINS AUGUST 10

Legal Notices

Commonwealth of Massachusetts
Middlesex, ss. Probate Court
To all persons interested in the estate of
John Crowley,
late of Newton, in said County of Middle-
sex, deceased.
A petition has been presented to said
Court by Nicholas A. Loumos, adminis-
trator of the estate of John Crowley,
praying for authority to adjust by com-
promise a demand of \$1000.00 by Thomas
J. Coudige against said estate by the
payment of \$1000.00, or to submit the same
to arbitration.
If you desire to object thereto you or
your attorney should file a written ap-
pearance in said Court at Cambridge be-
fore ten o'clock in the forenoon on the
twentieth day of August 1936, the return
day of this citation.
Witness, John C. Leggat, Esquire, First
Judge of said Court, this twenty-second
day of July in the year one thousand nine
hundred and thirty-six.
LORING P. JORDAN, Register.
July 31-Aug. 7-14.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power
of Sale contained in a certain mortgage
given by Rose Rothman of Chelsea, Sul-
folk County, Commonwealth of Massachu-
setts, to Andover Savings Bank, dated
April 23, 1931, recorded with Middlesex
South District Registry of Deeds, Book 359,
Page 256, of which mortgage the undersigned
is the present holder, for breach of the con-
ditions of said mortgage, to wit: For the
purpose of foreclosing the same, will be sold
at Public Auction on the premises hereinafter
described, to wit: Lot 6, in the City of New-
ton, Middlesex County, Massachusetts, sit-
uated on Washington Street, sixty
four (64) feet wide, and containing
thereon, including all buildings thereon,
including all furnaces, heaters, ranges,
ovens, mantels, gas and electric light
fixtures, and all other fixtures of what-
ever kind and nature contained in said
buildings or hereafter installed therein,
all of which are to be considered as an-
nexed to and forming a part of the free-
hold; situated on Washington Street in
Newton, Middlesex County, Massachu-
setts, and being shown as lot No. 5 on a
Plan, entitled "Newton, Mass., Plan of
the M. J. J. Perry Lot, dated February
1927, Edward H. Howard, C.E.", recorded
with Middlesex South District Registry
of Deeds, Book 359, Page 256, and bound-
ed and described as follows:
Southeasterly by Washington Street, sixty
four (64) feet.

Southeasterly by Lot No. 6, as shown
on said Plan, one hundred eighteen and
three (118 3/4) feet.

Northeasterly by lots No. 8 and No. 9,
as shown on said Plan, sixty and 5/100
(60 1/2) feet.

Northeasterly by Lot No. 4, as shown
on said Plan, one hundred twenty and
four (120 4/5) feet.

Said premises are conveyed subject to
restrictions of record so far as the same
may now be in force and effect. Being
the same premises conveyed to me by
the Andover Savings Bank by deed of
even date and to me received hereinto.
Said premises will be sold subject to
unpaid taxes, tax titles, municipal liens
and assessments, if any there be, in cash
by the purchaser at the time and place of
sale; balance to be paid in ten days
after the date of sale. Other terms to be
announced at the sale.

Recent Deaths

JOSEPHINE A. BURKE

Miss Josephine A. Burke of 180 Washington st., Newton, died on July 31. She was born in Hopkinton 45 years ago and had resided in Newton for 17 years. She is survived by three sisters, Misses Catherine A. and Nellie M. Burke, and Mrs. Mary Lynch, all of Newton. Miss Burke's funeral service was held on Monday at Our Lady's Church. Interment was in St. John's Cemetery, Worcester.

BRIDGET MCCARTHY

Mrs. Bridget McCarthy of 189 Jackson st., Newton Centre, died on July 30. She was the widow of John McCarthy and had resided in Newton Centre over 60 years. Mrs. McCarthy was born in Cork, Ireland, 83 years ago. Her funeral service was held on Saturday at Sacred Heart Church; burial was in Holyhood Cemetery. She is survived by a nephew, James F. McInerney of Newton Center.

ALMARETTA J. CRITCHETT

Miss Almaretta J. Critchett of 1776 Washington st., Auburndale died on August 6th at the Newton Hospital in her 93rd year. For 39 years she was a teacher in the Emerson School at East Brockton. She later resided in Watertown and for the past 10 years had lived at Auburndale. Her funeral service will be held at her late home on Sunday at 2 o'clock. Rev. Edward C. Camp of Watertown will officiate and burial will be in Mount Feake Cemetery, Waltham.

CHARLES A. DONNELLY

Charles A. Donnelly of 87 Waban Park, Newton, died on Aug. 2, following a long illness. He was born in Charlestown, 44 years ago, and had lived in Newton for over 20 years. He had been employed by William Ellison as a chauffeur. Mr. Donnelly was a member of the Mass. Catholic Order of Foresters. He is survived by his widow, Mrs. Anne (Murphy) Donnelly; three sons, Charles A. Donnelly, Jr., Gerald and Norman Donnelly; a daughter, Mildred Donnelly; and three brothers. His funeral service was held on Wednesday at Our Lady's Church. Burial was in St. Patrick's Cemetery, Watertown.

ELEANOR S. COLLENS

Mrs. Eleanor S. (Perkins) Collens of 190 Dudley rd., Newton Centre, wife of Charles Terry Collens, died on August 2. She was born in Brookline, 28 years ago, the daughter of Mr. and Mrs. Charles B. Perkins. She attended Miss Lee's School and was a member of the Junior League and the Vincent Club. She is survived by her husband, her parents and a brother, Floyd Perkins, of Brookline. Mrs. Collens' funeral service was held on Tuesday afternoon in the chapel at Mount Auburn Cemetery. Rev. Abbot Peterson of Brookline officiated. Interment was in the Collens' family lot at Hartford, Conn.

THANKS

With sincere thanks and deep appreciation, we wish to acknowledge the many expressions of sympathy received during our sad bereavement.

MRS. EDWIN T. RAMSDALL
AND DAUGHTER.

Little Walled-in Cities

Greatest attractions of all in Ghent, Belgium, are the lay Beguinages, or nunneries. Only a few of these can be found in Europe. Here they are little walled cities within the city and in them live some five or six hundred Beguines, women who take no vows, but retire from the world for a time. The little cities of walled-in quiet are scrupulously tidy and neat, and each has its little parks, squares and churches. The Beguines themselves pay taxes just as other citizens do, and each of them is free to return to the life and business of the world at any time. It is not uncommon for Belgian women to go to these nunneries for a few months, spending their days in making lace and carrying out religious devotions, then to return home to their old household tasks.

The Term "White Paper"

The term "white paper" is applied to government reports on any subject, especially British publications of a less extensive nature than the British blue-books, which are official reports of parliament and of the privy council. Reports of ambassadors, consular officials, etc., are often printed as "white papers." These terms have been in use for many years. During the late war, most of the warring nations published official documents to justify their stand. These included the white book of the Germans, the blue books of the British and Serbians, the yellow book of the French, the red book of the Austrians, the green book of the Italians, etc. The names are derived from the colors of the paper covers given to the documents.

Paper-Making Industry

Started in China, Japan

The art of making paper appears to have been known to the Chinese and Japanese from very early times. It was kept a secret for several centuries by the Chinese, but at the end of the Seventh century, as the result of a raid by Moors and Arabs, the secret was wrested from them and imparted to their captors, says the Indianapolis News. Paper mills were established in Bagdad in 705 A. D. and for 500 years the industry was maintained as a state monopoly. About the Twelfth century paper making was introduced by the Moors into Spain, whence it spread to Italy, and later to France, Switzerland and Holland, attaining a high degree of excellence in the last-named country. It was not well established in England till 1685. The first paper mill in America was erected near Philadelphia in 1690. Until the beginning of the Nineteenth century every sheet of paper had to be made laboriously by hand.

The credit of introducing a successful paper-making machine belongs to Henry and Sealey Fourdrinier, who, interested by a French printer, Nicholas Robert, and assisted by Bryan Donkin, turned out, in 1803, the machine which bears their name. The first cylinder machine was put into practical operation by John Dickinson, in England in 1800. In 1821 drying cylinders were added to the Fourdrinier machine, which up to this time had contained no drying apparatus.

Holes in Swiss Cheese

Are Principally Bacteria

Holes in cheese are principally a matter of microscopic animals, bacteria, if you prefer. First, there's a sphere-shaped organism called streptococcus thermophilus, which operates at high temperatures, breaking down sugar into acids. Then there's lactobacillus bulgaricus which goes to work after the cheese has cooled and streptococcus has quit making more acid. Lastly, there's the rod-shaped propionibacterium shermanii, really more responsible than any of the other bacteria for holes in cheese because in growing it gives off carbon dioxide gas. The gas gathers in bubbles. Since a Swiss cheese bubble and you have a hole.

The Swiss, according to an authority, make cheese by instinct, more than anything else, by rule of thumb, as it were. They've been making it for centuries. They rear their bacteria in the whey, and add the whey to the milk.

The Window Shutter

The evolution of the shutter makes a colorful, romantic story. For two hundred or more years, they had been put up because the architect believed them decorative or because the homeowner believed they would afford added protection against the gales of winter and protection for the carpets and furniture against the color-destroying glare of the summer sun. The original shutters had a more practical purpose. In England, where it is believed they originated, the householders built them for protection against the arrows of Robin Hood gangs or the rocks of other marauding bands. In New England they were equally effective in protecting the family against the depredation of the Redskins.

Avoided Word "Circus"

The first American circuses were wiser than our early theaters in overcoming the old religious prejudice against them as a form of entertainment. They avoided the words "circus" and "show" by using such a name as "Great Moral and Educational Exhibition." Realizing, too, that a pious atmosphere would help to silence their enemies, they forced their troupes to attend church, made their barkers quote the Scriptures and painted their wagons with Biblical pictures.—Collier's Weekly.

Trial by Judge Favored

Trial by judge instead of by jury is gaining rapidly in popularity in this country. Those states which permit defendants to waive jury trials find that more than three quarters of them prefer to do it because they believe a judge will give them a fairer trial than 12 inexperienced jurors who are likely to be unduly influenced by the prosecutor, the press and the prejudices which might arise from a defendant's religious, economic or social status.—Collier's Weekly.

Early Massachusetts School Law

In 1647 a law was passed in Massachusetts requiring every town of 50 householders to maintain a master to teach reading and writing to their children. Every town of 100 householders had to maintain a grammar school, the householders paying for all expenses.

Make-Up of Northern Ireland

Six of the nine counties of Ulster constitute northern Ireland, together with the parliamentary boroughs of Belfast and Londonderry. The counties are Antrim, Armagh, Down, Londonderry, Fermanagh and Tyrone.

St. John's Bread

The "hush" eaten by the prodigal son in the Bible parable are identified in a Mediterranean legume with a sweet edible pulp, which is called St. John's bread, says Llewellyn Williams, botanist of the Field museum.

Curfew, English Custom,

Still Observed in Places

The well-known reclamation, "Curfew Must Not Ring Tonight" was written about the curfew bell of Chertsey church, near the Thames in Surrey, where it rings every night through the winter until March—as it has done for centuries, notes a writer in the Montreal Herald.

Chertsey is not the only place where the curfew can be heard, for these ancient bells are still rung in many towns and villages. This shows how general the custom was once, and indeed, the ringing of the curfew was once one of the most important customs. Wherever there were people living, there the curfew had to be rung. These were the king's orders.

William the Conqueror was a strict law, and every night at eight o'clock the curfew bell was rung, which meant that all fires and lights had to be put out, and everybody had to go indoors. Those found outside by the king's soldiers after the bell had rung were severely punished. As the years went by the rules were made less strict, and the hour of bedtime grew later.

It is said that only in one place was the curfew allowed to be rung later than anywhere else. This was at St. Mary-le-Moor, at Wallingford, in Berkshire, where the people rang the bell to welcome William after his victory at Hastings. As a reward for this welcome the new king granted permission for the curfew to be rung at nine o'clock at night.

Romance of Wedding Ring

Dates to Egyptian Times

The Egyptians of old said that a delicate nerve runs from the fourth finger of the left hand to the heart, writes a correspondent in the Weekly Irish Times. So this finger is adorned with the wedding ring, the left hand being chosen to show that the woman is to be "subject to the man."

Ring posies or mottoes were inscribed inside the rings given by men to women in the Sixteenth century. The "posies" were composed of rhyming lines, such as:

"In thee, my choice, I do rejoice,"
"My heart and I until we die." "When this you see then think of me." "Not two, but one, till life is done."

The old Mispah ring—a gold ring bearing the word "Mispah"—was exchanged between lovers when they were to be parted for any length of time, the word Mispah being interpreted as "The Lord watch between thee and me when we are absent one from the other."

In ancient Rome special star-rings, dedicated to the Goddess of Health, were worn as protection against diseases and plagues. Part of the design of the ring was a coiled snake, the viper having been regarded as a symbol of healing. Perhaps, this was the origin of the so-called "Hallowed Rings" of the Middle Ages—rings made from nails taken out of old coffins, which were supposed to cure cramps in the muscles.—Montreal Herald.

Uses for Camphor

China uses camphor for embalming purposes. India burns vast quantities in its temples. But western countries are the largest consumers; and the United States takes about 50 per cent of the world's total supply. The demand for camphor increases not only when there is a severe epidemic of influenza, but when war breaks out or the moving picture industry is booming. Modern scientific research has found a score of new uses for it. Perfume bases, paint thinners, sterilizers, medicines and deodorants are made from various grades of camphor oil. Smokeless gun-powder calls for camphor in its manufacture. Celluloid, used for all kinds of articles, from the baby's rattle to moving picture film, is manufactured from some vegetable fiber like cotton or wood pulp; and camphor is the only substance that can make this cellulose base plastic.

Potash

The name potash was derived from the early method of producing the commodity. Wood ashes were placed in a pot and water poured over them from time to time. Then the mineral was extracted from the liquid. This method has even survived the mining of the large deposits of potash which were discovered in Germany in the middle of the last century, and which have since been the world's most important source. Before the World War the Stassfurt and Alsace deposits gave the Kaiser virtual control of much of the world's agriculture.

New Hampshire's Lakes

In the 9302 square miles with which the United States geological survey credits New Hampshire there are more than 900 lakes and ponds, from a few acres in extent to Winnepesaukee, about 80 miles long. There are 14 mountain peaks that rise more than 5,000 feet above the level of the sea, and an almost uncounted number ranging from 1,000 to 4,000 feet in height. The majority of the mountains are thickly wooded.

The Oldest Band

The honor of being the oldest band goes to the United States Marine band which was organized in 1798. More than a century later, in 1919, the United States Navy band was organized from musicians on board the Presidential yacht, the Mayflower, and the Navy band band. The United States Army band did not come into existence until 1922.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained in a certain mortgage deed given by John A. Dudgeon and Maude A. Dudgeon, his wife, in her right, to the Newton Savings Bank, dated June 18, 1921, and recorded with Middlesex South District Deeds, Book 442, Page 476, of which mortgage the undersigned is the present holder and owner, for breach of the condition of said mortgage, and for the purpose of foreclosing the same, will be sold at public auction on that part of the premises hereinafter described now subject to said mortgage, on Monday, August 31, 1936, at four o'clock in the afternoon, all and singular the premises conveyed by said mortgage deed, and therein described substantially as follows:

All that lot of land in that part of Newton, Middlesex County, Massachusetts, formerly called Newton Corner, with the buildings thereon, bounded: NORTHWESTERLY by Pembroke Street one hundred fifty (150) feet; NORTH EASTERLY by Lot 18 on the plan hereinafter referred to one hundred forty-three (143) feet; SOUTH EASTERLY by Lot 16 on said plan one hundred forty-three (143) feet; and

containing about 21,460 square feet.

Being Lot 17 on a plan of part of the farm of the late James Ricker by E. F. Woodward and F. S. Benson, recorded with Middlesex South District Deeds in Book of Plans 13, Plan 38.

Excepting, however, from the above described premises the parcel of land bounded as follows:

NORTHWESTERLY by Pembroke Street sixty (60) feet;

NORTH EASTERLY by Lot 18 on said plan one hundred forty-three (143) feet;

SOUTHEASTERLY on land now or formerly of Catherine Ricker sixty (60) feet; and

SOUTHWESTERLY by the remaining land covered by said mortgage one hundred forty-three (143) feet; containing about 8,550 square feet; which was released from the operation of said mortgage by deed of Maude A. Dudgeon, dated January 31, 1930, and recorded with Middlesex South District Deeds, Book 5435, Page 160.

Said premises will be sold subject to all outstanding taxes, unpaid taxes, municipal liens and assessments, \$300 will be required in cash at the time and place of sale. Other terms will be announced at the sale.

EDWARD D. CONANT,
Assignee and present holder of said mortgage.

Newton, Mass.,
August 5, 1936.
Aug. 7-14-21.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the Power of Sale contained in a certain mortgage given by Bernard Carroll and Joan Carroll, husband and wife in her own right, to the City of Newton—"The Horace Cousins Industrial Fund"—dated August 28, 1934, and recorded with Middlesex Southern District Registry of Deeds, Book 5823, Page 57, of which mortgage the undersigned is the present holder for the breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at 10:00 o'clock A. M. on Wednesday the second day of September 1936, on the premises at 712 Boylston Street, Newton Highlands, Massachusetts, all and singular the premises described in said mortgage, to wit:

The land in Newton being shown as Lots 33 and 34 as shown on a plan entitled Walnut Hill, Newton, Mass., Bonelli-Adams Co. dated December, 1915, drawn by Ernest W. Branch, C. E. which plan is recorded with Middlesex South District Deeds, Book of Plans 247, Plan 59, bounded and described as follows:

NORTHERLY by Boylston Street, Fifty-seven and 24/100 (57.24) feet; EASTERLY by lot 32 on said plan, One Hundred Twelve (112) feet; SOUTHERLY by a narrow passage-way as shown on said plan, Fifty-seven and 24/100 (57.24) feet; WESTERLY by which mortgage the land One Hundred Twelve (112) feet.

Containing 5810 square feet of land, more or less.

TITLE REFERENCE: Deed from Fred Smith dated November 11, 1932, recorded with Middlesex South District Deeds Book 5691, Page 139.

Terms of Sale: \$500 at time of sale, balance in ten (10) days. Other terms to be announced at sale.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by George W. Macgregor, of Newton, Middlesex County, Massachusetts, being unmarried, to the Home Owners' Loan Corporation of Washington, D. C., dated March 22, 1934 and recorded with Middlesex South District Deeds, Book 5803, Page 472, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction on Monday, September 1, 1936, on the premises below described, all and singular the premises described in said mortgage, to wit:

"A certain parcel of land with all buildings and structures now or hereafter standing or placed thereon situated in Newton in the County of Middlesex in the Commonwealth of Massachusetts, bounded and described as follows: SOUTHWESTERLY by Channing Street, eighty-six (86) feet two and one-half (2 1/2) inches; SOUTHEASTERLY by land now or late of Hunter, seventy-one (71) feet; NORTH EASTERLY by land now or late of Bacon, sixty-nine (69) feet, nine (9) inches; NORTHWESTERLY by land now or late of Peabody, three (3) feet; NORTHEASTERLY again by land now or late of Peabody, eighteen (18) feet; and NORTHWESTERLY again by land now or late of Peabody, sixty-seven (67) feet, two (2) inches. Containing 6653 square feet of land, be any or all of said contents and measurements more or less. Being the same premises conveyed to the said mortgagee by deed of Harry M. Woods, et al. dated November 23, 1925, recorded with Middlesex South District Deeds, Book 4921, Page 133, including as part of the realty all portable or sectional buildings at any time placed upon said premises and all furnaces, ranges, heaters, plumbing, gas and electric fixtures, screens, mantels, shades, screen doors, storm doors and windows, oil burning stoves, electric refrigerators and all other fixtures of whatever kind and nature at present or hereafter installed in or on the granted premises in any manner which renders such articles usable in connection therewith so far as the same are or can be by agreement of parties, be made a part of the realty."

Said premises will be sold subject to all unpaid taxes, tax titles, water liens, and other municipal liens or assessments, if any there be.

Terms of sale: Three hundred Dollars cash to be paid by the purchaser at the time and place of sale,—terms of payment of balance will be made at time and place of sale.

Plan Community Chest Exposition In November

"Come and See" Fair to Show What Chest Does

What does the Community Chest do besides running a campaign every year? What do the fourteen member agencies of the Community Chest do—the local organizations caring for the sick and aged, handling welfare and relief, carrying on educational, recreational and character-building programs?

All these and many other questions will be answered by the Community Chest Exposition—the "Come and See" Fair—under the "big top" of the West Newton Armory next November. The dates for this grand opening show are not set definitely, but Mrs. Lorenz Muther, Assistant Campaign Chairman, and her Committee are whipping plans and details into shape now.

Bank Co-operation
Mr. Roland Gammons, President of the West Newton Savings Bank, is again Campaign Auditor. He volunteered his services in 1935 and built up an effective staff of volunteers to audit all campaign returns. This year he presented the idea of using the banks of the city as Village Headquarters for the Residential Division, the house-to-house group, during the Campaign. This plan was enthusiastically approved by the Campaign Executive Committee, and accepted with equal enthusiasm by the various banks of the city. Announcement will be made later of the bank which will be used in each village. The bank officials have all shown the most outstanding community spirit in their co-operation with all phases of the work of the Community Chest.

"Know the Ropes"
Division heads this year are planning group meetings of their associates and workers for more effective training in handling solicitation. While the publicity program, headed up by Mr. William B. Phelps, Chairman of the Public Relations Committee of the Chest, is planning a wider and more effective program of pre-campaign publicity, yet the results of the Campaign depend upon the individual solicitors. The Campaign organization this year is planning to give them what they want—more information about the job itself, what they are working for and how to "ring the bell." Last year's team marked up a great score and this year's team is out to better the record.

The Campaign Dates
Again, notice is given that the Campaign dates are set from November 12th to 23rd.

Arrested For Accosting Girls

John Anderson, 19, of 1657 Centre st., Newton Highlands, and John Kelly, 19, of 77 Floral st., Newton Highlands, were arrested Sunday night about 10 o'clock by Patrolmen Lupien, McCormick and Murphy charged with disturbing the peace and accosting persons of the opposite sex. A 15-year-old girl, who resides on Carleton rd., and a girl friend of hers, the same age, were walking along Beacon st. near Waban square when the two youths spoke to them. The girls fled, and according to their story to the police, the youths followed them and the girls ran into a house on Collins rd. The screams of the girls as they fled along Collins rd. attracted a number of persons to the scene and a telephone message was sent to police headquarters, bringing a police car to the place. Anderson and Kelly admitted having spoken to the girls, but denied having chased them. They were arraigned in the Newton court on Monday and their cases continued until August 17.

Public Bequests By G. Fred Harwood

The will of the late G. Fred Harwood of Ivanhoe st., Newton, was probated last week at the Middlesex Probate Court, Cambridge. The total value of the estate is over \$700,000, of which \$40,000 is in real estate and the remainder personal. Mr. Harwood bequeathed \$10,000 to the Emmanuel Baptist Church, Newton, and \$5,000 each to Newton Hospital, Pomroy Home For Girls, Newton and Evangelistic Association of New England. James Bell, chauffeur for Mr. Harwood and Antonio Volante, gardener, were each left \$10,000. The residue goes in equal shares to three nephews, Sydney and John H. Harwood, Jr., of Brookline and Reed Harwood of Boston, and a niece, Gretchen Harwood Rogers of Fall River.

M & B Company Sued for \$55,000

Suit was entered in the Fitchburg district court on August 10 against the Middlesex & Boston Street Railway by Mary, Henry and Marilyn Landry of Fitchburg who seek damages of \$55,000, \$10,000 and \$10,000 respectively. Mrs. Landry and her daughter sue for injuries allegedly received in a collision between their automobile and a bus owned by the M & B at Shirley on February 15, 1935. Landry sues for loss of his wife's services.

Need Mortgage Money?
\$8.17 MONTHLY ON EACH \$1000 BORROWED
One monthly payment of \$8.17 per \$1000 borrowed plus 1-1/2% of the yearly taxes pays the mortgage in full in only 180 months under our 15 year plan. This plan is available to owners of 1, 2 or 3 family houses in Metropolitan Boston.

Newton Centre Man Fatally Injured In Quarrel

Knocked Down In Row Over Fifteen Cents

Frank Fontecchio, 65, of 400 Langley rd., Newton Centre, died at the Newton Hospital at 9:20 Sunday night of a fractured skull. As a result, Donato Faricelli, 39, of 17 John st., Newton Centre, was arraigned in the Newton court on Monday charged with manslaughter. According to statements made to the police by Faricelli and several witnesses, Faricelli was seated on a doorstep at 386 Langley rd., Newton Centre, about 10 o'clock Sunday morning when Fontecchio approached, knocked off Faricelli's hat and told the latter to stand up and fight. Faricelli stood up, hit Fontecchio one blow and the latter fell, his head hitting the ground. He was taken to his home and when he did not recover consciousness a physician was called. The police were notified at 1 o'clock and Fontecchio was taken to the Newton Hospital in the police ambulance. Faricelli was arrested at 2 p. m. Sunday by Serg. Leehan and Patrolman Dowling on a charge of assault and battery. When Fontecchio died the charge was changed to manslaughter.

The two men had been friends and on Saturday night engaged in a card game at Fontecchio's home. An argument ensued over 15 cents which Faricelli owed Fontecchio and the former claimed Fontecchio owed him 75 cents. As a result of this argument, it is claimed Fontecchio started the row on Sunday morning. Faricelli's case was continued until August 18 and he was held in \$5000 bail. He is married and has one child. He has been employed on WPA projects. Fontecchio was employed by the Newton Street Department. He is survived by his widow and four children.

Testimonial For Retired Fireman

Joseph Abban of 16 Capital st., Newton, for 35 years a member of the Newton fire department, who has been retired from active duty on a pension because of having reached the age limit, was tendered a testimonial dinner at Engine 8 quarters, Nonantum. Chief Clarence Randlett officiated as toastmaster and among those who spoke were Mayor Childs, Assistant Chief Seaver, John W. Murphy and Alderman Alfred Guzzi. Abban was presented a sum of money and also a watch chain, the latter the gift of the crew of Engine 8. He was appointed a permanent fireman in 1915 and for about 20 years before that had been a call fireman on Hose 8. Fred McLaughlin of West Newton has been transferred from Ladder 2 to replace Abban at Engine 8.

George L. McIntosh of Charles st., Auburndale, was appointed to fill the vacancy caused by Abban's retirement. McIntosh, a veteran, was head of the eligible list for appointment the past two years, but was twice jumped when others lower on the list were given appointments. The reason given for jumping McIntosh was that he resided in Gloucester.

Newton Women At Cleveland Meeting
Miss Margaret C. McMullen of the City Clerk's office, Newton, and Miss Esther F. Hayes of the Newton Police Department, Newton, left on August 12th to attend the National Union for Social Justice Convention, in Cleveland, which is to be held on August 14th, 15th and 16th in Cleveland.

Fish Not To Run For Congress

Erland Fish of Brookline, former President of the State Senate, will not be a candidate for the Republican nomination for Congressman from the 9th District. Although nomination papers were filed for him in Newton and other places, his papers were not certified at the State House on Tuesday. The candidates for the Republican nomination are former Congressman Robert Luce of Waltham, Edward M. Rowe of Cambridge, and C. Ernest Curtis of Waltham, who also is running as a Townsend Plan candidate.

The candidates for the Democratic nomination are Congressman Richard M. Russell of Cambridge, Albert L. Brophy of Waltham, Roger M. Brady of Cambridge and Charles McCann of Cambridge. Other candidates are Florence Luscomb, People's Party; and Earle Winslow, Cambridge, Independent.

Candidates for the Republican nomination for member of the Executive Council from the 3rd District are the present incumbent, Frank A. Brooks of Watertown, and Alexander P. Parker of Boston. For the Democratic nomination the candidates are Edward Coleman and Jeannette Chisholm of Waltham, Daniel Murphy of Watertown, George Lordan, John P. Hennessy, Joseph Marolda, John Daly and Timothy Carroll of Cambridge.

Judge Lynch Files Speeding Case

Joseph Albano of 383 Cherry st., West Newton, was arraigned in the Newton court last Friday on charges of speeding and not slowing down at a street intersection. Albano was the driver of a truck which on July 22 collided with a car driven by Edwin McKeough of Montreal at the wide-open intersection of Centre and Walnut sts., Newton Highlands. McKeough's wife and daughter were injured in the collision. Judge Lynch of Milford found Albano not guilty of failure to slow down and placed the speeding charge on file.

Horse Bites Hand Of W. Newton Man

Louden Page of 114 Bigelow rd., West Newton, knows from experience what it means to "bite the hand that feeds him." Mr. Page, who likes horses, was walking along Blackstone st., Boston, Saturday evening when he started to give a horse standing nearby some fruit. The horse snapped and bit Page on the right hand. The wound was treated at the Haymarket Relief Hospital.

Skull Fractured By Sledge Hammer

Francisco Giagnorio, 46, of 26 John st., Newton Centre, was seriously injured Tuesday morning when a sledge hammer wielded by a fellow employee flew off its handle and hit him on the head. He was taken to the Newton Hospital in the police ambulance. Giagnorio was working digging an excavation at a new house at 30 Sheldon rd., Newton Centre.

Newton Women At Cleveland Meeting

Miss Margaret C. McMullen of the City Clerk's office, Newton, and Miss Esther F. Hayes of the Newton Police Department, Newton, left on August 12th to attend the National Union for Social Justice Convention, in Cleveland, which is to be held on August 14th, 15th and 16th in Cleveland.

Autoists Must Now Stop At Many Newton Streets

For a number of years STOP signs have been located at many street intersections in Newton. These signs had not been approved by the State Department of Public Works they had no legal status and motorists who ignored them could not be prosecuted. Heretofore, the State Department of Public Works would not approve STOP signs unless the volume of traffic at any intersection was deemed sufficient to warrant the sign. Recently, the State officials have relaxed on their requirements as to traffic volume and a few weeks ago approved practically all the STOP signs in this city. Now, in addition to obeying the STOP and ENTER signs on through ways such as Washington st., Commonwealth ave. and the Worcester turnpike, operators of vehicles must also come to a halt at any of the following long list of intersections in the Newtons. Failure to do so can result in a summons to appear in the Newton court, and possibly a fine. These are the locations—

Newton Man Robbed of \$4800

George Peckham of Hibbard rd., Newton, was robbed of \$4800 by an armed bandit near the Revere race track on Tuesday night after the races. The robbery occurred as Peckham and his chauffeur, Joseph Pauley, were about to leave a parking space near the track. The money was in Pauley's possession and the robber thrust a gun against the chauffeur's side. Peckham reported the hold-up to track officials and policemen nearby, but Revere police headquarters had not heard of the robbery until the victim reported it to police headquarters about 2:15 Wednesday morning.

WPA Concert Is Postponed To 18th

The concert by the Newton WPA orchestra which was scheduled for Tuesday, August 4th, and was postponed on account of rain, will be given on Tuesday evening, August 18, at 7:45 o'clock at the Newton Centre Playground.

Want Kindergarten At Lower Falls

A meeting was held in the Hamilton School at Lower Falls on Tuesday night regarding the closing of the kindergarten at that school. The meeting was called by Alderman John Brocklesby of Auburndale to give residents of the Lower Falls an opportunity to protest against the closing of the kindergarten at the Hamilton School. During the years that the kindergarten was in operation there, the average attendance was eight, and the coming year there would be only four pupils in the kindergarten. The School Committee, therefore, decided to close the kindergarten at that school. It was considered impractical to have a kindergarten teacher receiving \$1500 or \$1700, devote half her time to four pupils. Arrangements could be made to care for the children at the Williams School kindergarten, Auburndale; the city to provide transportation at a small fraction of the cost of maintaining the Hamilton school kindergarten. The meeting on Tuesday night was addressed by Supt. of Schools Warren and Chairman Ferriald of the School Committee.

Youth Who Broke Several Laws Gets Leniency

Anthony DeMaio, 19, of 378 Boylston street, Newton Centre, was arraigned in the Newton court on Monday for several serious violations of the automobile laws. Saturday night a car driven by DeMaio almost hit a pedestrian on Adams street, Newton. Patrolman James Jenkins, who saw the near accident observed the number plates on the car. Upon investigating he found that the plates had been issued to the Oak Hill Garage, located near DeMaio's home. Lemuel Ladd of Brookline, proprietor of the repair garage, was communicated with and told the police that the last time he saw the plates they were on a desk at the garage. Patrolman Turner went to the garage and found that the back door had been opened. About midnight Saturday DeMaio was located in his old car at Nonantum by Patrolmen Jenkins, Turner and Smith and placed under arrest.

DeMaio admitted that he had entered the garage Saturday night, stole the plates, attached them to his car and went for a ride with friends. In the Newton court on Monday DeMaio was given a sentence of 6 months in Middlesex County Prison for breaking into the garage and stealing the plates. Judge Allen then suspended this sentence. DeMaio was fined \$100 for driving an uninsured car, and \$10 for driving an unregistered car. These two fines were suspended. He was fined \$5 for driving a car without having a license. He was given time to pay this fine. Sergeant King, who prosecuted the case, told the judge that DeMaio was employed on a WPA project and is the principal support of his mother and eight brothers and sisters.

Newton Man Robbed of \$4800

George Peckham of Hibbard rd., Newton, was robbed of \$4800 by an armed bandit near the Revere race track on Tuesday night after the races. The robbery occurred as Peckham and his chauffeur, Joseph Pauley, were about to leave a parking space near the track. The money was in Pauley's possession and the robber thrust a gun against the chauffeur's side. Peckham reported the hold-up to track officials and policemen nearby, but Revere police headquarters had not heard of the robbery until the victim reported it to police headquarters about 2:15 Wednesday morning.

Newton Health Report For July

The report of the Newton Health Department for the month of July states that 47 deaths occurred in the city during the month—19 males and 28 females. Pulmonary T. B. caused 1 death, cancer 7, diabetes 1, cerebral hemorrhage 5, heart diseases 11, arteriosclerosis 4, pneumonia 1, drowning 2, automobile accidents 2. Communicable diseases reported during the month included tuberculosis 1 case, scarlet fever 1, measles 10, mumps 20, whooping cough 2, chicken pox 8.

Dental Clinic To Be At City Hall

The dental clinic for school children of Newton which for some years has been conducted at the Orr Building, Walnut st., Newtonville, will be conducted in the future at City Hall, Newton Centre, in a room reserved for this activity. Dr. John J. Pomfret will continue to be in charge of the clinic. The age of children who may attend has been lowered so that children of pre-school age will be included.

The following statement was received from Dr. Harold Chope, Health officer of Newton.
"A survey carried on in December of 1935 by the members of Newton Dental Club revealed that 49.6% of the children of the first six grades were in need of immediate dental attention. The condition of the children's teeth is further reflected by the fact that the public health nurses reported 5,277 children needing dental care during the year, and the school dental clinic performed 3,990 dental operations in the year. These conditions exist in spite of the fact that the Health Department has provided dental service to children unable to pay a private dentist, for over nineteen years. The keynote to a successful and economical dental program is the establishment of adequate facilities for prophylactic dentistry which includes, (1) instruction in proper diet for building strong teeth, (2) proper oral hygiene and (3) correction of existing dental defects early. Any plan to provide adequate dental service must take into consideration the important fact that dental service of an emergency type does not fulfill the requirements of an adequate health service. In a program to provide proper health dentistry for the community, prevention of oral disease and the correction of its consequences in children must be given first place."

"In order to attempt to decrease the amount of dental disease in the Newton School Children, efforts will be made during the next year to put more emphasis on the prophylactic phases of the work than on the curative phases. Parents will be asked to accompany their children whenever possible in order that they may be instructed in the care of their children's teeth, proper diet to prevent dental decay, and have the condition of their children's teeth demonstrated to them."

Field Day Of St. John's Church
Saint John's Parish, Lower Falls, will hold a field day on Saturday, August 29, at the church grounds. The committees are supervised by Rev. John Flood and the general chairman is Edward Kilmain. During the afternoon a program of sports will be conducted and a doll carriage parade will be held. The children will be entertained by a Punch and Judy Show. The committee includes Misses Connelly and Sullivan, and Messrs. Davis, Fogarty and Cahill. In the evening there will be check dancing. Supper will be served at the refreshment stand and many attractive prizes will be offered at booths on the grounds.

Want Gas Station At Auburndale

At the meeting of the Board of Aldermen on next Monday night a hearing will be held on the petition of John Cole for a permit to establish a gasoline filling station at 2975-2986 Commonwealth ave., Auburndale, next to Lexington st.
Another hearing will be on the petition of William J. Gibson for a two-car service station at the gasoline station at 1010 Chestnut st., Newton Upper Falls.

Brady, Dem., To Run For Congress

Roger M. Brady of Cambridge has announced his candidacy for the Democratic nomination for Congressman from the 9th District. He seeks the nomination because of the alleged failure of Congressman Russell to cooperate with President Roosevelt and the New Deal. He claims that Russell has broken promises he made two years ago.

Breaks Truck Law, Fined \$3.00

John Nazarian of Watertown paid a \$3 fine in the Newton court on Saturday for his employee, George Loder of Cambridge. The latter was supposed to be in court to answer a charge of driving a truck on Watertown st. during prohibited hours. In court the same day Lawrence Womburg, 105 Adena rd., West Newton, was fined \$5 for speeding along California st., Nonantum.

CAREFUL DRIVING BY EDUCATION

The Goodwin ruling announcing a proposed re-examination of all motor vehicle drivers of over sixty-five years of age and also of those drivers figuring in accidents has provoked widespread controversy. There is considerable merit in the re-examination of automobile drivers but it is entirely unnecessary to make any restriction as to age limits. Statistics reveal that most drivers concerned in accidents are far younger than the three score years and five mentioned by Mr. Goodwin. This older group of drivers have almost without exception been driving automobiles for many years. As experienced drivers they should almost be a preferred risk unless physically handicapped. They have no thrill in fast driving and they know the dangers of improper driving. As a class there is no need for re-examination as to their ability to drive. All that is necessary is a checkup on their physical limitations such as eyesight, hearing, and possible infirmities. As for younger drivers it is quite obvious that when subjected to a re-examination of their ability they should find little difficulty in getting approval. Habitual carelessness might be detected but that is all. Under the watchful eye of the examiner the driver would be studiously careful in his operation of the automobile. A dozen re-examinations would not prevent a driver from reverting to the careless and reckless practices which are responsible for the ever-increasing accident toll upon the highways of the state. Careful drivers can only be obtained through consistent and continual education.

MASSACHUSETTS' RECREATIONAL FUTURE

Not many years ago Massachusetts was regarded as one of the leading industrial states of the nation. The competition of mills in the South and other sections brought about the removal of many industries to other states where tax burdens were lighter, labor was cheaper and power facilities were less expensive. Massachusetts as an industrial state has grown less and less prominent. On the other hand the recreational advantages of the Berkshires, the Cape, North and South shores have developed rapidly. The New England Regional Planning Commission is advocating a long-term plan which should be of inestimable value to the entire northeast section of the country. The Commission points out that where we live is not ours alone but something which we hold in trust for future generations. We have wasted much and we must waste no more. It is time to discard our practice of waiting until one asset fails before developing another. The Commission asks no enormous expenditures nor revolutionary methods. It believes in the budgeting of our resources and careful planning over a period of years. The major features of the regional plan for New England in which Massachusetts plays a prominent part, are co-ordinated transportation systems by highway, rail, and air; the development of water resources, and interstate areas for conservation and recreation.

ONE OF THE BEST SUBURBANITES

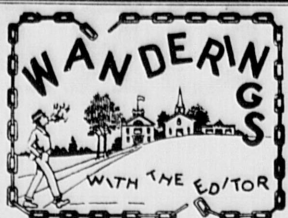

In publishing the booklet entitled "Suburban Living at its Best" the author, Mr. John Prescott of Newtonville, has performed a most worthwhile act. It gives the newer resident a brief but concise picture of the Newton of the past and it illustrates clearly the high ideals that have always existed in the Garden City. In turning over the proceeds from the sale of the booklet to the Newtonville Library Association as his contribution to the fund being raised for a new branch library in that village, Mr. Prescott has shown a most generous spirit. We have always known him to be a loyal Newtonite and the example he has set in this instance is one in which every Newtonian can take due pride.

REGISTER NOW

After Wednesday, August 26th, it will be impossible to vote on September 15th at the State Primary Election unless you are a registered voter. The Registrars of Voters are holding daily sessions at City Hall until that date and on the last three days will hold evening sessions. If you are not already a registered voter you owe it to yourself and your neighbors to become one. It is not only a privilege to vote, but it is the duty of every good citizen. Register now!

A CLEAR CONCEPTION OF PUBLIC DUTY

Governor Landon promptly accepted Pres. Roosevelt's invitation to attend the drought conference because of Kansas' interest in the problem. With this conception of public duty Mr. Landon can be depended upon if called to the more exalted post of President of the country.

Miss Priscilla Ireland, who is spending the summer at Camp Quanset, South Orleans, Mass., won a blue ribbon in the intermediate class at the annual Quanset Horse Show, August 8. Miss Ireland is the daughter of Mr. and Mrs. W. D. Ireland of 70 Temple st., West Newton.

Miss Margaret Carter, who is spending the summer at Camp Quanset, South Orleans, Mass., won the blue ribbon in the beginner's class. She was also runner-up for the tennis championship. A younger sister, Miss Doris Carter was on the crew of the second boat in the Quanset Yacht Club races for the Commodore's Cup. Miss Margaret and Miss Doris are the daughters of Mr. and Mrs. Philip W. Carter of Balcarras rd., West Newton.

Instruction in Life Saving is the best way to reduce the number of drowning accidents and the Newton chapter of the American Red Cross is carrying on its usual work along this line. To date the following have completed the course and received certificates showing they know how to save themselves when in danger in the water—also how to save others as well:

Senior Life Savers—Stanley Lewis, James Kirk, John Higgins, Frank Light, Howard Gross, Frederick Eastman, William Cowell, Benjamin Wheldon, Edgar Romilly, Vincent Ianelle, Edward Mitchell, Thelma Leonard, Nancy McNeil, Cornelia Brown, Marjorie Hesselstein, Marjorie Midegley, Edith Dasey.

Junior Life Savers—Barbara McDonald, Lucille Burke, Victoria Bourque, Ruth Langell, Betty Dasey, Mary Gallagher, Ruth Chapman, Betty McGee, Patricia Regan, Frances Albee.

At Camp Frank A. Day—Seniors—Alex Hayner, Stephen Mallett, Richard Palmer, Robert Stephenson, William Porter, William Dickinson, Jack Ferry, Warren Reid, Harry Myers, Harry Walen, Robert Hempel, C. Evan Johnson, Albert Walker, Albert Blunt, Franz Ingelfinger.

At Camp Frank A. Day—Juniors—William Bronsdien, Ray Hunting, Stuart Wilson, Robert Stackhouse, Curtis Bixby, John Bliss, Richard Everett, William Skidmore, John Sloane, Robert Speare, Philip Teschner, Richard Whittingham, Arthur Wright, Franklyn Houghton, Frank Pollard, Robert Reid, William Ricker, William Arrowsmith.

A committee of 500 is making a state wide appeal for funds for the children's fresh air camp of the Volunteers of America at Bridgewater, one of the finest free camps for undernourished children in the state. Over 200 youngsters and needy mothers are already in residence and there is a large waiting list.

Howard W. Fitzpatrick, general chairman of the committee and deputy state auditor George H. Cummings are visiting the principal towns and cities in Middlesex county in the interests of the appeal. Governor James M. Curley, chairman of the camp Board says that at least 500 little street people will be cared for this summer and improvements at the camp are now being made to increase the accommodations.

The volunteers specialize in long term vacations for these impoverished youngsters whose only playground is the doorstep or back alley. At the Volunteers Camp they have large dormitories, spacious playing fields to run and romp in, a big swimming pool, child's library, flower gardens and recreation and rest rooms.

The director of the camp, Colonel Nellie M. Duncan states that every youngster and especially kiddies from the tenements should spend at least two weeks away from the hot breath of the city to get the full benefit of a vacation. Good food and plenty of it, all the milk they can drink and life out of doors will do the rest. Healthy children are the state's biggest asset. The camp is supported by voluntary contributions.

From thousands of contestants in Scott Furriers' "Guess Who" contest Elizabeth B. Doten, 32 Commonwealth Park, Newton Center, was selected for First Prize. The first prize consists of a merchandise order for \$25.00 in any one of Scott Furriers' departments, second prize \$15.00, and third prize of \$10.00 in merchandise. Then there are twenty-five additional prizes of two theatre tickets. This unique contest is heard every Thursday night at 7.30 to 8.00 on WEEI and consists of popular tunes played by the country's leading dance orchestras, but without the names of the orchestras announced. The person guessing the largest number of correct names of orchestras wins the contest.

Douglas Hubbard Sears, graduate of Newton High School, Class of 1936, has recently been awarded full scholarship for his Freshman year at Harvard by the Harvard Club of Boston.

At High School Sears was active in Orchestra, Glee Club, Debating Club, President of Alpha Gamma Tau, member of the National Honor Society, recipient at graduation of The Washington-Franklin Medal for American History and also recipient of a scholarship from the Newton Rotary Club. He was also President of the Opportunity Club in the Second Church, West Newton.

VOTE SEPT. 15th

Kiwanis Activities

The Kiwanis Club of Newton is to have an inter-club meeting to be held at the Commonwealth Country Club, Tuesday, August 18th, with eight other clubs of the 5th District, at which there will be golf at 1.30 in the afternoon and a meeting at 6.30 in the evening in honor of International Trustee, James P. Gallagher, Clerk of Newton District Court.

Clubs that are to be present are Scovilleville, Arlington, Weston and Wayland, Waltham, Boston, Allston and Brighton, Cambridge.

The important part of the Newton Kiwanis Meeting held Tuesday, August 11, 1936, was devoted to a study of helium gas. Mr. Joseph A. Roy, a resident of Newton, associated with the Cambridge Electric Light Company, and an authority on the subject, lead the discussion.

Mr. Roy developed many interesting and fascinating points concerning this fairly recent discovery. Helium gas, which it is believed will play an increasingly important part in aerial transportation, is found in greatest abundance in the United States—the State of Texas being the first contributor thereof. In the process of developing helium, many other things were discovered that today in various ways affect the lives of all.

That the talk of Mr. Roy was well given and received was evidenced by a series of pertinent questions which followed his closing.

Scouts from Norumbega Council comprising Newton and Wellesley left from Camp Quinapoxet at Rindge, New Hampshire, for a canoe trip of one hundred and fifty miles on Monday last. The fleet consisted of some sixteen canoes manned by experienced Scouts and each canoe carried full camping equipment for the overnight trips enroute. The canoe fleet embarked at Hanover, New Hampshire, and planned to paddle up stream for nearly eighty miles on the Connecticut River which is one of the most beautiful streams in all New England. The second half of the trip will be down stream as the fleet will return to Hanover and thence to Camp Quinapoxet. It is estimated by the leaders that the trip will take about a week if the weather and the winds are favorable.

The following Scouts from Norumbega Council are on the trip: Scouts Marshall Perrin, Troop 2, Wellesley; David Bernard, Troop 2, Wellesley; Hoyt Bertram, Troop 10, Waban; Barker Reidy, Troop 4A, Newton Highlands; Teddy Jennings, Troop 7C, West Newton; Hugh Van Roosen, Troop 20, Newton Centre; Donald Van Roosen, Troop 5, Newton Centre; Brooks Slocum, Troop 11, Newton; Dean Martin, Troop 2, Wellesley. The two Scouts who made the trip accompanied by Scout Executive Gunderson who was in command of the fleet. His assistant leaders are Philip Trowbridge of Newton Highlands, and Joseph Ferlazzo of Newton Centre.

All Scouts and leaders at Camp Quinapoxet will unite this coming Sunday to produce a "Scout-rama" for the benefit of parents and visitors and the public is cordially invited to attend.

With a dramatic presentation of Scouting skills and achievements in which almost the entire camp will participate. There will also be a water pageant with a number of competitive events, not to mention novelties in the way of special races and contests. The climax of the evening will be a grand Scout Council Fire with Indian ceremonies, contests, songs, and stunts. The first supper will be served to visitors at a nominal cost and preparations have been made to entertain a record number of visitors. From Norumbega Council almost all council officials are planning to attend, together with a large number of parents and friends of the Scouts in camp. The honor guest of the day will be Mayor Edwin O. Childs of Newton and other city officials of both Newton and Wellesley have been invited. Samuel P. Allison, Scout Commissioner and vice president of Norumbega Council, is in charge of the special guests.

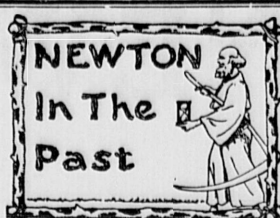

Automobile

Accidents

Cars driven by Margaret Scully of 134 Oakleigh rd., Newton, and Margaret McDermott of Centre st., Jamaica Plain, collided Sunday noon at Hammond st. and Hammondwood rd., Chestnut Hill. Mrs. Philip Scully, who was riding with her daughter, received an injury to her right wrist.

Automobiles operated by Vito Caruso of Warren st., Watertown, and Gordon Anderson of 11 Orchard st., Newton, collided at 11 p. m. Sunday at Centre and Ballard sts., Newton Centre. Natalie Tortorella of Waltham, who was riding with Caruso, claimed to have received an injury.

A tomb near the Great Sphinx, dating about 2900 B. C., contained terra cotta models of human hands and feet.

60 YEARS AGO

Newton Republican, August 15, 1876

Theodore Parker married in April, 1836 Miss Lydia D. Cabot, only daughter of John Cabot of Newton, with whom he had plighted troth five years previously. The following resolutions are entered in his journal on his wedding day:

1. Never, except for the best of causes, to oppose my wife's will.
2. To discharge all services for her sake freely.
3. Never to scold.
4. Never to look cross at her.
5. Never to weary her with commands.
6. To promote her piety.
7. To bear her burdens.
8. To overlook her foibles.
9. To love, cherish and ever defend her.
10. To remember always most affectionately in my prayers; thus, God willing we shall be blessed.

Among the many attractive spots in Newton is the home of O. C. Gibbs at West Newton. During his 10 years' residence he has greatly improved the grounds and is receiving his reward in the luxuriant growth of plants and flowers with which his walks are adorned. He has about 30,000 feet of glass covering grape, vegetable and flower culture. A windmill supplies plenty of water to every house and about 400 fruit trees are on his place.

Eleven lodgers and no arrests at the Newton police station for this week. Quiet times.

The horse cars between West Newton and Waltham keep up their daily trips although there is less business than usual. This line has proved a public necessity and people are hoping for the time when horse cars will run between West Newton and Ward I.

Owners of dogs keep coming to the city clerk's office for licenses. Already 580 have been licensed; a larger number than ever before. There are more yet to be licensed to prevent them being shot; already 15 have been killed.

FANS FANS

The largest assortment and lowest prices; over 500 styles and colors.

FRED A. GREEN

521 Washington St., Boston

Captain Frank Brown shot one of the Texas steers on the farm of Warren Ellis, Newton Center, last Monday. He is accounted a good shot and takes much pride in the target practice of his company, the Clarin Guards, Company C of the 5th Infantry.

50 YEARS AGO

Newton Graphic, August 14, 1886

The Newton Street Railroad Company organized Tuesday by the choice of the following officers: President, H. B. Parker; Vice President, Lucius G. Pratt; directors, George W. Morse, A. F. Upton, W. P. Tyler, H. C. Pratt. The company will build an electric railroad between Newton and Waltham.

J. Edward Hills lost a valuable horse the other night when it broke its leg in the stable.

On Wednesday the city government, attended by a large number of Newton people, took their annual trip down Boston harbor on the steamship Empire State, through the courtesy of ex-Alderman Henry and Burt Phillips.

At the meeting of the Board of Aldermen on Monday evening the Overseers of the Poor reported that on April 1 they had a balance of \$6034.32 and from this sum \$1872 had been expended up to July 1st. The Board voted to appropriate \$23,000 for an addition to the Newton Free Library, to be paid in five yearly notes of equal amounts.

Some wicked boys were discovered card playing on North st., Newtonville, last Sunday afternoon but they ran away when a policeman approached.

The barn of Mr. McDonald on Cherry st., West Newton, was broken into on Wednesday night and a silver plated harness stolen.

About a year ago John McCarthy, a well known resident of this city, swallowed a partial set of false teeth which passed through the oesophagus and lodged in the cardiac orifice of the stomach. He has been at the Mass. General Hospital for sometime and on August 5th a remarkable and successful operation was performed upon him by Dr. Maurice Richardson of Boston. Strange as it may appear, the patient is doing very well and his complete recovery is now considered certain.

25 YEARS AGO

Newton Graphic, August 11, 1911

The Newton assessors announced yesterday that the tax rate for this year will be \$17.60; a reduction of \$1 from last year. The figures show a most gratifying condition of affairs with reductions in the tax warrants and increases in receipts.

Nonantum Square is now receiving a long needed treatment both for resurfacing and dust laying. Street Commissioner Ross began the work Monday. The entire square and adjoining streets will be resurfaced with two to three inches of crushed

Edward H.

Powers' Paragraphs

One of Newton's leading professional men asked us a few days ago to comment on the traffic condition at Centre and Elmwood sts., Newton.

The preceding day, while carefully driving his car out of Elmwood st., making a left turn onto Centre st., he had to come to a very abrupt stop. Otherwise he would have been crashed by an automobile which was speeding along Centre st. at a 35-mile-an-hour speed. A truck was parked at the very corner of the two streets, on the curve where parking is prohibited and where the curbing is supposed to be painted red, to call attention to this restriction. Cars and trucks are regularly parked in this prohibited area, blocking the view of motorists emerging from Elmwood st., until they are well out onto Centre st.

Recently, in reading files of the Newton Republican published in 1874, we came across a number of articles relative to agitation 62 years ago for the widening of the two streets, because of the fact that a large business building, the Eliot Block, was to be erected at Elmwood and Centre sts. There was much controversy over the matter of the widening before a number of meetings of the Board of Aldermen in 1874, but like the proposed widening of Pelham st. at Newton Centre this year, construction of the Eliot Block had progressed so far that the cost of the widening was considered too much by the then city government and Elmwood st. remained narrow. But, the need of widening the street was recognized even far back in horse and buggy days.

Eight years ago Eliot Block was razed. The advent of the automobile age had caused the blind corner at Centre and Elmwood sts. to become a bad traffic hazard and agitation was started to widen the corner there when the old building would have been removed. The 1928 Board of Aldermen voted to make a small, inadequate taking to provide a slight widening at the corner, but subsequently the Board rescinded its action, and the corner has since remained one of the worst traffic hazards in the city. Operators of motor vehicles travelling north on Centre st. speed up in order to make the green light at the traffic signal at Nonantum square. The police should enforce the ordinance prohibiting parking within the restricted area at the corner. This will, to some degree, lessen the hazard.

The latest proclamation of Frank Goodwin—that he will make all operators of motor vehicles over the age of 65 take tests to prove their fitness to drive—has aroused a storm of protests. Mr. Goodwin alleged that there are aged drivers who are a menace to traffic, because of physical or mental slowing down, and that by keeping such drivers off highways, accidents will be lessened. Undoubtedly there are some aged men and women driving cars who are not qualified to drive safely. But, they are so few in number that by depriving them of the right to operate motor vehicles, the number of accidents would not be diminished to any noticeable degree. Few drivers over 65 are involved in accidents. They operate cars much more carefully, as a rule, than younger persons.

Mr. Goodwin knows that persons under 65 would pass tests as to physical and mental fitness to drive, and then could go on highways and operate vehicles recklessly. He knows that it is not people over 65 who are responsible for practically all automobile accidents. He has frequently referred to the failure of police and judges to properly prosecute and punish speeders, drunken drivers, reckless drivers and motorists who willfully violate automobile and traffic laws. He has repeatedly condemned fixing of cases. It is the non-enforcement of laws and not aged drivers which is the real reason for the great number of deaths and injuries caused by automobiles.

On Monday, August 10th, Alderman Alfred V. Guzzi of Ward 3 went to the City Clerk's office and cancelled his registration as a member of the Democratic Party. Mr. Guzzi is not attempting to conceal this act. In fact, he informed us of it on Tuesday, August 11th. He said that he wants to give the voters of the district an opportunity to ballot for an independent candidate at the coming election, and so he will not be affiliated with either party. Mr. Guzzi is a candidate for both Democratic and Republican nominations as Representative to the General Court from the district which includes Wards 1, 2, 3 and 7 of Newton. He first announced that he would run as an independent candidate, and intends to do so. He will secure the Democratic nomination as he has no opposition.

Mr. Guzzi registered as a voter on October 21, 1929. He lost no time in becoming a candidate for Ward Alderman from Ward 3. On Sept. 16, 1930, he registered as a Republican. On June 13, 1933, he cancelled his Republican affiliation and registered as a Democrat. Since then he has been a very enthusiastic member of that party. At the Democratic convention in Springfield, which started on June 5th, he was quite in evidence, greeting Gov. Curley and other notables. And now he forsakes his second political love. One cannot accuse our friend, Mr. Guzzi, of being a slave to any political party. And when we accused him of being an opportunist, he denied it. He is a young man who adapts himself to circumstances. But, to be consistent, if he really wants to give the voters an opportunity to vote for the man and not for the party,

stone on which will be laid a preparation called Tarvia X. On top of this will be hot asphalt for dust laying purposes.

why does he seek either the Democratic or Republican nominations?

Spain has gone modern.

The new traffic signals at West Newton square were put into operation on Wednesday. It had been announced that they are the most complicated set of traffic signals in Massachusetts. After having had experiences with them Wednesday and yesterday, we will agree that the signals at West Newton are entitled to this distinction. One operates an automobile East along Washington st. and is halted by a red light on the signal opposite Waltham st. After an interval, this signal flashes the green light and you start your car. But, just as you approach Chestnut st., and have travelled about 150 feet, the signal at the corner of Washington and Chestnut sts., suddenly turns from green to red. Some vehicles have reached such momentum that they are in front of Chestnut when they are stopped. Other motor vehicles travelling West on Washington st. have been stopped at the same time by the light at the junction of Washington and Watertown sts., changing from green to red. So, the car which has passed over the pad on Chestnut st., and is waiting to emerge from that street to make a left turn onto Washington st., has to squeeze, if it can be so operated between stopped vehicles headed both directions on Washington.

The green light shows and an automobile emerges from Waltham st. onto Washington st. The driver intends to make a left turn to enter Watertown st. but finds a red light signalling him not to enter that street. Possibly, the multiple signals at the junctions of Washington st. with Waltham, Watertown and Chestnut sts. may be so controlled that they will operate in a practical way. But, we doubt it. In our opinion it is a case of too many signals. Traffic conditions at West Newton square with the automatic operation of the flock of signals certainly have not improved. When a number of cars and trucks are delayed by the intricate operation of all these signals, many of the drivers start to speed, especially going toward Newtonville. It is not improbable that accidents may result from this condition.

In last week's GRAPHIC was a news item which stated that Mayor Childs does not believe it is practical to build new schools this year to replace the Franklin, Lincoln and Eliot schools. This item said that the Board of Aldermen did not suggest any method of financing the construction of the new branch library at Newtonville and the schools. We have been informed that the Aldermen did suggest a method. The estimated cost of the new library is \$100,000. Of this amount Newtonville residents are endeavoring to raise \$35,000. Mr. Peterson, State Administrator of the PWA, gave assurance that a grant of \$45,000 would be approved for the project. This would leave about \$20,000 for the city to pay as its share. It was also suggested by the Aldermen that a PWA grant of 45% could be obtained toward the financing of one of the proposed new school buildings.

TRAVEL NOTES

The Clyde-Mallory Line offers trips from New York to Mexico City and return for \$141.95. These tours leave New York every Wednesday until September 23rd. One travels by steamer to Galveston, Texas, arriving there the following Tuesday morning. Thence by rail via Houston and San Antonio to Mexico City, arriving Thursday morning. The return trip leaves Mexico City on Monday, reaches Galveston on Wednesday morning and arrives back at New York the following Tuesday. Stopovers are allowed and there is a return limit of 60 days.

The Hamburg-American, North German Lloyd Line will conduct a three days' cruise from New York to Halifax on the DEUTSCHLAND from New York on September 5. The cost is \$40 and up.

Take advantage of the very low priced European tours conducted by the United States Line leaving New York on the S.S. Manhattan on September 9. These tours last 23 days. One includes England, Holland, Belgium and France for only \$250. A second includes Ireland, England and France for \$272.50. A third takes in the English lake country, London and Scotland. The cost is \$264. Another itinerary includes England, Holland, the Rhine, Switzerland and France at the very low rate of \$302.25. Frederick J. Reuter, manager of the Boston office of the U. S. Lines, will personally conduct the tours.

Reservations for all these tours may be obtained from Newton Steamship Agency, 11 Centre ave., Newton. Telephone Newton North 4501.

UNION SERVICES AT CHANNING CHURCH

Sunday morning at 10.30 a. m. the third of the Union Services to be held in Channing Church will be conducted by the Rev. Wallace W. Robbins of the Unitarian Church in Alton, Illinois. Mr. Robbins who is rapidly building up a reputation as a preacher in the Middle-West will speak on "Anchors and Balance-wheels". Special music has been arranged for this service and Mr. Bagdasarian will be the soloist with Mr. Raymond Pugh at the organ.

The remainder of the Union services will be held in the Eliot Church for the following three Sundays.

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

TWILIGHT LEAGUE IN LAST WEEK OF PLAY

Tuesday evening the Giants squeezed out a last ditch victory over Our Lady's to give the latter their second defeat of the season. The Giants with their hopes raised for at least a tie for the league championship journeyed to Clafin Field Wednesday night to meet the Independents. Starting the third inning with a two run lead Hutton for the Giants lost control and a combination of two walks and a triple by Ferguson tied the score. Rollins replaced Hutton and was hit hard. In the fourth with a man on base Phil Greene hit the longest home run of the season to center field to score Independents final runs. Giants tallied one in the fifth to end the scoring. Final score Independents 5, Giants 3.

In the Junior Circuit Cabot, Pals and Boys Club have continued to win and it is still anybody's battle.

Games have been scheduled for the first four days of next week to complete the season. The final league standing will be that of Thursday night. In case of a tie for a play-off berth the game will be played Friday.

Newton All Stars vs Smart Oil

Monday, August 10, 1936.

All Stars—6 runs, 4 hits, no errors.

Smart Oil—2 runs, 1 hit, 3 errors.

DiRusso singled to open the 2nd but his mates failed to push him around.

Tommy Ryan walked to open the 3rd. Manning was safe on an error by the shortstop. Gallagher flied out and Watkins was walked. With the bases filled Jeff Jones singled sharply to center to score two runs, a third tallying on Byrnes' long fly to the outfield.

In the fourth, errors and bases on balls mingled with Bagley's single accounted for three more runs for the All Stars.

Munhall's double, Waltham's only hit, in the 3rd coupled with interference on the part of the catcher and a long fly accounted for Smart's only 2 runs.

Ace Bagley's pitching featured. He held the talented Suburban Twilight Leaguers to a lone hit while fanning five batters.

DiRusso was Newton's leading hitter with two singles.

Walter Watkins with four smoothly handled chances at shortstop carried off fielding honors for the evening.

ANNUAL BOAT RACES AT CRYSTAL LAKE

The Annual boat races for the children of Newton Playgrounds were held at Crystal Lake on Wednesday, Aug. 12. More than 200 boats constructed by the boys and girls on the various playgrounds were entered in two classes.

Mr. John Proctor and Mr. Nicholas Tedesco, Handwork Supervisors, were assisted by S. Leo Hughes, John B. Dacey, John P. Donahue and G. Winthrop Brainard.

Prizes awarded were: 1st, Silver Loving Cups, 2nd, Fountain Pens; and 3rd, Silver Pencils.

The summary:

First Race, 18" Model—1, Wesley Clifford, 7 yrs., Newton Centre; 2, Clyde Bradley, 13 yrs., Lower Falls; 3, Malcolm Clifford, 8 yrs., Newton Centre.

Second Race, Free for All—1, Robert Murphy, 13 yrs., Boyl; 2, Edward Cassavant, 12 yrs., Stearns; 3, Norman Jassett, 12 yrs., Stearns.

Boat Races at Allison

The Nonantum District of playgrounds composed of the Stearns, Boyd, Victory, Hawthorne and Horace Mann Playgrounds conducted a very successful Boat Racing Carnival at the Allison Playground Beach on the Charles River in Nonantum, Tuesday morning.

There was considerable interest in these hand-made toy boats representing all types and sizes and which in consequence developed all wits of speeds and tantrums trying to keep within the course lines. With the river current and wind at odds it was difficult to sail even the Queen Marys and Normandies who were represented in replica.

The prizes were awarded to Eddie Casavant for his speedy boat, Alice L. Bob Murphy was also successful with his Red Streak. Other prizes were awarded to George Kuerith, Eleanor Manter and Norman Jassett and honorable mention was given to Nunzio Piselli, Richard Chartier, Paul Campbell, Leo Thomas, Billy Jassett, Phillip Jassett and Joseph Landry.

SPORT NOTES

Jackson Skillings, Brown Hockey captain, is at the New England Deaconess Hospital where he has had an operation on the knee that has troubled him during the last few seasons.

INDEPENDENTS GAIN IN TWIN-COUNTY LEAGUE

The Newton Independents gained ground in the Twin-County League last Friday when Guido Castoldi pitched a one-hit 7-1 victory over the Natick Cubs at Newtonville. They dropped a 4-0 game to the cellar team, Wellesley, on Tuesday, and beat the West Newton Colored Giants 5-3 in a fast game Wednesday, cutting the leaders' advantage in the Newton Twi-League.

Guido Castoldi was the main figure of the Independents' victory over Natick Friday, but Bert Marrazzo's base running was a factor, as was the timely hitting of Howard Ferguson, who started a swatting streak that has lasted several games. Newton's five-run first inning settled the issue when Marrazzo singled, Jones walked, Ferguson hit in the first run, and Pete Morrison reached on an error. Joe Greene singled to score two more runs, and Morrison came in on a wild pitch. The Independents added earned runs in the second and fourth innings for their total of seven.

Wellesley Wins 4-0

Using the father and son battery of Pete Morrison and Harold Morrison, the Independents dropped their game Tuesday at Wellesley when the town team scored in the first, second and fourth innings. Howard Ferguson got a triple and a single in two trips, while Herb Berry hit a triple for the only Newton stick-work in the game. Both were thrown out at the plate by throws from the outfield.

The Independents' first Newton Twi-League contest of the week saw them defeat the West Newton giants in a noisy and exciting game at Newtonville Wednesday night. Phil "Mucker" Green lofted a mighty home run drive to center field, scoring Bun Ryan ahead of him in the fourth inning, putting the game on ice. The first three runs came in the third inning, when with two out, Mullen and Jones walked, Ferguson smashed a three-bagger, and Pete Morrison scored him with a double. Bun Ryan

was the winning pitcher, and the final score 5-3.

Shirley Temple in "Poor Little Rich Girl" At Coolidge Corner Theatre

Again the cool Coolidge Corner Theatre, Brookline, presents a feature program suitable for the entire family, and it commences on Friday, August 14th, and remains for the entire week.

In the first feature Shirley Temple, America's sweetheart, comes to the screen in all her glory in a song-filled, laugh laden story that is one of the crowning cinema achievements of this or any other year. It is "The Poor Little Rich Girl." "The Poor Little Rich Girl," Shirley herself, opens in the palatial mansion of Michael Whalen, father of the little miss. Shirley has no mother but her father has provided a veritable regiment of aides-de-camp whose sole duties are to look after her. If Shirley dares to sneeze—she must go to bed while a doctor is called to prescribe for her "alarming cold". Shirley, as you can imagine, is none too pleased with this state of affairs and persuades her father to send her to boarding school. While waiting for the train, Shirley slips away from her nurse, Sara Haden, and wanders along the streets playing a game of make-believe. Miss Haden, in the meantime, is the victim of an accident, and during the following days in which Shirley seeks adventure, the little girl is not missed by her father.

A touching series of events finally culminates in Shirley being adopted by a pair of aspiring radio entertainers, Alice Faye and Jack Haley. Miss Faye realizes that Shirley is no "orphan" as she has told them, but Haley recognizes Shirley's talents as just what the act needs. How Shirley brings success to Haley and Miss Faye, romance to her dad and Gloria Stuart and happiness to crabby Claude Gillingwater makes a most human and heart-warming story. Five new song hits—and really hits—are featured in the picture. The numbers are "When I'm With You," "But Definitely," "You've Got To Eat Your Spinach, Baby," "Oh, My Goodness," and "Military Man." Shirley also does a new military buck dance with Alice Faye and Jack Haley. It's the greatest of Temple pictures.

The excellent co-feature is the adaptation of James Oliver Curwood's story "The Country Beyond," featured with a cast which includes such stars as Rochelle Hudson, Paul Kelly and Robert Kent. Buck the dog, aids the cause of justice as he tracks a killer through the frozen North, and plays cupid as he brings a "mountain" and his girl together. The snowbound Canadian wilderness is the setting for this drama, a country beyond the laws of man. Others in the cast are Alan Dinehart, Alan Hale and Buck the dog.

To round out this program is the latest issue of the favorite radio program on the screen, "The March of Time," with the following exciting items portrayed, "Are Horse Races Fixed?", "An American Dictator" and "Revolt in France," and the latest issue of the Coolidge Corner Theatre Newsreel.

REAL ESTATE

Alvord Bros. report the sale of a splendid parcel of land consisting of two acres, 38,409 square feet of land, on Brookline Street, Newton Centre, in the vicinity of Oak Hill Village. Harry L. Haines of Newton Centre has title to Mrs. and Mrs. Paul E. Regan, Jr., of Brookline. Mr. Regan plans the construction of a new home in the spring. A value of \$5000 has been placed on the property by the City of Newton for tax purposes.

Alvord Bros., Real Estate Brokers of Newton Centre, report the sale of a large lot of land containing about 14,000 square feet on Lockwood rd., West Newton. Merrill C. Nutting was the Seller, and Charles Azab was the Buyer. This lot is located on a new street in a large beautiful tract of land being developed by Mr. Nutting, where many large fine homes are at present being constructed. This area is located at the junction of Prince, Temple and Highland sts., on West Newton Hill, and is only a very short distance from stores, station, schools, etc., and yet is surrounded by some of Newton's loveliest estates. Mr. Azab is to construct a large home for sale. This lot carries a valuation of about \$3500.

Alvord Bros. office have sold another lot of land on Woodward st., Newton Highlands, containing about 9000 square feet of land. Mrs. Sarah K. Wheeler, of Newton, was the Seller, and William J. Campbell, of Watertown, the Buyer. This lot is one of the few remaining vacant lots on Woodward st., which are near the Elliot Station, stores, schools and churches. It is in the midst of a lovely neighborhood of fine homes. Mr. Campbell has already started construction of a new house which is to be for sale. This land is valued in the vicinity of \$2000.

Alvord Bros. also report that they have sold a well located parcel of land consisting of a frontage on Hawthorne avenue, Auburndale, of approximately 85 feet, and a total area of about 12,000 square feet, and belonging to Vincent E. Squiers, of Newton, Mass., formerly being a portion of the George W. St. Amant estate. This lot has been sold to Mr. J. Alden Behnke of Auburndale, Mass. Vincent E. Squiers is now in the process of building an attractive residence for Mr. Behnke. The parcel of land is valued at \$2000.

NEWTONIANS ROMP IN VARIOUS TOURNEYS

Newton's best younger tennis players stormed the North Shore Junior Championships at the Tedesco Country Club in Swampscott this week and reached the final round in nearly every class. Yesterday Elena Ciccone of Newton Center, ranked No. 3 nationally, won an all-Newton final in the girls singles by defeating Carolyn Everts of Newtonville 6-4, 6-2. A. P. "Sonny" Everts bowed to Arthur Prochaska of Hartford in the boys' singles final Wednesday after a long battle, 6-8, 9-7, 6-1. Carolyn won the on-courtesy victory for the Everts family when she teamed with Ruth Carter of Malden to defeat Baba and Sissy Madden in the girls' doubles final yesterday.

In the junior boys' doubles, Bob Decker of Boston, former Waban boy, and Tom Slattery of Newton Centre, third and twelfth ranked in New England, won from Henry Kulik and Jack Messina by 6-2, 9-11; 6-1, 3-6, 6-2. Decker was a finalist in two other events. He won the junior singles from Bill Power, state interscholastic champion from Worcester, by 6-2, 6-2, 6-1. In the mixed doubles he paired with Jean Davis and downed Elena Ciccone and Henry Kulik 6-2, 12-14, 9-7. Earlier the Davis-Decker team had defeated Carolyn and Sonny Everts 7-5, 2-6, 6-4 in the semi-final round, while Ciccone-Kulik put out Tom Slattery and Constance Allen 7-5, 6-2, 6-4.

Martin in N. H. Final
Don Martin of West Newton, twelfth ranking player in New England, and the city's perennial playgrounds champion, teamed in doubles with Albert Horton, ranked third, in the Maine state championships now being played at Portland. They won their quarter-final from J. Owen and R. Nason of Baltimore 6-1, 6-2, but yesterday they lost to Vaughan Pipes of Watertown and Melvin Tarpoley of Miami, Fla., in the quarter-finals in four sets. Wednesday Martin defaulted to Chester Legg of Evanston, Ill., after Legg had won one set of their singles match, but he has a title to defend in the mixed doubles.

Slattery proved the top doubles player among the juniors, however, by pairing with George Day to defeat F. Kelley and N. Moore 5-7, 6-3, 6-4 on Saturday, and with E. Sharoth to win the mixed event Sunday from the Watson-Ethridge combination by 4-6, 6-4, 7-5.

The best local tennis news of last week was the progress of Sonny Everts in the National boys doubles matches at Culver, Indiana. Teamed with Arthur Prochaska, who had defeated him for the state boys' singles title this year, Everts got to the quarter-final, where they lost 6-4, 6-2 to Ink and Wade, the ultimate winners and national champions. Their showing makes it fairly certain that the New England entries will be awarded a national ranking in the first ten Jackson Skillings, tennis and hockey star at Brown University, and captain-elect of both sports, entered the New England Deaconess hospital Monday for a surgical operation on his knee, which has hampered him ever since he tore a cartilage in it four years ago. He will be on the sidelines for two or three months, but is planning on a strenuous season of hockey in the Brown nets next winter. So far there have been few upsets in the city playground tennis, and Don Martin, Harry Sylvester, Jack Canter, Paul Rich and Gordon Kitchen are hands-down favorites to land in the quarter-finals.

—Miss Mary Clark of Newbury terrace sailed for Europe last week.

—Miss Katherine Barry of Irving st. is enjoying a trip to South America.

—Mr. and Mrs. Geo. Keith of Cypress st. spent the week-end at Chebeague, Maine.

—Miss Jane Lamotte of Moreland ave. is on a trip to New York and New Jersey.

—Miss Alice Danforth of Cypress st. is spending her vacation at Marion, Mass.

—Miss Elizabeth Donovan of Cypress st. is spending the summer studying in Chicago.

—Mrs. Frank Woolway and daughter Jeanne of Crescent ave. are spending a week at Silver Lake, N.H.

—Mrs. Mary Walsh and daughter (Miss Helen Walsh) of Cypress st. are spending their vacation at Oak Bluffs.

—Prof. and Mrs. W. N. Donovan of Cypress st. are spending the summer at "The Ark" in Wolfboro, New Hampshire.

—Mr. and Mrs. O. D. McClelland of Braeland ave. have returned from a trip to the Gaspe Peninsula going from St. Leonard's to Quebec.

VOTE SEPT. 15th

Field Day At Auburndale Playground

About 200 children attended the Costume Party held Friday afternoon, August 7, at the Auburndale Playground, under the direction of Miss Claire McCarthy, assisted by Miss Martha Condit.

First came the grand march around the baseball field by those who were in costume, led by two huge dray horses, the brown one ridden by "Rosie" Hart and Walter Sullivan, and the white horse ridden by Harry Murphy and Pat Dempsey. In the parade were all sorts of characters from farmers, rabbits, gypsies, butterflies and Indians to a bride and groom, a paper boy, a magician, a soldier and an exceedingly tiny scrub woman.

Other numbers on the program were a song by Mary Mills, a recitation, "Dolly Has the Flu," by Helen O'Brien, and "It's a Sin to Tell a Lie," sung by Edna Waldo.

Next came a wheelbarrow race which was won by Bill LeVert and Tom Devlin, with Harry Sanford and Stanley MacNeill coming in second. The crab race was won by Donald Garrity, and a general free-for-all race was won by Wilson Sline.

Little Barbara Garafalo dressed in a dainty little white crepe paper fairy's costume won first place as the best-dressed contestant, and Barbara Hanlon, in her old-fashioned bridal costume won second. The award for the most original costume was a tie between Jackie Houlihan, as a most realistic paper boy, ragged clothes, dirt and all; and Chickie Sadler as a farmer.

The award for the funniest costumes went to Catharine Butterfield and Ann O'Brien, who were dressed as two gray rabbits, complete with pink ears and white tails.

There will be a swimming meet on Wednesday, August 19, when those who are in the life saving classes, at the present time, will be awarded their badges. Barbara Hanlon, Madeline McIsaac and Betty Cunningham, Mildren Hanlon, are in the junior life saving class, Walter Sullivan in senior class.

Mrs. Loeffel Gazagian and her two sons, Philip, Homer and her daughter, Mrs. Everett Pierce, Mrs. Hale, Janet Hale, Miss Margaret Bascom, Miss Isabelle Conway. Miss Margaret Bascom has returned to Orr's Island, Me., for the remainder of the summer.

Dr. Dewey To Preach On "Things We Desire"

Dr. Harry P. Dewey of Minneapolis will conduct, next Sunday, the third in the August series of the union church services being held in Newtonville under the sponsorship of several Newtonville and West Newton churches. This is the first time the churches have united in this arrangement and the result has been most gratifying to ministers and members of the local congregations. The services this month are being held in the Church of the New Jerusalem on Highland ave. Dr. Dewey will preach on the subject, "Things We Most Desire." R. Lawrence Capon and the mixed quartette will present the following program of music—Prelude "Le Bon Pasteur" and Prelude to "La Damselle Elu" Debussy; Anthems—"Our Master Hath a Garden" by Crisp and "My Jesus, As Thou Wilt" by Voris. The service of music starts just prior to the eleven o'clock service. All summer visitors in and around Newton are particularly welcome.

Racing Pigeon Swift
A racing pigeon can travel at a mile-a-minute speed.

Estonian Canoeist Made Honorary Member Here

Hardy Nurmsen, 28-year-old bronzed native of Estonia, was the recipient of an Honorary Charter Membership in the United States Canoe Racing Association, Inc., on the occasion of the Annual Lawn Party held on the grounds of the former Newton Boat Club last Sunday.

Nurmsen told of the hardships encountered on his year's cruise to the members and guests. He made his voyage in a 15-foot canoe of his own making. Shipwrecked twice, once on Lake Huron and again on the Florida Keys, and without water for several days, Nurmsen completed his 7200-mile trip via the Great Lakes, Mississippi River and Atlantic Ocean in little more than a year.

A racing blade inscribed with the insignias of the New England and United States Canoe Racing Association, Inc., was presented by Mr. John F. Veader.

The winners in the Inter-Association Championship were: Horseshoe Pitching—Hammond Hosmer, of Waltham; 2nd, Charles F. Weider, of Roslindale; Table Tennis—1st, James L. Fitch, of Winchester; 2nd, Leo Haley, of Newton; Croquet—1st, Mrs. James L. Fitch, of Winchester; 2nd, Louis G. Zaboy, of Roslindale; Bowling-on-the-green—1st, Charles F. Weider, of Roslindale; 2nd, Rowland Callow, of Winthrop.

Newtonville

—Mrs. Irene Andrews with her daughter, Barbara, of 983 Washington st. is the guest of her sisters in Amesbury.

CHRISTIAN SCIENCE

"Soul" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 16.

The Golden Text is: "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103:2, 3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory" (1 Corinthians 15:53, 54).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man's individual being can no more die nor disappear in unconsciousness than can Soul, for both are immortal. If man believes in death now, he must disbelieve in it when learning that there is no reality in death, since the truth of being is deathless" (p. 427).

The "Forty-Niners"

"Forty-niners" is the name given to those who, in 1849, were drawn to California by the gold discoveries of 1849. Within the year about 42,000 arrived by land and 30,000 by sea, the great mass being from the United States, although Latin America furnished a large number.

"I can go home every night by telephone"

SAYS BUSY EXECUTIVE

MR. ROGER SHERMAN
General Sales Manager for Midco Ice Box Freezer, says: "My business frequently takes me out of town. But no matter where I am, I can 'go home' by telephone. Telephoning home keeps me in touch with my family and it's a source of comfort to my wife. It's a great idea. I find out-of-town telephone rates are more than reasonable, especially after 7 p. m."

Home and Happiness

WE came across the following gem of truth and wisdom in the house organ of a manufacturer of bags:

"There can be no permanent happiness in the home where thrift is not practiced."

Wise spending is one form of thrift. Systematic saving, another. The first makes possible the second. And the first can be accomplished by budgeting the family income. Try it!

MORTGAGEE'S SALE
OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by Dora W. McKillop to the West Newton Savings Bank, of Newton, Middlesex County, Massachusetts, dated February 15, 1927, and recorded with Middlesex South District Deeds Book 5988, Page 373, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the premises hereinafter described, on Friday, the fourth day of September, A. D. 1936, at ten o'clock in the forenoon, all and singular the premises conveyed by said mortgage and described in said mortgage deed as follows:

A certain parcel of land with the buildings thereon situated on the Northernly side of and being now numbered 25 Sewall Street in that part of said Newton called West Newton, bounded and described as follows:

Beginning at a point on the Northernly side of said Sewall Street at the Southeast corner of the herein granted premises at land now or formerly of Avery, thence running North 17° 20' West by said land now or formerly of Avery one hundred and ninety-six and 81/100 (196.81) feet, to land now or formerly of Peabody; thence turning and running South 71° 29' 30" West by said land now or formerly of Peabody, ninety and 15/100 (90.15) feet to land formerly of Davidson and now or late of Bullard;

Thence turning and running South 17° 20' East by said land now or formerly of Bullard, thirteen and 62/100 (13.62) feet to a point;

Thence turning and running South 71° 29' 30" West by said land now or late of Bullard, seven and 15/100 (7.15) feet to land now or formerly of Whidden;

Thence turning and running South 17° 20' East by said land now or formerly of Whidden, one hundred eighty (180) feet to the Northernly line of said Sewall Street;

Thence turning and running North 73° 26' East by said Northernly line of said Sewall Street, ninety-seven and 23/100 (97.23) feet to the point of beginning; containing 18,891 square feet of land, be the same more or less.

Said premises will be sold subject to any and all unpaid taxes, tax titles and municipal liens and assessments thereon. There be \$500, will be required to be paid in cash or by certified check by the purchaser at the time and place of sale. Other terms and conditions of sale will be announced at the sale.

MORTGAGEE'S SALE
OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by Walter E. Hurley and Anna Louise Hurley, of Newton, Middlesex County, Massachusetts, to the Newton Commonwealth Industrial Fund, dated October 18, 1924, and recorded with Middlesex South District Deeds in Book 4801, Page 388, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the premises hereinafter described, on Friday, the fourth day of September, A. D. 1936, at ten o'clock in the forenoon, all and singular the premises described in said mortgage, to wit:

A certain parcel of land and the buildings thereon situated in that part of said Newton called Newton Highlands shown as lot A on a plan of land at Newton Highlands belonging to Gertrude L. Dowd, by E. S. Smiley, Surveyor, dated Sept. 5, 1913, and recorded with Middlesex South District Deeds at the end of Record Book 3821. The said land being bounded and described as follows:

Northerly by Berwick Road sixty (60) feet; westerly by lot B on said plan one hundred ten (110) feet; southerly by land now or formerly of Marcy fifty-three and 60/100 (53.60) feet and easterly by land now or formerly of Marcy thirty and 60/100 (30.60) feet; containing 11,539 square feet, containing according to said plan 6,439 square feet. Together with a strip of land on a strip of land on the northerly side of said lot.

Being the premises conveyed to the said Anna Louise Hurley by deed of Walter E. Hurley dated September 6, 1922, recorded with said Deeds in Book 1649, Page 109, to which deed reference is made for a more particular description.

The said premises will be sold subject to any and all unpaid taxes, tax titles and municipal liens if any such exist.

Terms of sale: Five hundred Dollars (\$500.00) to be paid in cash or by certified check by the purchaser at the time and place of the sale and the balance within ten days from the date of sale.

Other terms to be announced at the sale.

NEWTON CENTRE SAVINGS BANK,
Present holder of said mortgage.

CITY OF NEWTON

City Clerk's Office

July 27, 1936

WHEREAS, Petitions have been filed with the Board of Aldermen of the City of Newton as defined in list attached hereto for the modification of District Boundary Lines as established by "Zoning Ordinance, Chapter XXXII, as amended," and

WHEREAS, said Board of Aldermen intend to grant said petitions, it is therefore

ORDERED, That a hearing be had thereon and that Wednesday the 9th day of September 1936, at 7:45 o'clock in the afternoon, at the City Hall in said City of Newton, before the Committee on Claims and Rules of the Board of Aldermen, be and the same is hereby assigned as the time and place for hearing all parties interested therein. It is further

ORDERED, That two weeks previous to said date of hearing, due notice of said intention and of said hearing be given by notice of the same posted in the vicinity of the proposed change; and that further notice be given by publication in the Newton Graphic on August 14th, 1936, under the provision of Chapter 269 of the Acts of the General Court of 1932.

List of Petitions accompanying Order of Hearing for Modification of District Boundary Lines shown below:

74253 Martin Manufacturing Co. et al. changing real estate from Business to Manufacturing District, on Washington Street, south side, Ward 3; City of Newton land, east of Felton Street; Martin Manufacturing Co. land, west of Felton Street; Mague land, west of Felton Street to boundary at Chestnut Street, and American Oil Co. Gasoline Station, 1250 Washington Street.

74254 Augustus Thordike, Jr., et al. changing real estate as follows: Lands to Dr. Augustus Thordike, Jr., J. Arnold Lowell and Wharton, on north side of Boylston Street, Ward 6, bounded by Hammond Pond, Boylston Street, Metropolitan District Commission land and extending easterly from Metropolitan District Commission land 1100' more or less, from Single Residence to General Residence District; Land of Lucy Lowell, Boylston Street, south side, Ward 6, west of Newton-Brookline line and adjoining the Lowell Playground, from Private Residence to General Residence District.

74255 Sarah J. Rand et al. changing real estate bounded by Centre Street, Commonwealth Avenue, Furber Lane, and land of Newton Savings Bank, in Ward 6, from Single Residence to Business District.

74256 Henry L. Harriman, changing real estate on Boylston Street, south side, Ward 6, belonging largely to Lucy Lowell and James M. Driscoll, and bounded by Boylston Street, Newton-Brookline line, and Hammond Pond Parkway, from Private Residence to General Residence District.

74257 Henry L. Harriman, changing real estate on Boylston Street, north side, Ward 5, owned in large part by Augustus Thordike, Jr., J. Arnold Lowell and Wharton, Jr., and bounded by Boylston Street, land of the Metropolitan District Commission, Hammond Pond, and by a line shown on plan accompanying the petition.

Attest:
FRANK M. GRANT, City Clerk.

Notice is hereby given by the Planning Board that it will hold a public hearing on the proposed amendment to the Zoning Ordinance of the City of Newton described in the foregoing notice and at the same time and place, under the provisions of Chapter 269 of the Acts of the General Court of 1932.

Attest:
ERNEST H. HARVEY,
Clerk, Planning Board.

J. EVERETT HICKS

J. Everett Hicks of 191 Highland ave., Newtonville, died on August 9. He was born in Richmond, Maine, 66 years ago, and attended Hebron Academy. He graduated from Bowdoin College in 1895. He was Massachusetts manager for the Union Life Insurance Company of Portland. Mr. Hicks had resided in this city for 25 years and for seven years was a member of the Newton School Committee. He was a trustee of Hebron Academy, a past president of the Bowdoin College Club of Boston, a former president of the New England Kappa Sigma fraternity and a member of the Charles River Country Club. He was a member of St. John's Lodge of Masons of Boston, Mount Vernon Royal Arch Chapter and Gethsemane Commandery of Newtonville. He is survived by his widow, Mrs. M. Alice Hicks, and a daughter, Mrs. Dorothy Widenmann, of Montclair, N. J. His funeral service was held on Tuesday afternoon at his late home, Rev. Mr. Dewey officiated. Burial was at Mount Auburn Cemetery.

SIMON BARKHOUSE

Simon A. Barkhouse of 25 Kenyon st., West Newton, died on August 10th at his summer home in Cohasset. He was born in Nova Scotia 72 years ago and had lived in this city for over 30 years. He was a member of the Carpenters' Union of Newton. His funeral service was held at his late home yesterday afternoon. Burial was at Saxtonville. He is survived by his widow, Mrs. Alice (Herman) Barkhouse; two sons, Ralph C. of Malden and Carl M. of Saxtonville; and two daughters, Mrs. Raymond Kirsch of White Plains, New York, and Miss Elsie Barkhouse of West Newton.

MARY A. MARTIN

Mrs. Mary A. Martin of 11 Ellison rd., Newton Centre, died on August 8. She was born at Scituate 75 years ago and had lived in Newton for 10 years. She is survived by her husband, Frank P. Martin, and a brother, E. P. Joseph of Norwell. Her funeral service was held on Tuesday at her late home; Rev. Carroll Morong of the First Baptist Church, Waltham, officiated. Burial was in Mount Peake Cemetery, Waltham.

JOHN N. MacLEOD

John N. Macleod of 220 Woodward st., Waban, died on August 9th, following a brief illness. He was born in Winslow, Quebec, 64 years ago, and as a young man was a train despatcher for the Boston & Maine and New Haven railroads, residing in Mount Vernon, N. Y. In 1902 he entered the coal business at Boston and for 15 years was New England manager for the William C. Atwater Coal Company. Recently he was New England manager for the Consolidation Coal Company and a director of the Metropolitan Coal Company. His hobby was the breeding of Guernsey cows at Myhaven Farm, Wellesley. He was a director of the New England Wholesale Coal Dealers Association and a former treasurer of the Metropolitan Driving Club. His wife, Mrs. Mary Simmons Macleod, died two months ago. He is survived by three daughters, Mrs. Homer Colgate of Mamoroneck, N. Y.; Mrs. Frank Shute of Ansonia, Conn.; Miss Mildred Macleod, of New York City; two grandchildren; three brothers and two sisters. He was a member of the Newton Centre M. E. Church for 20 years. Mr. Macleod's funeral service was held on Wednesday afternoon at Union Church, Waban. Rev. Joseph C. MacDonald officiated. Burial was in Newton Cemetery.

MARY J. KENDAL

Mrs. Mary J. (Osgood) Kendal, widow of Henry W. Kendal, died on August 6th, at her home, 1894 Beacon st., Brookline, after a year's illness. She resided on Park st., Newton, from 1892 to 1924. She was born in Boston, 89 years ago. Her funeral service was held last Saturday at Waterman Chapel, Brookline. William M. Bartlett, Christian Science Reader of Brookline, officiated. Burial was in the family lot at Newton Cemetery. Mrs. Kendal was a member of the Channing Alliance of the Channing Unitarian Church of Newton. She is survived by a niece, Ella M. Cox of Brookline.

Deaths

DUFFY, on August 8 at 276 Mill st., Newtonville; Mrs. Anna Duffy, age 57 yrs.

Children Have Weenie Roast At Auburndale

"Weenies" had their day at the new Auburndale Playground Tuesday, when over fifty girls from the Stearns Playground in Nonantum enjoyed a most unusual all day picnic. The children under the direction of Mrs. Ragna Hovgaard, the popular director of the Stearns Playground, who has for many years ferreted out ways and means of giving these Nonantum children unusual holidays of entertainment, enjoyed themselves in games of fun and in the most enjoyable summer tradition, outdoor cooking.

To the Kiwanis Club of Newton, these children are grateful, for it was through the kindly efforts of the president of this organization, Ernest Gibson, that the delectable delicious weenies, Parker House rolls, bacon, bananas, chocolates, marshmallows, milk and cookies were obtained. Mr. Gibson, representing his splendid organization, visited the playground in the midst of the activities.

The new Auburndale Playground is so constructed with beautiful groves, open fireplaces, bathing beach, play apparatus, and play areas that it is the boast of the superintendent of playgrounds of Newton Mr. Ernest Hermann, that it is the safest, most natural spot in New England for picnics.

After the "eats" quiet games were enjoyed and then the bathing beach where the children bathed and swam safely supervised by the life guards. Four o'clock came all too soon and the trip for home was begun, with continuous cheers for the Newton Playground Department and the Newton Kiwanis Club who co-operated in making the day so pleasantly successful.

BEATRICE M. GAMMONS

Mrs. Beatrice M. (Porter) Gammons, wife of Henry J. Gammons, died on August 12th at Southbridge. She was a former resident of Newtonville. Mrs. Gammons was born in Waltham 45 years ago. She is survived by her husband, a son, and a daughter. Her burial will be at Newton Cemetery Saturday afternoon at 2.30.

Legal Notices

Commonwealth of Massachusetts Probate Court
To all persons interested in the estate of
G. Fred Harwood
late of Newton in said County, deceased.
A petition has been presented to said Court for probate of a certain instrument purporting to be the last will of said deceased by John H. Harwood and Sydney Harwood of Brookline and John H. Harwood, the Junior of that name, of Dedham in the County of Norfolk, praying that they be appointed executors thereof, without giving a surety on their bonds.
If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the fourteenth day of September, 1936, the return day of this citation.
Witness, John C. Leggat, Esquire, First Judge of said Court, this seventh day of August in the year one thousand nine hundred and thirty-six.
LORING P. JORDAN, Register.
Aug. 14-21-28.

Mayor Childs Is Speaker At Waterway Assn. Meeting

Mayor Edwin O. Childs was the principal speaker at the monthly meeting of the Charles River Waterway Association, Inc., conducted Monday evening at Neera Centre in Auburndale. Principal speakers also included Comptroller Ralph E. Brown of Boston University; Mr. R. W. Wales, Entomologist of the State Reclamation Department of Boston; Mrs. Frances Harris of Newton, Mr. Gerald Savage, Newton realtor, and others.

Steps are to be taken immediately for the opening of the present bridge at Auburndale or the construction of a new traffic bridge. On the Mosquito Control and Elimination Project, Mr. Wales explained the workings of the various Federal, State, City and local governments, and set forth the difficulties of eliminating the mosquito in this particular neighborhood.

Many valuable suggestions were advanced for the furtherance of the work of the committee in charge. Appeals will be made for the reorganization of the Metropolitan District Commission and the city governments of Waltham and Newton and again through the local representatives in the General Court. The possibility of having the projects sponsored by the Governor was also suggested. Note was made of the fact that the river is being maintained at an unusually high level to the satisfaction of the many organizations represented. Communications were read including that of Mayor MacDonald with reference to the work in hand. Plans for a Lawn Party, Bean Supper and Bridge Tournament were discussed.

Meetings of the Association are held regularly on the second Monday of each month and the public is invited.

Arrested For Drunken Driving

Emil Wenning of 27 Frederick st., Newtonville, was arrested Friday afternoon by Patrolmen Carroll and Condrin after the car he was driving had hit a tree. In the Newton court on Saturday he was charged with drunkenness and driving while under the influence of liquor. His case was continued until August 28.

REAL ESTATE

Doris Carley's office reports the following families have secured the home they hoped for at a price within their budgets:
Property located at 923 Watertown st., West Newton, leased for W. J. Furush to D. W. L. Cornog; property located at 260 Lake ave., Newton Highlands, leased for May G. Voeke to Raymond Merk; property located at 38 Kenmore st., Newton, leased for Caroline M. Mitchell to Gilbert C. Hoover.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage deed given by Gideon Davidson and his wife Jennie, in her right, both of Newton, Middlesex County, Massachusetts, to the Commonwealth of Massachusetts, dated May 29, 1925, and recorded with Middlesex South District Deeds, Book 459, Page 19.
Will be sold at Public Auction on the premises hereinafter described on Saturday the fifth day of September, 1936, at eleven o'clock in the forenoon for breach of the condition of said mortgage and for the purpose of foreclosing the same, all of the premises conveyed by said mortgage deed, namely:

A certain parcel of land with the dwelling-house and two-car garage thereon, situated on the northwesterly side of W. J. Furush to D. W. L. Cornog, and composed of Lots 2 and 3 shown on a plan entitled "Plan of the Charles River Waterway Association, Inc., dated December 15, 1924, and recorded with Middlesex South District Deeds, Book 429, Page 47.
Southwesterly by said Ward Street, one hundred seventy (170) feet; southeasterly by land formerly of Harvey James, now of 185 of Theodore D. Laubner, one hundred twenty-five and ten hundredths (125.10) feet; northerly by Lots 4 and 5 shown on said plan, one hundred fifty and twenty-nine hundredths (150.29) feet; and northeasterly by Lot 1 shown on said plan, sixty-nine and nine hundredths (69.9) feet.
Containing about fourteen thousand two hundred thirty (14,230) square feet.
Being the same premises conveyed to the said Jennie Davidson by said Francis Brown by deed dated December 15, 1924, and recorded with Middlesex South District Deeds, Book 429, Page 47.
Said premises will be sold subject to restrictions of record so far as the same be now in force and applicable to the granted premises.
Together with all furnaces, heaters, ranges, mantels, and electric fixtures, window screens, screen doors, awnings and other fixtures of whatever kind and nature now contained in said buildings.
Said premises will be sold subject to any and all unpaid taxes, tax titles, assessments and other municipal liens or assessments, if any there be.
Terms, \$1,000 in cash or by certified check at time and place of sale; balance of purchase price on tender of deed at No. 109 Main Street in Gloucester, Massachusetts, within twelve (12) days thereafter unless other terms agreed upon at sale.
Gloucester, Mass., August 11, 1936.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Clarence C. Robbins and Ethel M. Robbins, husband and wife as joint tenants, both of Newton, Middlesex County, Massachusetts, to the Home Owners' Loan Corporation of Washington, D. C., dated June 27, 1934 and recorded with Middlesex South District Deeds, Book 583, Page 37, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at nine o'clock A.M. on Thursday, September 10, 1936, on the premises below described, all and singular the premises described in said mortgage, to wit:

"A certain parcel of land with all buildings and structures now or hereafter standing or placed thereon situated in that part of Newton called West Newton in the County of Middlesex in the Commonwealth of Massachusetts bounded and described as follows: NORTHEASTERLY by Wedgewood Road, formerly known as Westwood Road, ninety-seven and 54/100 (97.54) feet; SOUTHEASTERLY by Lot 13 on the plan hereinafter referred to, ninety-nine and 92/100 (99.92) feet; SOUTHERLY by land now or late of Potter, one hundred eleven and 44/100 (111.44) feet; and NORTHWESTERLY in part by land now or late of Barnum, and in part by land now or late of Ellis, one hundred thirty-eight and 97/100 (138.97) feet. Containing 11,987 square feet of land, all according to said plan, and being shown as Lot 14 on a 'Plan of Lot of Newton H. Trask, et al. Newton, Mass.', made by B. R. Davis, C. Engle, dated April 26, 1925, and recorded with Middlesex South District Deeds, Book 254, Plan 27. There is excepted, however, from the above described premises about one hundred twenty-three (123) square feet at the northwest corner thereof taken by the City of Newton by a taking recorded with said Deeds, Book 553, Page 374. Reference for title is made to a deed from Newell H. Trask, et al. to us, dated January 19, 1926, and recorded with said Deeds, Book 493, Page 273. Including as part of the realty all portable or sectional buildings at any time placed upon said premises and all furnaces, ranges, heaters, plumbing, gas and electric fixtures, screens, mantels, shades, screen doors, storm doors and windows, oil burners, gas or electric refrigerators and all other fixtures of whatever kind and nature at present or hereafter installed in or on the granted premises in any manner which renders such articles usable in connection therewith so far as the same are or can be by agreement of parties, be made a part of the realty." Said premises will be sold subject to all unpaid taxes, tax titles, water liens, and other municipal liens or assessments, if any there be.

Terms of sale: Four hundred Dollars cash to be paid by the purchaser at the time and place of sale; terms of payment of balance will be made at time and place of sale.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Arthur M. Tracy, of Newton, Middlesex County, Massachusetts, to the Home Owners' Loan Corporation of Washington, D. C., dated January 10, 1935 and recorded with Middlesex South District Deeds, Book 591, Page 124, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at nine-thirty o'clock A.M. on Thursday, September 10, 1936, on the premises below described, all and singular the premises described in said mortgage, to wit:

"A certain parcel of land with all buildings and structures now or hereafter standing or placed thereon situated in Newton in the County of Middlesex in the Commonwealth of Massachusetts bounded and described as follows: being shown as Lot No. 81 on a plan drawn by Frank Foster, C. E., dated December 1, 1916, recorded with Middlesex South District Deeds, Book 388, Plan 37, being bounded and described as follows: SOUTHWESTERLY on Fenno Road, NINETY and 96/100 (90.96) Feet; NORTHWESTERLY by Lot 82 on said plan, One Hundred Sixteen (116) Feet; NORTHERLY by Lot No. 79 on said plan, Thirty-One and 21/100 (31.21) Feet; EASTERLY by Lot 80 on said plan, One Hundred Twenty-three (123) Feet. Containing 7316 square feet of land. This conveyance is made subject to restrictions of record in so far as the same are now in force and applicable. For my title see deed from Bridgewater Savings Bank to me, dated January 19, 1935, and to be recorded herewith.
Including as part of the realty all portable or sectional buildings at any time placed upon said premises and all furnaces, ranges, heaters, plumbing, gas and electric fixtures, screens, mantels, shades, screen doors, storm doors and windows, oil burners, gas or electric refrigerators and all other fixtures of whatever kind and nature at present or hereafter installed in or on the granted premises in any manner which renders such articles usable in connection therewith so far as the same are or can be by agreement of parties, be made a part of the realty." Said premises will be sold subject to all unpaid taxes, tax titles, water liens, and other municipal liens or assessments, if any there be.

Terms of sale: Four hundred Dollars cash to be paid by the purchaser at the time and place of sale; terms of payment of balance will be made at time and place of sale.

WHITNEY-HALL

A wedding of interest to her many Auburndale friends was that of Miss Adeline Hall, daughter of Mr. and Mrs. Roscoe V. Hall of Auburn st., to Mr. Irving Whitney at Gray, Me., last Monday. The Rev. Mr. Olson of that town officiated. The bride was attended by her sister, Miss Verna Hall, Mr. and Mrs. Whitney will spend the summer at Gloucester, Me., and will then take up their residence in Gray.

EDISON reminded Westinghouse that New Englanders are thrifty — and asked them to utilize the space at the bottom of the refrigerator. So Westinghouse added a drawer at the bottom, for storing vegetables! And, to add further value, they included a crisping pan, thermometer, interior light, a lovely green moonstone chilling tray, and a closed-in ice compartment holding 124 ice cubes! The hermetically-sealed mechanism is permanently oiled, and protected with a five-year warranty against mechanical failure. New low operating costs proved by actual tests.

OUR LADY'S TOPS NEWTON TWI LEAGUE

Our Lady's are definitely in as champions of the Senior circuit. The other play off berth will be determined tonight in games to be played between Our Lady's and the Giants and Independents vs. Y. M. C. A. If the Giants win or tie they will gain the second play off position.
Boys Club eked out a victory over Cabot in their final meeting of the season to go into a tie with the Pals for the Junior circuit championship. This game was well played and won by the narrowest of margins. The playoff for the Junior championship between Pals and Boys Club will be held tonight (Friday) at 6:15 at Victory Field.

The first game in the City Championship series will be played at West Newton Common if Giants win second place and at Cabot if Independents win second place on Sunday afternoon at 3:00 o'clock. The second game will be at Victory Field, Monday at 6:00 o'clock and if a third is necessary it will be played at the home grounds of the second place winner of the Senior circuit. The first game of the final series will be played Wednesday at Cabot at 6:00 o'clock and games will be played on following nights and Saturday and Sunday, alternating grounds, until the City Championship is determined. Umpires for the series will be Charlie Bridley, John Lawless and George Simon.

The second game of the series between the Twi League All Stars and the Smart Oil team of the Suburban Twi league will be played at Cabot Park on Saturday afternoon at 3:00 o'clock.

Charlie Gallagher—third baseman for the All Stars has gone to Nova Scotia to play ball for the remainder of the season. His place will be taken by "Tunna" Coakley.

Coach Bridley plans to use "Ace" Bagley in the box. "Ace" by the way is headed for Villanova in the Fall. Watkins will be at short and Joe Herlihy and Jeff Jones will complete the starting infield. Manning, Colantonio, DeRusso, McDermott and Simons will take care of the outfield and "Bullet" Byrnes or Phil Andres will do the receiving.

The boys hope to make it two straight over the Waltham Club but in event of a loss a third game will be played later.

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

CITY PARKS SINGLES TOURNAMENT LAGS

The Newton City playgrounds tennis championship singles tournament is progressing slowly, with five second-round matches reported to date out of thirty-two. Two of the Burr entrants, Paul Rich and Harry Sylvester, have entered the quarter-final round. In their third round victories, Rich defeated Jack Canter 7-5, 6-0, while Harry Sylvester, second seeded player, won from Art Pearson 7-5, 6-4.

Other results: First round: Don Martin defeated F. Houghton 6-0, 6-0; Kersam Chobanian d R. Powell 6-3, 6-0; D. Harrington d W. Yawer 6-3, 7-5; P. Rich d F. Donovan, default; T. O. Sylvester d K. Strum, default; Jack Canter d J. Vaas, 6-0, 6-1; J. Yohannon d J. Morris 2-6, 6-3, 6-4; S. Cummings d D. White 6-1, 6-4; Gordon Kitchin d J. Sawyer 6-2, 6-1; John Byrne d Leo Geary 6-1, 7-5; Phil Segal d C. Donovan, default; R. Morrill d H. Simon 7-5, 10-8; Don Grant d Leo Boyle, default; Harry Sylvester d P. Pike 6-2, 6-0; Bud Naylor d H. Wagner 6-0, 6-4; Les Lawrey d Ralph Hearn 6-2, 6-0.

Second Round: Martin d Chobanian 6-0, 6-0; Rich d Dauten; J. Canter d T. O. Sylvester 6-0, 6-4; Pearson d Hanscom 7-5, 6-0; H. Sylvester d Naylor 6-1, 6-4. Third Round: Rich d Canter 7-5, 6-0; Sylvester d Pearson 7-5, 6-4.

NEWTON INDEPENDENTS PUT ON FINAL DRIVE

The Newton Independents ended their season in the Newton Twilight league last night virtually in a tie for second place with the West Newton Colored Giants, and are turning to the final drive for points in the Twin-County League, which has one more week of play. Jeff Jones had to forfeit a crucial T. C. L. game to the Bemis Cardinals Monday night in order to stay in the tight race for the Newton Twi play-off series, but he has confidence in the ability of the Independents to bear down in the four remaining games of next week.

Twin-County League officials decided to extend the league season long enough to play off all no-decision games, and this move opens the way for the Newtonville club to repeat their winning drive of the first half of the season. The Independents were outscored by Needham last Thursday 10-5 in five innings, but darkness ended the game and saved the day, or the evening, for the Newton team. This game will be replayed a week from Sunday at Needham, ending the league season, and providing a last opportunity for Needham to score a victory over Jeff Jones' club, whom they have been unable to beat all year.

Lose Wild Game at Plymouth
The Independents went to Plymouth last Saturday to substitute for the Clarence A. C. team that was sent from Massachusetts to Wichita, Kansas, for the national semi-pro tourney. They lost to the Plymouth Town Team 11-9 in a wild and wide-open game, with Newton errors accounting amply for the two-run margin Plymouth earned.

Actually, the lead changed four times in five innings. Joe Green and Howard Ferguson led off with home runs in the first inning, and Fergie started the third with a three-bagger, but the Town Team was hitting just as regularly whatever Guido Castoldi tossed up to them. Plymouth had a lead of 8-7 when Castoldi was relieved by Bun Ryan in the fifth inning, and they managed to add two more runs in the sixth and one in the eighth, while the Independents made one run in each of the last two innings.

Win Two In Twi League
The Jones team lost Monday to the Cubs in a Twi-League game by 3-2, but beat the Y. M. C. A. Tuesday by the same score, and humbled the West Newton Colored Giants 8-4 last Friday. As always, the Giants furnished the liveliest action of the week. Phil Green opened the game for the Independents with a first-inning home run, but it was not until the Independents put on a four-run rally in the fourth that the Giants were left behind.

In the fourth, Bert Marrazzo got his third hit, a home run to left center field. Phil Green drew a base on balls, stole second and third, and scored on Jones' single. Ferguson reached first base when Francis Holmes, Giants third baseman, threw wild. Ferguson stole third and went on to score when Holmes lost the ball as the runner slid into the hot corner. Bun Ryan struck out five of the last six Giants to come to the plate.

GAMES NEXT WEEK
Tuesday—Bemis Cardinals at Newtonville.
Wednesday—Wellesley Town Team at Newtonville.
Friday—Independents at Bemis.
Sunday—Independents at Needham.

Annual Swimming Meet Held At Crystal Lake

The annual swimming meet for boys and girls of Newton Playgrounds was held Monday, August 17, at Crystal Lake.

The affair, as in former years, was conducted by the Playground Department with the cooperation of the local chapter of the American Red Cross. Superintendent Ernst Hermann gave a brief talk on the benefits of swimming and particularly life-saving instructions and with the assistance of Mr. Joseph B. Jamieson, Jr., of the local chapter of the American Red Cross, awarded the prizes and congratulated the winners.

S. Leo Hughes was in charge of the meet assisted by Arthur Hovgaard, Charles Bridley, John Donahue, Winthrop Brainard, John B. Dacey and John E. Leary.

The summary:
I—Boys 12 years and under: 1. Jerry Hartigan, 12 years, Burr; 2. Dick Lowry, 12 years, Newton Centre; 3. Robert Martin, 12 years, Boyd.
II—Girls 12 years and under: 1. Betsy McGee, 12 years, Newton Highlands; 2. Betty Connelley, 12 years, Newton Highlands; 3. Joan Carper, 10 years, Waban.
III—Boys 15 years and under, 75 yards: 1. Norman Ross, 15 years, Newtonville; 2. J. Kennedy, 15 years, Allison; 3. Paul Holmes, 14 years, Allison, and J. Martin, 13 years, Allison.
IV—Girls 15 years and under, 75 yards: 1. Betty Cunningham, 15 years, Auburdale; 2. Rosalie Grow, 14 years, Newtonville; 3. Phyllis Pollock, 13 years, Newton Highlands.
V—Boys 16 years and over: 1. Roger Hewitt, 17 years, Crystal Lake; 2. Joe Gergan, 17 years, Newton; 3. Tim Sullivan, 18 years, Newton Centre.
VI—Girls 75 yards, Side Stroke: 1. Evelyn Carroll, 15 years, Newton

"20 DEGREES COOLER INSIDE" at \$765*

HEAD for the mountains if you want to. Pick the lakes, the shore, the cool north woods.

But if you want a *permanent* answer to the problem of keeping cool—you'll go in one of these spirited Buick SPECIALS, and be comfortable all the way!

When it can't find a breeze—it makes one. It won't stutter, stall or get steamed up on the toughest hill or in the hardest going.

It's calm—cool—collected in all its going—takes things easy and lets you do the same.

And it's big enough to provide both leg room and elbow room for all—on hot, stuffy, muggy days there's no sticky

proximity with others to remind you of the heat.

Surest way to keep cool this summer is to choose this sweet-running, quick-stepping, easy-handling Series 40 Buick. When you hear how little one costs, fully equipped and delivered, you'll be hot and bothered till you get one.

*\$765 to \$1045 are the list prices of the new Buicks at Flint, Mich., subject to change without notice. Standard and special accessories groups on all models at extra cost. All Buick prices include safety glass throughout as standard equipment. Ask about the General Motors installment plan.

Many Enjoy WPA Concert at Centre

Over a thousand people enjoyed the open-air concert Tuesday evening, by the Newton WPA Orchestra, at the Newton Centre Playground.

This orchestra is composed of unemployed professional musicians of Newton, conducted by Herman C. Sulzen, a former member of the Boston Symphony Orchestra, and supervised by Albert Webber, former manager of the People's Symphony Orchestra, of Boston.

Most of the players in this orchestra have in the past played in nearly every theatre in Boston, including vaudeville, concert, musical productions, and grand opera.

Supervisor Webber was a member of the new Keith Memorial Orchestra, when that magnificent theatre opened in 1929. Mr. Webber is a World War Veteran, having served as Drum-Major with "Boston's Own" 301st Infantry Regiment. He is a disabled veteran, and was the first Commander of the Rev. Chaplain Farrell Chapter, Disabled American Veterans, of the World War, of Newton, and is a member of Post No. 48, A. L. of Newton.

The next concert by this popular orchestra will be held at the Auburndale Playground, corner of Commonwealth ave. and Islington rd., on Tuesday, August 25, at 6:30 p. m. The program follows:

March, "Washington Post".....Sousa
Overture, "Hungarian Lustspiel".....Kela Bala
Symphony, No. 2 in D Major.....Haydn

Andante
Menuett (Allegro)
Allegro spiritoso

Intermission

Opera Selection, "Hansel and Gretel".....Humperdinck
Waltz, "Blue Danube".....Strauss
Selection (Comic Comedy), "Blossom Time".....Romberg
Star Spangled Banner.....Arnold

Rev. Robert Davis To Preach At Union Services

For the next three Sundays, Aug. 23, 24, and 25, the Union Services of the churches of Newton will be held in the Eliot Church at 10:30 o'clock. The preacher on these three Sundays will be Rev. Robert Davis, Mr. Davis was formerly minister of the First Presbyterian Church of Englewood, N. J., and more recently on the staff of the American Church in Paris. He is the son of the late Dr. William H. Davis, known to many Newton people as the minister of the Eliot Church from 1896 to 1905. At these services Mr. Earl R. Vetter, director of music of the Eliot Church, will be at the organ. Mr. Walter Kidder, baritone, member of the Eliot Church quartet and favorite radio artist, will be the soloist on Aug. 23. A cordial invitation is extended by the Protestant churches of Newton to the general public to attend these services.

Shirley Temple Heads Bill At Paramount

Shirley Temple again wins your heart with laughter, song and tears in her newest hit, "The Poor Little Rich Girl," which opens Sunday at the Newton Paramount for a four-day run. The golden-haired star gives her most delightful performance in this new picture which is enjoyed as much by adults as by children. "The Poor Little Rich Girl" is the absorbing story of little Barbara Barry, whose mother is dead and whose father is too busy making money to take time to play with her. She finally, after much persuasion, gets permission from her father to go away to a boarding school so she can play with the other girls, but just before she is supposed to board the train for school she runs away from her nurse and begins a series of adventures of her own wandering about the busy sidewalks of New York. She is finally picked up by Alice Faye and Jack Haley, who heard her sing, and becomes a member of their radio team. The trio are tremendously successful with their radio program, and it is through this medium that Shirley's father learns of her whereabouts. From this point on the story races to a thrilling and touching climax. Little Shirley Temple is supported by an exceptionally strong cast which includes: Alice Faye, Gloria Stuart, Jack Haley and Michael Whalen. The appropriate companion feature on this program will be Rochelle Hudson and Paul Kelly and featuring Buck, the famous St. Bernard dog last seen with Clark Gable in "The Call of the Wild," in a story of the northland "The Country Beyond."

A second film concerning the exploits of Sophie Lang, international jewel thief and stealer of hearts, drawn from stories penned by Frederick Irving Anderson, comes to the Newton Paramount next Thursday, Friday and Saturday in "The Return of Sophie Lang." The picture presents Gertrude Michael, blonde star who reached stellar heights for the first time in the first Sophie Lang picture. Supporting Miss Michael are Sir Guy Standing, Ray Milland and Elizabeth Patterson. The highly amusing co-feature on this program features Warren William and June Travis in George M. Cohan's famous stage success, "Times Square Playhouse."

Held for Grand Jury On Charge Of Manslaughter

Finding probable cause Judge John C. Lynch in court Tuesday ordered Donato Faricelli, 39, a WPA worker, 17 John st., Newton Centre, held for the grand jury on a charge of manslaughter. The charge grew out of an altercation over a 15 cent gambling debt between Faricelli and Frank Fontecchio, 65, a city employee, of 400 Langley rd., Newton Centre on Sunday, August 9th which resulted in Fontecchio's death. Fontecchio died at the Newton Hospital several hours after the altercation from injuries received when his head struck the ground after a blow in the jaw.

Faricelli testified that he was seated on a bench when Fontecchio approached and knocked his hat off and demanded 15 cents. Faricelli said he replied that Fontecchio owed him 75 cents and that if he gave him that he would give him the 15 cents. He quoted Fontecchio as saying, "If you don't give me the 15 cents I want to fight with you." Faricelli told the court that he then arose and struck Fontecchio in the jaw. The latter fell backwards and struck his head on the ground.

The defendant's story was corroborated in effect by several witnesses, including Fabio Mageri of 384 Langley rd., Nicholas Silverstone of Langley rd., Louis Cioffi of 98 Main st., Watertown and Carlo Arduino of 274 Langley rd.

The witnesses for the government included Medical Examiner Thomas M. Gallagher, who testified that death was due to a cerebral hemorrhage, resulting when the victim's head struck the ground; Sergeant Thomas F. Leehan and Patrolman William H. Dowling, who arrested the defendant, and William F. Leonard, assistant city engineer, who took photographs of the scene. Calling attention to the fact that Faricelli had been unable to obtain \$5,000 bail his attorney requested release after the court had found probable cause. Sergeant Patrick J. King, the police prosecutor, objected, however, and Judge Lynch set \$500 bail. Faricelli furnished the bond and was released.

Water In Charles River At High Level

According to the records of the Metropolitan District Commission, Riverside Station, the water on the Charles at Newton and Waltham is the highest that it has been for the month of August due to the owners of the water rights maintaining a level in agreement with the M. D. C. under a tentative understanding of purchase. In sharp contrast to the records of a year ago when the Charles River usually drained in the flats, canoeing is again popular. In 1931 and again in 1935 it became impossible for the M. D. C. Motor Patrol to function.

With the birth of the Charles River Waterway Association, Inc. last spring, when the water was again fast receding from the river banks, which banded together such organizations as O. Children of Newton, himself an ardent canoeist of by-gone days, stated that the canoeists could again expect to have favorable water for canoeing. President John F. Veader pointed out that many persons who visited the Charles in recent years were probably of the opinion that because of low water, canoeing was no longer to be enjoyed at Riverside. Comptroller Ralph E. Brown stated that the Trustees of Nickerson Field were moved to locate their athletic field in Weston so that students cooped up in stuffy dormitories in the city, might have an opportunity to reach the open spaces with a minimum of expense and time. Boston University maintains a boathouse on the Charles. Inc. said that his organization chose Newton as a location because of other section of the Charles River had as much to offer for the sport as Riverside. Proprietors of the local boathouses stated that business has showed a sharp increase, no doubt due to the activities of the Charles River Waterway Association, Inc. and its affiliated associations. With the now present return of better conditions on the Charles, an increase in the use of canoes is expected.

NEWTON RED CROSS NEWS

Mildred Hanlan and Betty Cunningham of Auburndale won the cups which were offered by the Newton Chapter, American Red Cross for 1st prizes for girls in the Life Saving carries at the Swimming Meet held at Monday at Crystal Lake. Warren Strunge of Newton and Edward Benedict of Newton Highlands won the 1st prizes in the Life Saving carries demonstrated by boys. Mr. Joseph B. Jamieson, Jr., Chapter Treasurer, presented the cups.

Douglas Pope of Newton Centre passed his Junior Life Saving test this week; and Francis Gallagher, also of Newton Centre, renewed his Junior test.

Horseshoe Game Brings Youth To Court

A 20-year old West Newton youth, Sargent Moore of 125 Hicks st., was in court last Friday morning as the result of an argument over a horseshoe pitching contest. He was charged with assault and battery. He was given a suspended sentence of one month in the house of correction and placed on probation. John J. McIver of Curve st., West Newton, the complainant in the case, alleged that Moore struck him in the face the day after the game while they were arguing over their respective ability at the sport.

Chester A. Macomber, 41, of West Medford, pleaded guilty to charges of drunkenness and driving while under the influence of liquor. He was fined \$50 on the latter charge and the drunkenness charge was filed. He was given until Nov. 17 to pay the fine. He was arrested on Aug. 3 by Patrolmen John E. Greene and James S. Gaddard shortly before one o'clock in the morning.

Stephen P. Dillis, 22, of Dorchester, and Edward P. Crane, 20, of Brighton, were fined \$5 each on charges of speeding. George K. Janjanian of North Cambridge, was fined \$5 on a charge of failing to stop before entering a through way.

Upper Falls Playground Holds Exhibition

Exhibitions of dances and handicraft were given at the Upper Falls Playground on Tuesday evening, Aug. 18, by children from the playgrounds at Thompsonville, Newton Highlands, John W. Weeks and Upper Falls. The following Directors presented a varied program: Miss Grace O'Hara, Newton Upper Falls; Mr. Richard Walsh, Thompsonville; Mr. Albert Alvin, Weeks, and Mr. Leo Crowley, Newton Highlands. Mrs. Margaret Hill, director of dancing, assisted by Miss Helen O'Connor were in charge of the exhibition dancing as part of the following program, with Mr. Leo Hughes as Supervisor, and Mr. John Leary, Salute to the Flag, "America," Boys' Games by Thompsonville, and Upper Falls.

Little Girls' Dances by J. W. Weeks entitled "Jack in the Box," Harriet Walz, Spanish dance and Dixie dance. A program was rendered by the "Hill Billies" of Weeks' playground by a group of seven boys from Newton Centre under the leadership of John Hazen. The prize dance was won by Veronica Standish and Theresa Smith of Upper Falls. Second prize went to Loraine Antonucci and Anita Agelone of Thompsonville, and third prize to Mary Cornell and Phyllis Hurd of Upper Falls.

The first prize for Handwork was awarded to Frances Crochell of Weeks' Playground, second prize to Sarah Garribedian of Upper Falls.

Winners of Boys' Prizes in handicraft: 1st prize, Leonard Schivone of Upper Falls; 2nd prize, Louis Angeline of Thompsonville, and 3rd prize, Joseph Dale of Upper Falls. Among the interesting articles exhibited were sewing cabinets, magazine stands, boats, ash trays, wall racks, chairs and many other articles in wood work, while the sewing comprised exhibits in embroidered aprons, pillow tops, dolls' dresses, crochet work and many beautiful pieces of embroidery.

Among the activities exhibited was a Pop Concert by the ERA Orchestra on last Friday evening, with specialty numbers in dancing and swimming and an exhibition of handiwork by Upper Falls Playground.

A Pet Show last Thursday afternoon and Mrs. Ernest Cobb of Richardson rd. entertained the children with a delightful hour of Story Telling. The Upper Falls Playground instructors this year have been Miss O'Hara, Director; Miss O'Neal, Miss Herlihy, Miss Murphy, George Cashman, George Simons and Frank Meehan.

CHRISTIAN SCIENCE

"Mind" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 23.

The Golden Text is: "Great is our Lord, and of great power is his understanding is infinite" (Psalms 147:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now the God of patience and consolation grant you to be like-minded one toward another according to Christ Jesus: that ye may with one mind and one mouth glorify God, even the Father of our Lord Jesus Christ" (Romans 15:5,6).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns. . . . It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent; war will cease and the true brotherhood of man will be established" (pp. 205, 467).

MR. MORGANBILT says:

"If you would keep cool and comfortable during hot weather, and at the same time maintain that well-groomed appearance, keep your hair trimmed and your chin smooth."

ber 573 of 1934, Book 5874 page 576, to
which plan reference is hereby made for
a more full and complete description of
said premises are conveyed subject to
any and all unpaid taxes, tax titles,
municipal liens and assessments if any
there be.

Five hundred dollars to be paid in cash
by the purchaser at the time and place of
sale. Other terms announced at sale.
LOUIS LEVIN,
Mortgagee and present holder.
Aug. 21-28-Sept. 4.

Commonwealth of Massachusetts
Middlesex, ss. Probate Court
To all persons interested in the estate
of

Blanche R. Richardson
late of Newton in said County, deceased.
A petition has been presented to said
Court praying that Edwin H. Richardson
of Newton in said County, be appointed
administrator of said estate, without giv-
ing a surety on his bond.

If you desire to object thereto you
or your attorney should file a written
appearance in said Court at Cambridge
before ten o'clock in the forenoon on the
fourteenth day of September, 1936, the
return day of this citation.

Witness, John C. Leggat, Esquire, First
Judge of said Court, the fourth day of
August in the year one thousand nine
hundred and thirty-six.

MORTGAGEE'S SALE

By virtue and in execution of the power
of sale contained in a certain mortgage
deed given by Rose R. Schwartz to Louis
Levin dated March 26, 1936, recorded with
Middlesex South District Registry of
Deeds in Book 6016 Page 133, for breach
of conditions contained in said mortgage
and for the purpose of foreclosing the
same will be sold at Public Auction on
September 12, 1936, three thirty o'clock
in the afternoon on the premises hereinafter
described in said mortgage to wit:

A certain parcel of land with the build-
ings to be erected thereon situated in
Newton, Middlesex County, Massachu-
setts, on Evelyn Road, formerly called
Beethoven Avenue, and being lot 8 as
shown on a plan dated November 12, 1934,
R. H. Gallagher, C. E., and recorded with
Middlesex South District Registry of
Deeds as plan Number 573 of 1934, Book
5874 page 576, to which plan reference
is hereby made for a more and fully
description of said lot. Said premises
are conveyed subject to any and all unpaid
taxes, tax titles, municipal liens and as-
sessments if any there be, and to the per-
formance of all agreements and conditions
as set forth in a certain construction mortgage
agreement this day entered into by and be-
tween the parties hereto effecting the
hereto effecting the premises described
as aforesaid.

Said premises will be sold also subject
to any unpaid taxes, tax titles, assess-
ments and other Municipal liens if any
there be.

Five hundred dollars in cash will be
required to be paid by the purchaser at
the time and place of sale. Other terms
announced at sale.

By virtue and in execution of the power
of sale contained in a certain mortgage
deed given by Irene L. Silvers to Louis
Levin dated April 3, 1936, and recorded
with Middlesex South District Registry
of Deeds in Book 6019 Page 225, for
breach of conditions contained in said
mortgage and for the purpose of fore-
closing the same will be sold at Public
Auction on September 12, 1936, at 3
o'clock in the afternoon on the premises
hereinafter described in said mortgage
to wit: A certain parcel of land with the
buildings to be erected thereon situated
in Newton, Middlesex County, Massachu-
setts, on Evelyn Road, formerly called
Beethoven Avenue and also on Paulson
Road and being lot 9 as shown on a plan
dated November 12, 1934, R. H. Gallagher,

JUDGE JOHN C. LYNCH

Judge John C. Lynch, special justice of the Newton District Court, was stricken with a heart attack at the close of the court session on Wednesday morning. Dr. Fred M. Lowe was called but the judge had passed away within a few moments after he was taken ill. Medical Examiner Dr. T. M. Gallagher pronounced death due to coronary thrombosis.

Judge Lynch was born in Milford, 62 years ago, the son of Patrick and Johanna Lynch. He was educated in the Milford Schools and graduated from Holy Cross College in 1896. In 1910 he was appointed associate justice of the Southern Worcester county third district court. He also sat on the bench in Dedham, Franklin, Waltham and Newton Courts.

He had been active in local affairs in Milford having served as a member of the school committee for a number of years and was also a former town solicitor. He was a member of the Knights of Columbus and the Milford Lodge of Elks.

Funeral services will be held on Saturday morning at 9 o'clock from his late home, 305 Main street, Milford. A solemn high mass of requiem will be celebrated at St. Mary's Church. Burial will be in St. Mary's Cemetery, Milford.

HOWARD M. NORTH

Howard Manning North of 202 Neholmen rd., Waban, died suddenly on Thursday, August 20. Mr. North who was in his 58th year, was born in Quincy, the son of Mr. and Mrs. William H. North. His father is the president of the Oriental Tea Company of Boston with which company Mr. North has been associated for the past twenty-three years. He attended Worcester Academy and Harvard College, leaving college to go to Berlin to take up the study of surgery but later decided on a business career. Mr. North was a member of and past president of the Luncheon Club of Boston and was a 32nd degree Mason affiliated with Aleppo Temple and had served as district deputy of the first Masonic district of Massachusetts. Funeral services will be held on Saturday afternoon at 2 o'clock in the Second Church in Boston with Rev. Dubois LeFebvre officiating. Burial will be in Mt. Pleasant Cemetery, Quincy. Mr. North is survived by his widow, Mrs. Ethel G. North, a daughter, Miss Natalie North of Waban, a son, William G. North of Beverly Farms, his parents and a sister, Mrs. Edmund F. Clark of New York.

CARL H. KOTHE

Carl H. Kothe of 926 Commonwealth ave., Newton Centre, died suddenly from a heart attack while driving to his summer home in Marshfield on Monday.

Mr. Kothe, who was in his 48th year, was born in Ohio and came to Boston 27 years ago. He was a former district manager of the Credit Clearing House of New England and was connected with a law firm. He was a member of Union Lodge, Royal Arch Chapter of Masons, the St. Omar Commandery, Knights Templars; the Boston Chamber of Commerce, Newton Club and the Newton Methodist Church.

Funeral services were held on Thursday at one o'clock in the Waterman Chapel, 495 Commonwealth ave., Boston. Interment was in the Newton Cemetery.

Mr. Kothe is survived by his widow, Mrs. Blanche (Williams) Kothe, and a daughter, Miss Doris Kothe.

JOHN SMITH

John Smith of 1044 Chestnut st., Upper Falls, passed away at his home after a lingering illness of four years on Tuesday, Aug. 11. Mr. Smith, who was 73 years old, is survived by his wife, Mrs. Margaret K. Smith; a daughter, Miss Claire Smith; a stepson, John Lane of Brookline, and a sister, Mrs. Mary Kenyon of Bradford, Yorkshire, England. Mr. Smith was a member of the Thomas Burnett Camp, United Spanish War Veterans. Funeral services were held from his late home, 1044 Chestnut st., on Friday, Aug. 14th, at 8:30 a. m., followed by a high mass of requiem at the Mary Immaculate of Lourdes Church at 9 a. m., with Rev. Daniel F. Dunn as celebrant. There was a military escort of representatives of the Members of Disabled War Veterans, Spanish War Veterans, and Veterans of Foreign Wars. Burial was in St. Mary's Cemetery, Needham.

ELLEN M. DENNIS

Mrs. Ellen M. Dennis, widow of James Dennis, died on Monday, Aug. 17th, at her late home, 180 Waltham st., West Newton. Mrs. Dennis was in her 81st year. She was born in Southampton, Mass., and had lived in South Boston for 50 years before moving to Newton about three years ago. Funeral services were held from her late home on Wednesday morning. A solemn requiem high mass was celebrated at St. Bernard's Church and burial was in New Calvary Cemetery, Boston. She is survived by two daughters, Miss Helen Dennis of West Newton and Mrs. George Brunnings of Pittsburgh, Pa., and a son, John Dennis, of Braintree.

MARTIN T. KILEEN

Martin T. Kileen of 16 Ware rd., Auburndale, died Thursday at the Newton Hospital after a short illness. He was in his 33rd year. He was born in Boston and was the son of Mrs. Annie Thompson Kileen and the late Thomas Kileen. He was educated in the Boston Schools and has been manager of the Lockhead Dental Laboratories. Funeral services will be held on Saturday morning at eight o'clock from the Thomas J. Lyons funeral home with a requiem high mass at the Corpus Christi Church, Auburndale at 9. He is survived by his widow, Mrs. Evelyn Benoit Kileen, two sons, his mother and a sister, Miss Mabel Kileen, both of Waltham.

SUSAN T. MAGUIRE

Miss Susan T. Maguire died on Friday, Aug. 14th, at her late home, 196 Chapel st., Newton. She was in her 75th year. Funeral services were held on Monday with a solemn requiem high mass at the Church of Our Lady, Newton. Rev. James Fahey was the celebrant; Rev. Thomas Fallon, deacon, and Rev. Russell T. Haley, sub-deacon. Burial was in Calvary Cemetery, Waltham. Miss Maguire is survived by two sisters, Miss Catherine Maguire and Mrs. Rose Costello and a brother, Thomas Maguire.

EDWIN S. NEWDICK

Edwin S. Newdick, who until about a year ago, resided on Mt. Vernon street, West Newton, died suddenly on Sunday evening of a heart attack at his home in Scituate. He was in his 54th year.

Mr. Newdick was a graduate of Dartmouth College, 1905 and the Amos Tuck School of Business Administration. He engaged in newspaper work, and in labor research and statistical work under Professor Fisher of Yale and served on the War Labor Board. For the last three years he has been associated with the Shoe and Allied Craftsmen of Brockton, as economic adviser.

Funeral services were held on Thursday afternoon in the chapel of the Forest Hills Cemetery.

ELLEN E. SPEER

Mrs. Ellen E. Speer, 98, of 198 St. James ave., Springfield, Mass., widow of Joseph T. Speer, died Saturday, August 15th, after a long illness. She was born October 31, 1837, at Henni-ker, N. H., the daughter of Oliver and Eliza (Campbell) Fisher, and had made her home in Springfield for 12 years. She was a member of the Unitarian Church. She is survived by two daughters, Mrs. Charles H. Angell, with whom she made her home, and Mrs. Warren S. Colegrove of Newtonville; three grandsons, Irving and Charles Angell of Springfield, and Theodore Angell of Philadelphia; a granddaughter, Mrs. Rufus Estabrook of Auburndale; four great-grand children, and one sister, Miss Jessie M. Fisher of Newton. The funeral was held at the parlors of the Dickinson-Streeter Company in Springfield. Burial was in Cedar Lawn Cemetery at Passaic, N. J., with services at the grave on Tuesday.

Recent Weddings**MORTON-BASSETT**

Miss Muriel Bassett, daughter of Mr. and Mrs. F. Clifton Bassett of 74 Prescott st., Newtonville, was married to John Augustus Morton, son of Mr. and Mrs. William Morton of West Medford, Mass., on Friday evening, August 14, at the Central Congregational Church, Newtonville. Rev. Randolph Merrill performed the ceremony. The bride was given in marriage by her father.

Miss Carolyn Bassett, sister of the bride, was the maid of honor and Miss Betsy Morton, a niece of the groom, was the flower girl. William Morton, brother of the groom, was the best man. The ushers were William Hunt and Robert Anderson of Boston, Joseph T. Wight of Maine and Leonard C. Bassett, brother of the bride.

On their return from a wedding trip Mr. and Mrs. Morton will reside at 4 Warren terrace, Newton Centre. The bride attended Skidmore College and the groom attended the Massachusetts Institute of Technology and the Harvard School of Business Administration.

REID-BATES

Miss Jane Dustin Bates, daughter of Mr. and Mrs. John D. Bates of West Newton was married to Donald R. Reid, son of Mr. and Mrs. Charles R. Reid of 49 Elm road, Newtonville on Monday, August 17, at the home of her parents, 895 Watertown street. Dr. Ralph Rogers of the Auburndale Congregational Church performed the ceremony. The bride was given in marriage by her father.

She wore a gown of white chiffon and carried yellow roses and larkspur. Her sister, Miss Mary Elizabeth Bates, who was her only attendant, wore green organdy and carried roses and larkspur. Charles R. Reid, father of the groom, was the best man.

On their return from a wedding trip Mr. and Mrs. Reid will reside on Elm rd., Newtonville.

KEARNEY-O'CONNELL

Miss Helen Theresa O'Connell, daughter of Mrs. John Motherway of 4 Margaret rd., Newton Highlands, and Patrick Jeremiah Kearney, son of Mr. and Mrs. Timothy Kearney of 26 Winter st., Arlington, were united in marriage at the rectory of the Mary Immaculate of Lourdes Church on Sunday afternoon, August 16, at 2 o'clock by the Rev. Wm. J. O'Connell.

The bride wore a gown of gray lace with satin coat and carried an old fashioned nosegay. Mr. and Mrs. Kearney left on an auto trip through New York and Washington, D. C. Upon their return they will reside at 1654 Massachusetts ave., Cambridge.

Recent Engagements

Mr. and Mrs. William Deans of Quincy, formerly of Newton, announce the engagement of their daughter Miss Lillian Livezey Deans, to Mr. Ralph Lewis Allen of Newtonville. Miss Deans is a student nurse at the Massachusetts General Hospital. Mr. Allen was graduated from Northeastern University in 1935, and is now with the Wadsworth Howland Company.

At their summer home in Bridgton, Me., Mr. and Mrs. Frank O. Barber of 26 Maple ave., Newton, announce the engagement of their daughter Eloise to the Rev. Albert William Derbyshire of Boston and Greenville, N. H. Miss Barber is at present the Field Captain of the Newton Council of Girl Scouts. For several years she was secretary to the Business and Industrial Department of the Y. W. C. A. in Lowell and Cambridge. She is a graduate of Boston University College of Liberal Arts, Class of 1930 and a member of Gamma Phi Beta.

Mr. Derbyshire is the newly appointed pastor of the Federated Church in Greenville and has held pastorates in Milford, N. H. and Pittsfield, Mass. He is a graduate of Boston University, College of Liberal Arts, Class of 1924 and of Andover-Newton Theological Seminary in 1928. His fraternity is Lambda.

No definite date has been set for the wedding.

Mr. and Mrs. Lawrence Allen of Waban, announce the engagement of their daughter, Miss Helen Stearns Allen, to Lenert W. Henry of Pasadena, California, and Boston, son of Mr. John Henry of Pasadena.

Miss Allen was graduated from Abbot Academy and from Smith College with the class of 1936. She is the sister of Richard M. Allen whose engagement to Miss Virginia Josselyn of Beaver st., Waltham, was recently announced.

Mr. Henry was graduated from the University of California in 1934 and from the Harvard Graduate School of Business Administration in 1936.

Mrs. Charles Newcomb Fitz of Chatham, Mass., has announced the engagement of her daughter, Miss Harriet Jaqueth Fitz, to John Whitton Hutchinson, son of Mr. and Mrs. James Abbott Hutchinson of Valentine st., West Newton.

Investment Bankers

An investment banker does not usually run a private bank; though perhaps it is more accurate to say that an investment banker is not necessarily engaged in private banking. An investment banker is usually understood to be merely one who buys and sells large blocks of securities. Usually, says Literary Digest, he acts solely as an underwriter, buying the whole issue of a given security, and taking his profits from the difference between the buying price and the selling price. He may also buy less than the entire issue.

Thompson To Direct Oak Hill Village Sales**Hill Village Sales**

The rapidly developing interest in Oak Hill Village by those desirous of settling in a community planned by its founders for living at its best has necessitated enlarging its organization.

The further development of the property and the creation of homes of distinction will be carried on by those whose foresight and ability made the Village possible.

The sale of the property will be under the direction of Rupert C. Thompson & Company who on August 1st became the selling agents.

Mr. Thompson, a life long resident of the city, active in its public and civic affairs, and with a successful selling experience, assumes the selling direction of the property with a full realization of his responsibility not only to the present homeowners in the Village but to the new-comers as well.

Few realize the extent of the property and its future possibilities. The property is sufficiently remote for those desiring privacy yet accessible to all conveniences. It is but seven miles from the State House, a fifteen minute drive from Park square, and just off the Worcester Turnpike. Oak Hill Village is a community that was planned, it didn't just happen. The streets are accepted streets, there are some fifty homes occupied, and ten under construction.

A grade school and branch library are being erected and it is expected will be opened in February 1937. The city has acquired a tract of land as large as Boston Common for a Park and Playground. A large parking space and business area has been zoned by the city sufficiently handy to the Village yet wholly apart.

Eighth Union Service At Newtonville Sunday

Continuing the fine spirit of co-operation among a large group of Newtonville and West Newton Churches, the Union Services go into their eighth week next Sunday morning with Dr. Harry P. Dewey of Minneapolis, guest preacher. The subject of his sermon will be "Did It Occur by Chance?"

The mixed quartette of Mrs. L. Ivan Pettys, soprano; Mrs. Dorothy Holmes Clark, alto; Harry R. Rogers, tenor and Albert F. Jackson, bass, directed by R. Lawrence Capon, organist and choirmaster, will present two anthems: "How Goodly Are Thy Tent" by Macfarlane and "O Lord, My Trust is in Thy Mercy" by Hall.

The services during August are being held in the Church of the New Jerusalem on Highland ave. The program of music starts at ten forty-five, followed by the service of worship at eleven. Summer visitors are especially invited to join with the members of the co-operating churches in these meetings.

Rural Free Delivery of Mail Established 1896

Rural free delivery of mail was established on Oct. 1, 1896. Such a service was first officially suggested by Postmaster General John Wanamaker, in his annual report for the fiscal year 1891.

On Jan. 5, 1892, James O'Donnell of Michigan introduced a bill in the House of Representatives authorizing rural mail delivery. His bill carried an appropriation of \$6,000,000. It did not pass. Later Thomas E. Watson, a congressman from Georgia, sponsored a bill which appropriated \$10,000 for experimental rural mail delivery. This was passed by Congress March 3, 1893, and on July 16, 1894, a sum of \$20,000 was appropriated for the same purpose. But the postmaster general did not deem these amounts sufficient for the proper introduction of an experimental service, so they were not used.

On June 9, 1896, the sum of \$10,000, together with the former appropriations of \$30,000, was made available, and the first experimental rural mail delivery service was established on Oct. 1 of that year, simultaneously on three routes—from Charles Town, Virginia and Halltown, all in West Virginia.

The results were so satisfactory that nine months after the establishment of the first routes the service had grown to 82 routes, and by 1902 there were more than 11,000 in operation. On May 1, 1935, the rural delivery routes numbered 35,102.

Candidate For Legislature**NICHOLAS A. LOUMOS**

Mr. Loumos is a candidate for Representative in the 5th Middlesex district. He is a lawyer, was admitted to the bar in 1920, and has offices in Boston. He was formerly public administrator of Middlesex County, appointed by Gov. Allen. He is an officer of the National Order of Ahepa, a member of the Elks, the Boston City Club, the Newton Chamber of Commerce, and the executive committee of the Republic Club of Boston. He resides with his wife and family at 62 Marshall St., Newton Centre.

Stolen Car Is Found in N. Y.

An automobile stolen from a Newton owner at Hampton Beach on Sunday night turned up in Irvington, New York, on Monday night and the thief arrested. The car, owned by Elizabeth G. Shea of 24 Middle st., was taken to Hampton Beach by her brother, John J. Shea, Jr. When he awoke Monday morning the car was gone and a young man residing nearby had also disappeared. Newton police notified Irvington, New York, police informed the Newton department of the finding of the car and the alleged thief.

John H. Turner of 42 Maple st., Newton, reported to the police Monday night that his car was stolen from opposite his home between 9:30 and 10:45 p. m.

The car was found abandoned in Watertown on Tuesday night about eleven o'clock. Mr. Turner reported to the police after examining the car that plumbing tools valued at \$25, a red sweater and a brown cap had been stolen.

An automobile thief was active locally the latter part of last week and police followed his trail from Newtonville to Newton Highlands but lost it after the thief abandoned one stolen car and appropriated another. A roadster, owned by James G. Bruen of 77 Fair Oaks ave., Newtonville, disappeared from its parking place between midnight and 6:30 a. m. and was found about eight o'clock on Roland st., Newton Highlands, by Patrolmen Raymond W. Taffe and J. Frank Morris. At about the same time Anna Drew of 1 Roland st. discovered that her sedan was stolen from its parking place near her home.

The Drew automobile was found abandoned on Bellevue st., late Friday night by Patrolmen Whelan and McGrath.

District Playground Field Days With Races and Many Specialties Close Season

Many Children Participate In Events At Auburndale And Nonantum—Ribbons and Prizes Awarded

The playground field day for Nonantum children of the Stearns, Boyd, Horace Mann, Victory and Hawthorne grounds was held last Friday afternoon. The program of events was directed by Mr. John Dacey, district supervisor. The program was opened by the bugle call of "Reveille," played by James Mason of Horace Mann with the audience standing at attention and saluting the flag at the end of the call. Kindergarten children played several games as an opening exhibition.

Peggy Burke and Leona Bartolomucci of the Stearns playground led a tap dance followed by two folk dances by the little girls. The girls wore colored crepe paper jackets with each playground being dressed in a different color which added to the colorful scene as well as serving as a distinguishing mark. A military tap dance by Dorothy Fitzpatrick of the Hawthorne playground was followed by another tap routine by Mary McIsaac, Rita Holden, Bernadette and Nancy Duggan of Boyd.

The Nonantum Harmonica band played a number of old and new selections and Alfred Colella gave two accordion solos. The boys in the band are Edward Lambert, Norman Jassett, James Coletti, Louis Paulino, Carmen Perna, John Rousseau, and Richard Vedeuco. Miss Phyllis Brown is their instructor.

A Spanish couple folk dance and two more tap dances by Louise DeCaprio and Ann Murphy followed.

A tumbling act by eight boys from twelve to fifteen years of age was one of the highlights of the afternoon. Trained by Mr. Gilbert Champagne the boys did somersaults, difficult handstands and pyramids of all kinds in a clever performance. The group of boys included Joseph Allen, Joseph LaCroix, Ralph Barry, John Martin and James Martin, Paul Holmes, Harold DeWolfe and Wilfred Marchand.

The crew race was won by the Stearns boys with a team comprised

of Jackie LaCroix, Julius Kennedy, Walter Arcese, Paul Leone and Jack Murphy. Victory won the jockey race. Team members were Harold DeWolfe, Joe Allen, Ralph Barry, Ray Gilbert and Donald Barry.

The Stearns team won the finals of the dodge ball contest for girls with Louise Civelli, Dora Lupo, Dolly Kennedy, Josephine Batista, Teresa Tedeschi, Caroline Cotoia, Lily Palmeri and Loretta Delacandra.

In the lion's tail pulling contest which was greatly amusing to the audience the Stearns' boys, Edward Lambert, Jack Murphy, Edward Boudreau, Walter Arcese, Francis Antonellis, Jack LaCroix, Paul Leone, and Julius Kennedy were the victors.

The rope quit catching contest for girls was one of the most exciting of the afternoon's events. Mr. Ernest Hermann, playground director for the city, tossed the rings into a ten foot circle where a girl stood attempting to catch them on her arm. The contest came down to four girls, each of whom had caught five rings without a miss. Dorothy Fitzpatrick, Irene Eno, Mary Sullo, and Catherine Donlon were the finalists and prepared to catch ten quits thrown twice as fast as the preliminary ones. Dorothy Fitzpatrick made a perfect score to win the event with Irene Eno second and Mary Sullo third.

Prizes were awarded by Mr. Hermann and the awards for handicraft given out as follows:

Girls—District winner, Dorothy Fitzpatrick of Hawthorne; Betty Walsh of Victory, second.

By playgrounds—Boyd, Neva Borden, 1st prize; Stearns, 1. Anna Wamboldt; 2. Rose Moreno; Horace Mann, 1. Claire Halloran; 2. Vera Regan; Victory, 1. Anna Bastianelli; 2. Teresa Poirier; Hawthorne, 1. Dorothy Fitzpatrick; 2. Eleanor Leone.

Boys—District winner: 1. James Mason, Boyd; 2. Ralph Barry, Victory; 3. Alfred DeCaprio, Stearns.

By playgrounds—Boyd, Albert Nardin and Timothy Curtin; Victory, Fred Marchand and James LaCroix; Hawthorne, John Russo and Robert O'Connell; Stearns, Edward LaCroix and Edward Casavan; Horace Mann, Louis Cavelli and Ralph Chartier; Bobby Murphy of Boyd and Norman Jassett and Edward Casavan of Stearns won certificates for winning boat races at Crystal Lake.

New Water Main on North Side of City

Will Mean Greater Protection In Case of Fire

The north side of the city will have increased fire protection when the new 12-inch main belt line water supply from Albemarle rd. to Rumford ave. is completed. Water Commissioner Joseph J. Murray announced this week that bids for the contract for furnishing pipe and fittings for the project will be opened at city hall on September first. It is expected the cost of the new water main will be approximately \$58,000 with regular water department employees being given employment on the job.

The proposed main will be just under two miles long and will require about two and a half months to lay. Commissioner Murray stated that the main will be extended to Auburn and Melrose sts., Auburndale although this project will not be undertaken until next year.

The main to be installed this fall will provide a greater volume of water for fire protection. It will be a continuation of the loop that was made from the junction of Jackson rd. and Washington st. to Albemarle and Crafts st. and thence to Brookside ave. and Washington st.

New Well Will Decrease Water Costs

Making Supply Sufficient At Normal Times

The new well to be dug on the upper reservation of the Newton Water Reservation at Needham is planned for the purpose of making the city independent of the Metropolitan water supply according to Water Commissioner Joseph J. Murray. The desirability of such a step is seen in the great savings in cost which will result as the city can produce its own water at about a third of that paid to the Metropolitan District. Mr. Murray points out that the cost of producing a million gallons of water from the Needham reservation is but \$35 against a price of \$115 paid to the Metropolitan District Commission for a similar amount.

During the recent drought the daily consumption of water reached the highest point in the history of the city with a total of something over eleven millions of gallons per day. About one third of this amount was supplied from the Metropolitan water system. With the new well which is being planned it is expected that in normal periods no water will be drawn from the Metropolitan system but that it will be available in case of drought or unusual use of water.

The city water system now includes two dug collecting wells and one long connecting gallery. Commissioner Murray plans to engage a firm of experts to make test borings to determine the best location for the proposed third well. The Board of Aldermen at the last meeting appropriated the sum of \$1,000 for this purpose.

Community Chest Budget Comm. Is Selected

Prepare for Annual Campaign In Fall

The Budget Committee of any community chest has been termed the "heart of the community chest." The "heart" of the Newton Community Chest, Inc., is a strong and steadily beating one. It is made up of community-minded men, who view every problem and every agency from the angle of the well-being of the community as a whole—of the member-agencies of the Chest, of those served by the agencies and of the people who pledge to the Community Chest.

Newton Has Strong Committee

The personnel of the Budget Committee of the local Community Chest are as follows:

Mr. Walter R. Amesbury, Chairman, Treasurer of Lasell Junior College; Mr. Maurice W. Dennison, Sales Manager at Braman Dow & Company; Benjamin J. Bowen, Secretary of New England Tel. & Tel. Company; Charles H. Cobb, President of Filing Equipment Bureau, Inc.; Charles C. Dasey, New England Passenger Manager, Cunard White Star Line; Clarence G. McDavitt, Vice-President, New England Tel. & Tel. Company; Roger Preston, Assistant Treasurer, S. S. Pierce Company; Leverett Saltonstall, Lawyer; Joseph F. Wogan, Assistant Gen. Manager, United Shoe Machinery.

"The Contact-Men"

In order that the fourteen member-agencies shall understand the point of view of the Community Chest and its policies, each man on the Budget Committee is assigned as a contact-man to one or more of those agencies. It also means that the Budget Committee knows and understands completely the social service program of the city as carried on by those agencies. Present assignments are as follows: Mr. Amesbury, Chairman, the Chest Administration Fund; Social Service Index and Council of Social Agencies; Mr. C. G. McDavitt, the Mayor's Relief Committee and the Newton Welfare Bureau; Mr. Joseph Wogan, The Newton Catholic Welfare Committee; Mr. Benjamin Bowen, Newton Hospital and Y. M. C. A.; Mr. Charles H. Cobb, Girl Scout Council and Boy Scout Council; Mr. Roger Preston, All-Newton Music School and the Newton Circle; Mr. Charles C. Dasey, Newton District Nursing Association; Mr. Maurice W. Dennison, Stearns School Center and West Newton Community Centre.

How the Committee Works

Each year, each member-agency submits a complete financial report of its previous financial year, its current year income and outgo, and its estimate for the coming year. All such reports in preparation for 1937 will be submitted by the agencies on September 14th, on a standard annual budget form.

During that and the following week, the Budget Committee will meet almost nightly, giving to each member-agency the time it asks, to consult with agency delegates on the report. A detailed study of each is made, item by item.

Upon the facts and evidence submitted, the Budget Committee determines what each agency needs for 1937 to carry on its work properly and give satisfactory service to the community. It recommends those figures to the Board of Directors of the Community Chest, which will meet on September 29th, to receive that report. Each budget is again checked and the

"Safest" Driver Is Honored At City Hall

Martin To Represent State at N. Y. Convention

George J. Martin, judged last week as the state's "safest driver" was further honored at city hall on Tuesday in the office of Mayor Childs. Mr. Martin, who is a retired manufacturer and a longtime resident of Newton, was congratulated by Mayor Childs on his record of 34 years of driving without an accident and gave him a letter of introduction which he will take with him next week to New York when he attends the "Safe Drivers Motorcad" there on August 31st.

Each state and the District of Columbia will be represented at the convention which is being sponsored by the American Automobile Association. Mr. Martin will represent Massachusetts.

Several gifts from the Boston Automobile Club were presented to Mr. Martin in recognition of his selection as the safest driver. The presentation was made by James F. Cavanaugh, vice-president of the Boston Auto Club, in the presence of Otto Lawton, director, and Howard K. Kirk, acting manager. The gifts included a gold emblem of the A. A. A., a chromium emblem, a blue book of the A. A. A., a log book, and a set of road maps.

Mr. Martin stated that the secret of his success as a driver was that he "always let the other fellow have the right of way." He also revealed that he had written Registrar Frank A. Goodwin, expressing his disapproval of the proposed plan to require new tests for all drivers over 65 years of age. Mr. Martin believes that the age limit should be raised to at least 70 years. He added that he told Mr. Goodwin that the youngsters from 19 to 25 are those who do the most damage and that their licenses ought to be revoked after they have been involved in several accidents.

Sell Bonds At Lowest Interest Rate

The lowest rate of interest for street improvement and water bonds in the history of the city was recorded this week when City Treasurer Francis Newhall awarded loans totaling \$150,000 at an interest rate of one and one half per cent plus .127 premium. The loans consisted of \$100,000 street improvement bonds and \$50,000 water bonds. The Newton Abbe & Co., of Boston was the successful bidder among ten firms submitting offers. The average rate of interest on previous loans of this type has been between two and two and a quarter per cent.

The street improvement loan is for ten years and the water loan is for fifteen years. Among the street improvements which are to be financed by the loan is a new roadway on Grove st. at Newton Lower Falls.

The other firms all offered one and three quarters per cent with varying premium charges. Other bidders were Edward B. Smith Co., Whiting, Weeks & Knowles, Lazard Freres & Co., Burr & Co., Inc., Estabrook & Co., E. H. Rollins & Sons, Inc., Dick and Merle-Smith, First Boston Corporation, and R. L. Day & Co.

Fractures Skull In Bike Accident

William Bomengen, 22, of 144 Robbins st., Waltham, was injured on Sunday afternoon at about 3:30 when the bicycle he was riding struck the curb on Washington st. opposite Lewis st., Newton, throwing him to the street. He was taken to St. Elizabeth's Hospital, Brighton, by a passing motorist. He was found to have a possible fracture of the skull and injuries to his right ear. His name was placed on the danger list.

Camp Frank A. Day Closes 20th Season---Banquet and Presenting Awards Features

Director Hess Awards Camp Cups In Three Divisions To Eckert, Hunting and Richards

Camp Frank A. Day, the Newton Y. M. C. A. Camp for boys at East Brookfield, closed on Wednesday after a most successful season. For 20 years this camp on the shores of Lake Quicumquasit has been growing in popularity and during the 20th season just ended there were but few vacancies at any time in the 140 available places. Director Clyde G. Hess, serving his fourteenth year, and Assistant Director C. Evan Johnson, former Walpole High School teacher-coach who joins the Newton High School faculty this fall, serving his seventh season, were again in charge, assisted by other experienced members of the staff and counselors.

The climax of the season came with the annual Camp Banquet on Tuesday evening when the various awards for athletics and other activities were made. The presentation of the camp cups, highest annual awards, in the three divisions of the camp, were eagerly awaited by the two hundred and ten present at the banquet which included a number of guests and parents. Richard Eckert of Hall ave., Watertown, was awarded the senior cup as the best all-around camper in the seven senior tents. Raymond Hunting, Jr., of Mill st., Newtonville, won the cup in the junior division of 12 tents. In the midlet division of four tents, Albert Richards of Beaumont ave., Newtonville, won the cup. These awards were made by the unanimous vote of the camp council of leaders and were presented to the boys by Director Hess.

The tennis tournaments in the senior and junior divisions were completed on Monday with the final matches being postponed from Saturday because of the rainy weather and wet courts. Jack Walenstein of Brookline won the senior tournament and Stuart Wilson of Whitney rd., Newtonville, the junior tournament. Medals were awarded by Mr. Hess at the banquet.

Camp pillow covers were awarded for those earning five emblems during the camp season to Charles Mallett, Charles Burns, Robert Furman and Earl Lovejoy. Camp letters were presented to Jack Perry and Earl Lovejoy for completing certain requirements as to participation in camp activities. David Ashton was presented the award for dramatic excellence.

Camp banners were awarded to members of the honor tents for the season, the competition being based upon points scored for tent inspection. Tent 7 was the best in the senior tent with banners going to Lester Benjamin and Richard Eckert of Watertown. Ted Humphreys of Newton Highlands, Fred Mulneau of Waban, Jack Walenstein of Brookline, Cliff Wheeler of Newtonville, and Jack Whitman of Belmont. Gale Wisbach of Newtonville was counselor. In the junior camp, Tent 13, George Pitts of Beverly, counselor, was the winner. Boys in this tent were Stephen Ellis of Weston, Richard Harding and H. Mordecai of Newton Centre, Richard Higgins, Raymond Hunting, and Stuart Wilson of Newtonville, Loring Kidder of West Newton, Edwin Martin of Belmont, A. Sundstrom of Forest Hills, Long Island, and Dean Weber of Watertown. Midget Tent 23, with Paul Belle-Fontaine of Wellesley, Francis Blue of Newton, Harold J. Clark, Edward Gerritson, Howard Hatch, and Lawrence Townsend of Waltham, Robert Everett, Lawrence Howe, and Herbert Mayo of Watertown, Lindsay Russell of Needham, Robert Parker of Newton Lower Falls and Gilbert Tibolt of Newtonville, won the honors in that division. Robert Rich of Watertown was counselor and Marvin B. Perry, of Newton, companion counselor of this tent.

Robert Fettes of Needham and David Ashton of Somerville won the prize in the senior treasure hunt. Harold Marr and Ralph Ellis, both of Newton Highlands, in the junior treasure hunt, and Gilbert Tibolt of Newtonville and Francis Blue of Newton in the midlet treasure hunt.

Ribbons were awarded the champions of the various teams in the three divisions.

Robert Fettes of Needham and David Ashton of Somerville won the prize in the senior treasure hunt. Harold Marr and Ralph Ellis, both of Newton Highlands, in the junior treasure hunt, and Gilbert Tibolt of Newtonville and Francis Blue of Newton in the midlet treasure hunt.

Ribbons were awarded the champions of the various teams in the three divisions.

The broken limb of a pear tree struck the head of 11-year old Mary D. Melsaac of 51 Gardner st., Monday afternoon, fracturing her skull and necessitating her removal to the Waltham hospital. The girl and several playmates were picking pears in a yard on Fayette place when the limb was accidentally broken off by a boy who had climbed the tree with a companion to shake the pears off. He managed to grasp another limb and save himself from falling.

The Melsaac girl and several other children were picking the pears when the limb broke and fell on the girl while her companions fled to safety. She is the daughter of Mr. and Mrs. Leo F. Melsaac and is a talented dancer having won several prizes at the playground field days recently. She is a student at the Our Lady School.

THE SERVANT, NOT THE MASTER

Governor Landon is reducing the coming campaign to a simplicity which should be readily understandable to most citizens. In his radio address this week the Republican candidate for President has shown a distinct improvement over his earlier speeches. Speaking of the right of free inquiry as one of the essentials of free government, he points out the fact that both at home and abroad men are striving for power through leadership of the mob. The essence of Democracy is the government by servants and not by masters. The traditions of American government are built upon the fact that elected officials are but servants of the people and not their masters. Once these officials feel that they are rulers instead of servants their attitude cannot help but change. The threats of dictatorship and fascism become imminent. When those in office return to the position of servants instead of rulers the American people will no longer be faced with the undermining of democratic government.

MASSACHUSETTS' "SAFEST DRIVER"

Newton is proud of the distinction which has come to it in the form of the selection of George J. Martin as Massachusetts' "safest" automobile driver. In competition with two hundred drivers throughout the state Mr. Martin's achievement of driving 335,000 miles in 34 years stands out. And the secret of success, according to Mr. Martin is "always let the other fellow have the right of way." That is sound advice which all drivers should heed, but many will not. Human nature being what it is we will always have those who think that the world and everything in it is theirs.

Budget Comm. Is Chosen

(Continued from page 1)

final total, plus a shrinkage allowance for uncollectable pledges makes the 1936 Campaign goal for 1937 funds.

Monthly Check-up

As during the past year, the Budget Committee will continue to hold monthly meetings to check over and study the monthly financial statement and service report, the latter telling of its accomplishments during the previous month, which is submitted on the fifteenth of each month by the agencies on a standard report form. Each agency is thus not only considered once each year when its request for funds for the coming year is made, but the Budget Committee knows every month exactly what is going on in the Chest itself and among its member-agencies. With the cooperation of agency-governing groups, and staffs, this group of men and their work with the final check and approval by the Board of Directors of the Community Chest assure each member-agency of fair and understanding cooperation; the people with whom the agencies deal of adequate and satisfactory service; the subscribers to the Community Chest, of the double guarantee of getting a dollar's worth out of every dollar they give and a social service program to meet Newton's needs.

Flower Show at Newtonville

The annual flower show of the Newtonville Garden Club and the Conservation Committee of the Newtonville Woman's Club will be held September 15. There are many classes open to the general public as well as the Garden Club and the Woman's Club and it is hoped the usual interest will be shown.

Among the classes are: Class IV—Men's Class, Gift for a friend, a fruit and vegetables, b. flowers. Judged for: 1. Decorative effect, 2. Horticultural achievement.

Class VIII—Potted plants, a. Best group of three (pots not to exceed five inches), b. best single (pot not less than six inches).

Class II—Marigolds (other than Calendula (to be grown by exhibitor)). It is expected that many will wish to compete in Class VI—Dining Table Arrangements for special occasions. Every hostess can recall some arrangement that was especially admired by her guests. This may have been arranged for a national holiday, an anniversary or other special occasion. The space allowed will be 22x35 inches and will be judged for suitability and originality. The class is open to the public.

Posters and schedules with the lists of class chairmen will soon be posted about town.

Taxpayer's Riddle Box

Q.: Why are taxes so high and so numerous?

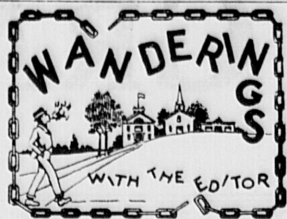

A.: Because the New Deal policy calls for so much spending that the Federal government from March 4, 1933 to June 30, 1936 paid out the fantastic total of 25 billion dollars.

Q.: Was all that money raised by taxes?

A.: Oh, no! Despite the back-breaking burden of taxation, the New Deal administration is spending \$2.12 for every dollar brought in by the tax collector. IF THE NEW DEAL IS CONTINUED THE BURDEN WILL CONTINUE TO GROW.

Q.: Where does that other \$1.12 come from?

A.: By borrowing against the credit of the United States. While spending billions of dollars of borrowed money may create a temporary appearance of prosperity, we and our children, as taxpayers, will have to pay the bill. FOR EVERY SINGLE DOLLAR SPENT UNDER THE NEW DEAL WE WILL HAVE TO PAY BACK TWO DOLLARS!

The Governor's Council of the State of Maine recently honored two Newtonville youths by making them Maine Junior Guides. While the award is purely honorary the boys have been promised a week's trip with a game warden if they return to Maine next summer. The boys are Daniel Needham, Jr., 14, son of General and Mrs. Daniel Needham of Whittier road, and William Paine, 15, son of Mrs. W. Wellington Paine of Sheffield rd. During the summer they have been at Camp Abenakis, in South China, Me. The idea of creating Maine Junior Guides was instituted some time ago and was supposed to have been taken up by the boys' camps throughout the state. When the boys arrived at the State Capitol in Augusta they were the only ones present. They were given certificates signed by Governor Brann by the Commissioner of Fish and Game. An examination was held during a seven-day canoe trip through the Belgrade Lakes which included work on campcraft, woodcraft, canoeing and cooking. They also had to be Junior Life Savers. Both boys are students at Newton High School, Mr. Frederick A. Hussey, a member of the Newton High School faculty, is owner and director of Camp Abenakis.

A new method of thumbing rides which probably will not be extremely successful has been reported to the police. An autoist on the Worcester turnpike the other day was approaching a green traffic light when he noticed a boy push the control button which turns on the red and yellow lights for pedestrians. Stopping to wait for the green light to proceed again the driver of the car was surprised to see the boy approach and solicit a ride.

The Newton Legion Guards won second place in the competitive drill at the state convention of the Legion at Springfield last Saturday. They were defeated for first place by the crack Wollaston Post team by less than half of one per cent. The Swampscott team placed third and the Wollaston team fourth. Following the drill the Newton guards sent a telegram to their captain, George F. Hennrikus, who is convalescing from an operation in the Newton Hospital. Lieutenant Joseph Ward led the team which has been working hard all year to attain the perfection which marks the Wollaston team as a consistent winner. Last year the Newton team finished third. The winning of second place brought a cash prize of \$40.

Newton Post was represented by a large delegation in the convention parade which was witnessed by some 200,000 spectators. The Newton delegation was led by Commander Charles E. Walker. In the line of march were the Newton Post Band, the drill team and many members, including Past Commanders Edmunds, Henderson and Barry and Speaker Leverett Saltonstall.

On the convention floor Newton was also prominent. Past Commander R. John Henderson was nominated as a candidate for state historian by Commander Walker and seconded by Comrade Frank Ring of the Waltham Post. He was defeated for the office by Past Commander Thomas Quinn of Cambridge Post. Senior Vice-Commander Leon H. Moyer of Newton Post served as vice-chairman of the Middlesex County Caucus. Commander Walker was appointed District Commander by County Commander Michael Kelliher of Cambridge Post as the latter's first official act following his election.

Several Newton citizens, who are members of the Boston Rotary Club, are acting as hosts to a group of twenty-four English girls who have been brought to America by the International Friendship League. The trip is a return visit for several made by American girls and boys to England during past summers and an elaborate program has been planned for them in the week they are in this section of the country. They will be in the United States about a month arriving in New York on Monday on the S.S. Queen Mary and coming to Boston Monday night. The girls, then, will have expressed a desire to see Indians in full war regalia, a cowboy band, a broncho and to eat Boston baked beans as well as to see Plymouth, Cape Cod, Niagara Falls, the Great Lakes and other places of which they have heard a great deal. The Newton homes where they are staying while near Boston include those of Louis F. Bachrach of 128 Highland st., West Newton; Krickel K. Carich of 68 Chester st., Newton Highlands; Francis J. Plagg of 54 Oakwood rd., Newtonville, and Thomas F. Murray of 584 Centre st., Newton.

The Boston Traveler the other day ran an interesting picture of a huge watermelon, weighing 135 pounds, which was received Monday by Archie A. Rogers of 79 Colbert rd., West Newton, at his Boston office. The melon was the gift of Mr. Rogers' father, Colonel Albert A. Rogers of Hope, Arkansas. The picture showed the melon being cut by an office employee with a carpenter's saw, while Mr. Rogers looked on. Mr. Rogers stated that his father paid \$20.95 express charges.

In the report of the Massachusetts Safety Council for the month of July the city of Newton shows a marked improvement in its automobile record. Although the automobile fatalities in the state last month increased from 58 to 61 over the same month in 1935 the larger cities had a better accident experience. Newton and Brockton lead Class 2 which includes the cities from 50,000 to 100,000 pop-

ulation in accident "points". The standing is based on improvement over an average of three years, plus the rate on population and the points are computed on the number of collisions in which people are injured and not upon the number of persons injured. In the group of cities mentioned there were fewer fatalities than in June but the number of persons injured increased from 488 to 519.

Newton's record in July showed one fatality and 42 injuries. Twenty-eight points were scored to give Newton a 22.8% change for the better in the last seven months over a 3-year average.

The new city garage on Crafts st., Newtonville, has been completed and will soon be accepted by the city. The new garage is one of the most completely equipped plants of its type in the state. An unusual feature, designed to protect the health of workers, is the installation of fans to keep the building free of carbon monoxide gas from the exhausts of the garage and in the repair shop. The project was carried out under the PWA and the cost approximates \$63,000. The city received a grant of about \$23,000 from the Federal government towards the cost of the project.

Recent Weddings

SHEPARD—JOWETT

Miss Mary Jowett, daughter of Mrs. Clara Jowett of Newton Upper Falls and Lloyd Francis Shepard of Syracuse, New York were united in marriage on Wednesday evening at eight o'clock in the First Methodist Episcopal Church, Newton Upper Falls, Rev. G. Vaughan Shedd, pastor of the church officiated assisted by a brother-in-law of the bride, Rev. Gordon S. Kenison of Tewksbury who administered the sacrament of the Holy Communion to the couple.

The double ring ceremony was solemnized before an altar banked with palms, flowers appropriate for the season, and lighted with candles. The bride wore a gown of white satin with a lace jacket and cap-sheer veil of tulle trimmed with seeds of pearl. She carried a shower bouquet of bride's roses and bonvardier and was given in marriage by her brother-in-law, J. Alfred Haigh of Wellesley.

The matron of honor, Mrs. J. Alfred Haigh of Wellesley, a sister of the bride, wore a gown of orchid chiffon. Miss Ruth Shaw of Belmont was the maid of honor. She wore a gown of chiffon of contrasting shade to the matron of honor. The bridesmaids were Mrs. Gordon S. Kenison, an elder sister of the bride of Tewksbury, Mrs. Earl Atkinson, a younger sister of Newton Upper Falls; Miss Alberta Smith of Dorchester and Mrs. Ralph Bradshaw of Quincy. They were gowned in chiffon dresses with tulle jackets of pastel shades with shoes to match, and carried old fashioned colonial bouquets.

The groom was attended by his brother, Homer Shepard of Cazenovia, New York. The ushers were Earl Atkinson of Newton Upper Falls; Benjamin King, a brother-in-law of the groom; Rev. Clytus Mowry and Rev. Charles Williams all of New York State.

A reception was held in the church vestry following the ceremony. Mrs. Benjamin King, sister of the groom, sang "Because," "At Dawning," and "I Love You Truly." Mr. Allan D. Fraser, Minister of Music of the First M. E. Church, Newton Upper Falls, played "In a Monastery Garden," and "Oh Promise Me," on the violin accompanied by Miss Margaret Hartshorn at the organ.

The bride is a graduate of the Newton High School and is a member of the National Honorary Society. She has been very active in the life of the church holding office in various capacities. The groom is a graduate of Syracuse University and is now a student at the Boston University School of Theology.

After a short honeymoon Mr. and Mrs. Shepard will reside in Boston.

BROCKLESBY—MAHONEY

Miss Mary Mahoney, daughter of Mr. and Mrs. Timothy Mahoney of 71 Highland ave., Cambridge was married to John F. Brocklesby, son of Mrs. Julia Brocklesby of 18 Murray ter., West Newton on Saturday afternoon, August 15 in St. Mary's Church, Cambridge. Rev. Fr. Burke performed the ceremony.

The bride was attended by her sister, Miss Helen Mahoney as maid of honor and the best man was William H. Brocklesby, brother of the groom, of Waltham.

A reception for the immediate families was held at the Hotel Westminster, Boston.

Mr. and Mrs. Brocklesby went to New York and Atlantic City on their wedding trip and are now residing at 35 Rowe st., Auburndale.

The bride is a graduate of the Cambridge High School. The groom attended Newton High School and is in the employ of the Middlesex and Boston Street Railway.

NORRIS—CROWLEY

Miss Helen Marie Crowley, daughter of Mr. and Mrs. Timothy Crowley of 209 Derby st., West Newton, was married to Thomas Norris of Holyoke, Mass., on Sunday afternoon, August 23, in St. Bernard's Church, West Newton. Rev. Fr. Wm. T. A. O'Brien performed the ceremony.

The bride wore a gown of white satin and a veil of tulle and carried a shower bouquet of white roses and lilies of the valley. She was attended by her sister, Miss Marie Crowley who wore a gown of aqua marine chiffon, a hat of green horsehair and carried pink roses and baby's breath. John Norris was the best man.

A reception was held at the home of the bride's parents.

COTTER—McMURTRY

Miss Elizabeth McMurry of Brighton and Paul J. Cotter, formerly of Newton, were married at St. Columbkille's Church in Brighton on Monday morning, August 24, Bishop Desmond of Alexandria, Louisiana, celebrated the nuptial mass, assisted by Reverend Father Silva, and Reverend Jerome P. Gill of St. Clements, Somerville, who is a cousin of the groom. Mrs. Leo Hughes of Jersey City, sister of the bride, was matron of honor, and George Mastaglio of New York City, a friend and classmate of the groom's, served as best man.

The bride is a graduate of Boston Teacher's College and has taught in the Boston schools for some time.

The groom attended Niagara University and is a graduate of Boston University and Boston University Law School. He was admitted to the Massachusetts Bar Association in 1930, and practiced law in Boston for a number of years. He is at present connected with government service and located in New York City.

Guests at the reception and breakfast which were held at the Hotel Sheraton, included Mr. Albert McMurry, father of the bride, her aunts, Mrs. Murphy and Mrs. McMurry of Brighton, the groom's mother Mrs. James Cotter of New York and his sisters, Anis and Elizabeth; his aunt, Mrs. Elizabeth Gill of Newton and her family, with whom Mr. Cotter made his home while he resided in Newton.

After their wedding trip Mr. and Mrs. Cotter will make their home in New York City.

PICONE—LAWRENCE

Miss Olive Mira Lawrence, daughter of Mr. and Mrs. George O. Lawrence was married to Stephen Picone, son of Mr. and Mrs. Frank A. Picone, of Newton Highlands at 9 o'clock Wednesday morning, August 19th, in St. Paul's Episcopal Church, Newton Highlands. The Rev. Charles O. Farrar, rector of the Parish, performed the ceremony. As the bride party approached the altar Mrs. John F. Westrel sang "O Perfect Love." Music was furnished by George Russell Lourd, organist of the parish.

In back of the lights on the altar were deep pink gladioli and the candleabra down the center aisle were wound with asparagus fern.

The bride's gown was of white silk lace with a silk net veil and she carried a white prayer book. The bridesmaids, Misses Esme and Joan Lawrence, sisters of the bride, wore gowns and hats of pink silk lace, and carried pink gladioli.

Joseph Picone, brother of the bridegroom, was best man, and the ushers were Leslie and Robert Lawrence, brothers of the bride.

A wedding breakfast was served in the garden of the bride's parents, Mr. and Mrs. George O. Lawrence at 3 Cannon st. The bride and groom left immediately for a two weeks' vacation in Maine. On their return they will live on Centre st., Newton Highlands.

WENTWORTH—WILLARD

Miss Virginia Willard, daughter of Mr. and Mrs. John Artemas Willard of 5 Byfield rd., Waban, was married to Nathan Henry Wentworth of Paris, France, son of Mr. and Mrs. Henry A. Wentworth of 21 Woodland rd., Auburndale, at four thirty o'clock on Saturday afternoon, August 22nd, at the Pilgrim Church in Duxbury, Mass. Rev. Gordon L. King performed the ceremony. The bride was given in marriage by her father.

Her wedding gown was of white satin on princess lines with a yoke of Brussels lace. Her tulle veil fell from a cap of Brussels lace with a small coronet and she carried a shower bouquet of white roses and lilies of the valley. Miss Elizabeth Willard, sister of the bride, was the maid of honor. Her gown was of periwinkle blue chiffon and her hat of natural color leghorn trimmed with white velvet. The bridesmaids were Miss Marion Willard, another sister of the bride, Miss Grace H. Wyeth of Brookline and Miss Priscilla B. Gibbs of Newton Highlands. They wore gowns of yellow chiffon and leghorn hats and carried tulle bouquets of white roses and blue delphinium.

Vincent E. Wentworth, brother of the groom, was the best man. The ushers were Gordon E. Wentworth, brother of the groom, Thomas Foss of Auburndale, Robert Harrison of Montclair, New Jersey and John McCintock of New York.

A reception was held at the summer home of the bride's parents immediately following the ceremony.

Mr. and Mrs. Wentworth will sail on August 8 on the S. S. Washington for Europe. They will make their home in Paris.

The bride is a graduate of Vassar College, class of 1932 and the groom of Dartmouth in the same year. He is a member of Phi Beta Kappa and Phi Kappa Psi fraternities.

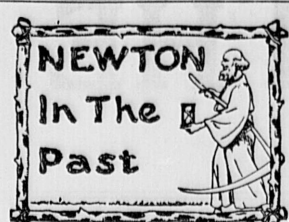

HOGARTH—ALLEN

Miss Grace Weston Allen, daughter of Mr. and Mrs. J. Weston Allen of 215 Lake avenue, Newton Highlands, was married to William Davis Hogarth, son of Mrs. D. G. Hogarth of St. Giles, Oxford, England, and the late Professor Hogarth, at two-thirty o'clock on Saturday afternoon, August 22nd, in All Saints Church, Lindfield, Sussex, England. Following the ceremony a reception was held at the home of Mr. and Mrs. G. F. C. J. C. Hughes, formerly of New York, at their home "Tayward Heath" in Sussex.

On their return from a wedding trip through the Swiss Alps, Mr. and Mrs. Hogarth will reside at 4A Tantden Hill Garden, London.

The bride is a graduate of Vassar College and took a post graduate course in art at Yale. For several years she was editor of Junior books for the Oxford University Press and is now engaged in similar work in London. Mr. Hogarth is a graduate of Balliol College at Oxford.

VOTE SEPT. 15th

60 YEARS AGO

Newton Republican, August 26, 1876

Superintendent of Schools H. M. Willard resigns to accept the position of principal at the new Vermont Academy at Saxton's River. Mr. E. Blakelee, a member of the School Committee, resigned because of removal from the city. New teachers confirmed by the committee were Mr. Harwood of Fall River as Master of the Mason School, Miss E. L. Lunt as a teacher in the Mason School and Miss Lizzie Smith as teacher in the Hyde School.

There was a trial of the Bangor Extension Ladder for firemen at Eliot Block, Monday evening. This ladder is 35 feet long, with an extension of the same length, moving freely up or down by a crank firmly fastened and safe for any needful weight. The trial resulted in general satisfaction.

Alderman G. D. Gilman and family are recreating at the seaside.

The dog owners have paid nearly every license due. Officer Davis has kept close watch of the canines, and not one delinquent will escape.

CITY OF NEWTON

Sidewalk Curbing

Newton, June 24, 1876.

All persons who have had curbing put down by the City are hereby notified that the same will be removed unless paid for within thirty days from date.

Per order Highway Committee, A. R. CARTER, Supt. of Streets.

50 YEARS AGO

Newton Graphic, August 28, 1886

The steam roller is now at work on Waverley avenue, near Washington street and that portion of the avenue is evidently to be made as smooth as the street department can make it.

This part of Newton (Newton Corner) is rapidly losing its suburban character. As land becomes more valuable, owners divide their lots and build between houses that 25 years ago were thought to be crowded. The time is probably not far distant when every 100-foot lot will be divided and a new house sandwiched in.

Arrangements for evening baths, with suitable illumination, can be made. Tickets for sale at the apothecaries and on the premises.

Newtonville Item — Capt. Asa R. Trowbridge, wife and daughter are rusticiating at Onset Bay.

Auburndale people are rejoicing over the commencement of the tunnel and the great convenience it will prove when completed.

A "small boy," who was found in a peach orchard, recently, suddenly found himself in the "lock-up" for a few hours, and was only released by giving bail in the form of returning with his comrade. The two have not put in an appearance either at the above-named place or the scene of their former depredations. "Small boys," please take notice.

Mr. J. Q. Adams, on Grove st., has in front of his tasteful cottage a remarkable display of General Grant geraniums, planted in the form of a cross. There are a hundred and ten flourishing plants on which can often be counted three or four hundred brilliant scarlet blossoms.

There was a white frost on the Newton Centre meadows on Wednesday morning.

25 YEARS AGO

Newton Graphic, August 25, 1911

During a severe thunder storm lightning struck the northwest pinnacle of the Newton Bank Building in Nonantum square, tearing off a few feet of the roof tiling. A second bolt struck a trolley wire on Washington st., West Newton and passed down through an eastbound car. Passengers were badly frightened but no damage ensued.

Water Commissioner Whitney has awarded the contract for building the new supply well on the Needham side of the Charles River to T. Stuart & Sons Co. The well is expected to add over a million gallons of water a day to the supply of the city.

Miss Gertrude Flanagan of Walnut park won two blue ribbons at the Nantucket county fair horse show.

From the annual health report—1031 cows are owned and kept in the city and milk is received from 64 dairies outside of Newton. The yearly supply of milk and cream delivered in New-

ton is estimated at over three-quarters of a million dollars.

The new organ, the gift of Arthur F. Lake, has been installed in the First Unitarian Church of West Newton and will be tuned next week.

Editorial—The recommendation of the board of health that a proper bathhouse should be erected on the shores of Crystal Lake is a matter that deserves serious consideration from our city government. The local improvement societies of Newton Centre and Newton Highlands have a good field here for immediate service. Over 11,000 persons using the present crude affair shows that there is a strong popular demand for better accommodations.

10 YEARS AGO

Newton Graphic, August 27, 1926

The first section of water mains to be cleaned by the new scraping method was started Monday night when 4000 feet of a 20-inch main from Ward and Hammond sts. to Ward and Centre sts. was made ready. It took the machine about twelve minutes to go through the pipe, scraping off the incrustation as it progressed. Wednesday night a three-mile stretch was cleaned in about an hour.

Wind caused ten canoes on the Charles River to tip over on Sunday afternoon. Two canoeists were rescued by Patrolman Arthur Cadigan while the others reached shore unassisted.

No session of the court was held on Monday as no arrests were made. Cases were to be tried.

The new Packard police ambulance was put into service. In appearance it resembles a bank car with its heavily protected windows. The body was especially designed and has facilities for carrying three persons.

Gasoline filling station permits kept the Aldermen busy on Wednesday evening. Five permits for stations in various sections of the city were granted. Hearings on five other stations were held with one objector remarking that Newton would soon be known as the "Gas City" instead of the Garden City.

Recent Engagements

Mrs. Clifton N. Smith of Wellesley Hills, announces the engagement of her daughter, Elizabeth Evelyn, to Frederick Ernest Munday, son of Mr. and Mrs. Ernest F. Munday of Waban.

Mr. and Mrs. Laurence Allen of Plainfield st., Waban, have announced the engagement of their daughter, Miss Helen Stearns Allen, to Lenert W. Henry, of Pasadena, California, and Boston. Miss Allen was graduated from Abbott Academy and from Smith College with the class of 1936. Mr. Henry, who is the son of Mr. John Henry of Pasadena, is a graduate of the University of California, 1934, and of Harvard Graduate School of Business Administration, 1936.

Mr. and Mrs. Frank O. Barber of 26 Maple ave., Newton, have announced the engagement of their daughter, Miss Eloise Barber to Rev. Albert William Derbyshire of Boston and Greenville, New Hampshire.

Dr. and Mrs. Fred Colfax Smith of 46 Morton st., Newton Centre, have announced the engagement of their daughter, Miss Christine Smith, to Mark Wolf of Worcester, Mass. Miss Smith was graduated from Simpson college in 1935 and has recently returned from France where she spent a year in study at the University of Lille. She is a member of Pi Beta Phi sorority. In September Miss Smith will go to Knoxville, Tennessee, with her parents where Dr. Smith is to be dean of the University of Tennessee. Mr. Wolf is a graduate of the School of Engineering of Cornell University in 1931. He is connected with the American Steel and Wire Company of Worcester.

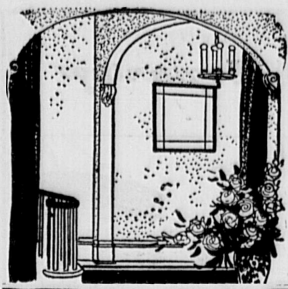

Mrs. Clifton N. Smith of Wellesley has announced the engagement of her daughter, Miss Elizabeth Evelyn Smith, to Frederick Ernest Munday, son of Mr. and Mrs. Ernest F. Munday of 1947 Beacon st., Waban.

Kiwanians Give Young Cripples Park Outing

Thirty children, crippled patients at the New England Peabody Home for Crippled Children at Oak Hill, were given an outing at Norumbega Park on Monday afternoon. The outing was sponsored by the Newton Kiwanis Club whose members transported the children to the park in their automobiles. The youngsters ranged in age from six to thirteen years.

At the park a special performance of the Bryan Brothers circus of fifty trained animals was presented. They were also given free rides on the merry-go-round and were permitted to enjoy other amusement features. Each child also received refreshments. The committee in charge of the outing was comprised of Wilfred Chagnon, chairman, James Riggs, Archie Clair, Archibald Bellinger, and Charles A. Mahoney.

Newton Girls Return From Camps Anawan and Quanset

Camp Anawan in Meredith, N. H., Marion E. Riley director, closed its twenty-fourth season on Wednesday of this week.

This camp is very popular with Newton people. Among the counselors who returned after the summer at Anawan were: Mr. and Mrs. Carl L. Swan, Mrs. A. L. Dickinson, Miss Carol Bettinger, Miss Cynthia Steltz, Miss Betty Marvin.

Newton girls returning from a summer at Anawan are: Janice Ball, Carolyn Coleman, Virginia Coleman, Barbara Haug, Doris Haywood, Nathalie Needham, Janet Merrill, Doris Mergendahl, Winifred Mergendahl, Barbara Swan, Virginia Warren, Virginia Whitcomb, Gretchen Fuller, Jayne Jewett.

Newton girls returning from Quanset Sailings Camps for Girls at South Orleans, Massachusetts are the Misses Priscilla Allen, Barbara Burnham, Margaret, Phyllis, and Doris Carter; Eleanor Chase, Olive Gallupe, and Lois Rockwood. Miss Rockwood, who has been active in sailing at the camp for some years, was an instructor this year and a skipper in the weekly open races sponsored by the Quanset Yacht Club.

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

NEWTON TWI LEAGUE

The annual banquet of Newton Twilight League will be held at City Hall Cafeteria, Tuesday evening, September 15th. Chairman Barwise has invited a list of City and State notables including his honor, Mayor Edwin O. Childs. Several members of the Boston Bees will be present and also members of the Boston Redskins Football team. The affair this year will not be stag but accommodations will be limited to 200 persons. Tickets will be \$1.00 and may be purchased from managers of Twilight League teams or at the Playground Office, City Hall.

Newton Highlights

Many Newtonians are avid spectators at the Longwood Cricket Club this week, where the National Doubles championships are being played, but it remained for Elena Ciccone of Newton Centre to be Newton's sole representative on the courts. Elena paired in the mixed doubles with Summer Rodman of Dorchester, and this team went down fighting in their first round match, losing to Hal Surface, Jr., and Helen Pedersen, 6-4, 7-5. Surface and Miss Pedersen are twelfth and thirteenth ranked in their respective national lists.

INDEPENDENTS WIN FIRST TWO CITY SERIES GAMES

Darkness cut off a sixth-inning rally by Our Lady's Alumni at the Newton High diamond last night, and the score reverted to the previous inning, when the Newton Independents led, 3-1. It was the second straight victory for the Independents in the championship series, and a third win in tonight's game at Cabot Park, Newtonville, will give Jeff Jones' club the league pennant. The league leaders overtook the Independents in the sixth inning last night with a two-run rally, but were unable to finish the inning. Porky Murphy pitched for the Alumni and Bun Ryan for the Independents.

The Newton Independents got off to a flying start in the championship playoff series in the Newton Twilight League by defeating Our Lady's Alumni 3-2 Wednesday evening at Cabot Park. It was the first game of a three-out-of-five series being played alternately at Cabot Park and the High School field. All the scoring came in the first inning. The Independents made their three when Phil Greene and Howard Ferguson walked, Pete Morrison drove a long double, and Hal Morrison hit a Texas league to send Pete home. In Our Lady's half of the first inning, Gallagher hammered out a two-bagger to score Watkins and Lancey, who had both hit safely.

It was a close, well-played game at all times. Bill Mullen had a difficult running catch to make in center field on Gallagher's drive in the fourth inning, and fell, but came up with the ball and the putout. Manager Jeff Jones pulled a couple of smart plays at third base to rob the Alumni hitters. The game reached a high pitch of excitement in the sixth inning when Watkins, with the tying run, got a base on balls, advanced on a sacrifice fly and an infield play, and was caught at the plate in an attempted steal as Joe Greene threw to catcher Phil Andres. Moran allowed the Independents only two hits, while Joe Greene was hit only four times, three of these in the big first inning.

Independents Beat Pals Twice

These Independents, now battling with the O. L. Alumni for the city championship, made the championship finals only by the barest of margins. Needing three straight victories to qualify for the inter-divisional playoff, they won their last three games, ending up with a 5-2 defeat of the Y. M. C. A. last Thursday. On Sunday and Monday they played the Nonantum Pals, junior division titlists, and beat them 6-2 and 8-2.

In the Sunday game at Cabot Park, the Pals led for four innings. In the fifth, Bun Ryan unhooked a three-bagger, Phil Greene and Mullen walked, and Howard Ferguson bounced a home run drive into the nearby spinning mill in left center field. Pete Morrison followed suit with another home run, this one to right field, and five runs had come in. John Marrazzo added another when he rapped a triple in the sixth and scored on an infield out. Ryan gave only five hits.

The Independents scored all eight runs in the first inning as they took the Pals into camp again Monday, playing at Victory Field, Nonantum. They combined three walks, four infield errors, and a brace of two-baggers by Joe Greene and Hal Morrison. In the Twin-County League, a championship playoff series will begin Wednesday at 6:15 P. M. at the Newton High field, where the Newton Independents, first half winners, will oppose either the Wellesley Town Team or Bemis Cardinals, who are still battling for the second-half pennant. This series will take on added interest if the Newton team captured the city Twilight League title in the current series with the Alumni nine, but it is certain to find Jeff Jones' team in their best form.

Newton Highlights

Tomorrow afternoon at 2:30 the semi-final matches of the city parks' singles tennis tournament are scheduled for the Burr Playground courts at Newton. Numerous defaults have been sandwiched in between the first and semi-final rounds in order to push the tournament to the finals. In the upper bracket, Phil Segal and Harry Sylvester are matched, and Paul Rich opposes Don Martin in the lower half. Martin, top-seeded and several times winner of the tournament, is expected to have his troubles with Rich, a strong, game player with a fine temperament for competition. He was a finalist in the state interscholastic tournament this year.

Entries will close next Tuesday for the open doubles tournament being sponsored by the Y. M. C. A., the first move made in some time to stimulate interest in tennis by another organization than the city playgrounds department. Teams from Newton, Waltham and Watertown are eligible, and may enter at the Newton Y. M. C. A. or with Al Rogan. The playing dates are Sept. 12th and 19th at the Newton Y courts on Church st.

Among the 64 aspirants for berths on the 1936 Wildcat gridiron vehicle who have been invited to the University of New Hampshire varsity football camp by "Bill" Cowell, head coach of football and athletic director, is Robert Hanson of Newton Highlands.

THE automobile business says that a motor car is "hot" when it enjoys outstanding public demand. On that basis, the 1936 line of Buicks has started a heat wave all its own.

Month by month sales have climbed. Buick not only tops all cars at or near its price in sales gain — the whole price class in which Buick sells is farther ahead of last year than any other, including the very lowest priced group!

There's something in that. When people start putting their dollars into Buicks instead of the lower priced cars — it's good proof that they're getting more for their money.

Better look into Buick. Especially this big, roomy Buick SPECIAL, Series 40 — beginning in price at \$765, list at Flint, Mich. Let us know, and we'll be around with a demonstrator.

"San Francisco" With Clark Gable and Jeanette MacDonald at Paramount

Clark Gable and Jeanette MacDonald in "San Francisco"

Clark Gable and Jeanette MacDonald, teamed for the first time in "San Francisco", with Spencer Tracy, soar to new heights in this flaming romance of the Barbary Coast, directed by the man who gave the screen "Naughty Marietta" and "Rose Marie." "San Francisco" will be the feature attraction at the Newton Paramount Theatre for four days, starting Sunday.

"San Francisco" the featured attraction at the Newton Paramount beginning Sunday for four days, brings Clark Gable and Jeanette MacDonald together as a co-starring team for the first time. The musical romance gives Miss MacDonald her widest scope in vocal numbers in her screen career—a total of nine numbers ranging from a solemn hymn to the most beautiful operatic arias. Clark Gable returns to the vigorous type of role that first elevated him to stardom as a blustery Barbary Coast gambler, but who has no faith in anything but his own power and his charm over women. Co-starring with Miss MacDonald and Gable is Spencer Tracy in his most unusual role, that of a priest; a distinguished supporting cast includes Jack Holt, Jessie Ralph, Ted Healy, Shirley Ross and Margaret Irving. "San Francisco" is laid in the colorful period of 1905-06, its life of gaiety and song, its Barbary Coast prior to and through the disaster that leveled the famous Golden Gate city thirty years ago. The story deals with a homeless girl who finds herself in the boisterous atmosphere of the Barbary Coast and who rises from an entertainer in Clark

Gable's gambling resort and cafe to great heights as a famous opera star in San Francisco's historic grand opera house. Elaborate settings are typical of the period and reproduce many of the famous structures destroyed in the 1906 disaster. The catastrophe scenes showing the destruction of the city by fire and earthquake are said to be the most realistic and thrilling pictures of their kind ever recorded in motion pictures. The co-feature on this program will be Irene Hervey and Lionel Atwill starred in "Absolute Quiet."

On Thursday, Friday and Saturday the Newton Paramount will have as its feature attraction the popular little child star, Jane Withers in "Little Miss Nobody." Included on this program will be "Human Cargo," starring Claire Trevor and Brian Donlevy.

Patrons of Newton's popular playhouse have reported a marked improvement in the coolness of the theatre since the new air washer and cooling system have been put into operation. This system is designed to completely change the air of the auditorium every twenty minutes, assuring patrons of cool, fresh air throughout the performances.

Gets Into Home With Firemen's Aid

Returning from church on Sunday morning, Mrs. Louise M. Kenna of 85 Washington park and her two sons discovered that they had no key and that they were locked out of their home. It was raining and as Mr. John J. Kenna, husband and father, was at work for the day, there was little prospect of getting in for some time. A passerby, who was attracted by the predicament of the group, suggested that the fire department might furnish some assistance. The woman then drove to the fire station and notified them. A crew of Ladder 1 responded and entered the house through a second-story window which they reached with a ladder.

The firemen were called out Sunday night at 11:06 by an alarm from Box 721 to extinguish a fire in an automobile on Langley rd., Newton Centre. The blaze was caused by a short circuit in a car owned by Albert Moorehouse of Cambridge.

A needless call at 10:52 last Saturday was answered by Engine 3. Smoke issuing from an incinerator at 93 Homer st. was all that could be found in the nature of a fire in the vicinity. Engine 4 responded to a telephone alarm at 3:40 Saturday afternoon, suiting from smoke caused by soot in a stove at 14 Clyde st., Newtonville.

Skating Once Was Sliding
When any one went skating in Sixteenth-century England, he went "sliding," a term which then included the act of skating. It was not until nearly the close of the Seventeenth century that the word "skate" was imported from Holland.—Gas "Logic"

Y. M. C. A.

Boys Develop Qualities of Leadership
Martin Boormeester, John Martin, Jack Meyers, Jack Keefe, and Bob MacLeod have made possible a varied and aggressive program at the Y. M. C. A. during the summer months by their leadership and skill in baseball, tennis, hiking, educational trips and swimming.

Three boys' baseball teams have been playing two games a week each all summer. The Midgets, coached and managed by Martin Boormeester, assisted by Bill Kearns, John Murphy, and Paul Holmes, are composed of boys 10-12 years of age. These boys are playing organized baseball for the first time and have been taught many baseball skills as well as sportsmanship by Coach Boormeester, who is also the star 1st baseman for the Intermediates (the older boys team), and sub 1st baseman for the Seniors. The Juniors, ages 13-14, have likewise been competently handled by Coach Martin, assisted by Bob Muse, James Feeley, and Urban Deagle, who have spent many hours with this group. Coach Martin also ably handles the catching assignment for the Intermediates as well as having played nearly all Senior games in the Newton Twilight League this year.

Boys' tennis classes have been meeting twice a week under Coach Jack Meyers and much progress has been made in introducing and teaching tennis to boys who have played little or no tennis. Jack Keefe has ably led the boys on hikes during the summer. Much benefit and enjoyment were derived from these trips. Educational trips, which are carried on all year round to Museums, Industrial Plants, and places of interest, have continued during the summer under Bob MacLeod's leadership.

The Intermediate baseball team, made up of the older boys aged 15-17, has had remarkable success, losing only one game during the season. This all-star aggregation, which includes Coach Martin of the Junior team as catcher, Coach Boormeester of the Midget team as 1st base, Billy Kearns, utility player and star pitcher, "Spud" Feeley, 2nd base; Bob Muse, short stop, Urban Deagle, 3rd base; John Murphy, Paul Holmes, George Fearnley, Jim Martin, and Robert O'Brien, outfielders. Ernest Colantuono of "Y" Senior baseball fame, has played many positions on the Intermediate team and has been a consistently good hitter.

Along with the above mentioned activities, hundreds of boys have been taught to swim or improve their swimming in the "Y" pool, and have kept cool on hot summer days. Junior Life Saving instruction is given daily, and swimming tests have been passed by the majority.

There is never a dull moment at the "Y". Because of the varied program every boy can find some activity in which to enjoy participation. Announcement has been made of the Tri-City Doubles Tennis Tournament (Newton, Waltham, and Water-town) under the auspices of the Newton Y. M. C. A.

This first annual competition will be held on the "Y" courts on Saturday, September 12th, and Saturday, the 13th.

The committee in charge consists of Arthur M. Jacobs, chairman, Albert Rogers, and Richard B. Simmons.

Kiwanis Activities

The members of the Newton Kiwanis Club listened with much interest today to a report of its special Under Privileged Child Committee. This committee headed by Wilfred Chagnon undertook the transportation of many youngsters from the Peabody Home for Crippled Children for a day's outing at Norumbega Park Monday of this week. Many of the members aided in caring for the children and driving them to and fro. The facilities of the Park were made completely available free of charge by Kiwanian Archie Clair, Manager of the Park, and from all reports the men enjoyed themselves as thoroughly as their guests.

Following this report, the group listened to a blow by blow story of the recent Sharkey-Louis fight graphically told by Kiwanian Jack Janse. The speed with which things are done in New York especially impressed Jack, as must also have been Mr. Sharkey's feelings. The Yankee Stadium almost deserted at 7:30 p. m. sheltered 30,000 people by 8 p. m. The story was well told but as would be natural, there was general regret a Newtonian should have been so defeated.

Songs Popular At WPA Concert

The Newton WPA Orchestra played Tuesday evening at the Auburndale Playground, corner of Commonwealth ave. and Islington rd. to a large and appreciative audience.

The orchestra playing on the electrically illuminated bandstand, with the new amplifying system, owned by the playground and the Park Department, made an impressive picture as it played symphony and popular music, and augmented by the audience which thoroughly enjoyed singing of popular songs.

Another concert will be given free to the public on next Tuesday evening, Sept. 1st, at 7 p. m., and continuing every Tuesday evening all through the month of September under the supervision of Albert Webber. For the next concert, Mr. Herman C. Sulzen, Conductor, has chosen the following program. Popular choruses are sung by Arthur Rogers, trumpet player with the orchestra.

Program
Our Filtration, March Sousa
Czaar and Zimmerman (Overture) Lortzing
Two Spanish Dances Moszkowsky
Pan Americana V. Herbert

Intermission
Lucia di Lammermoor (Opera Selection) Donizetti
Old Times' Waltz Lake
Humoresque Dvorak
Country Garden P. Grainger

Star Spangled Banner Arnold

Collision on Worcester Pike Injures Seven

Seven persons were injured in a collision between two automobiles on the Worcester Turnpike at Newton Highlands on Saturday afternoon. They were removed to the Newton Hospital by the police where it was found that only two received more than minor injuries. The two most seriously injured were Mrs. Patrick, wife of a Brookline policeman, and Mrs. Mary Berry of Phillips, Me., who received possible fractures. Those suffering minor injuries were Cyrus Berry, 19, of Phillips, Me.; Joseph Norris, 14, Irene Norris, 9; May Norris, 35, and George Woodrow, 19, all of 68 Pearl st., Brookline. The car in which they were riding was operated by Orrin A. Berry of Phillips, Me., who stated in his report to the police that he was proceeding west on the turnpike about 12:25 p. m. when a car driven by Paul F. Brophy of 183 Stratmore rd., Brookline, made a left turn from Woodcliff rd. in front of him. In the ensuing collision the Berry car was turned over on its side.

Union Service At Newton In Eliot Congregational Church

The union services of the churches of Newton will be held in The Eliot Church at 10:30 o'clock Sunday morning. The guest preacher will be Rev. Robert Davis, formerly minister of the First Presbyterian Church of Englewood, N. J., and more recently member of the staff of the American Church in Paris. Mr. Davis, who was heard with delight and profit at this service last Sunday is a son of the late Dr. William H. Davis, known to many Newton people as minister of The Eliot Church from 1896 to 1905. Mr. Earl R. Weidner, director of music of the Eliot Church, will have charge of the music of the service. Mr. George Wheeler, tenor, heard frequently over the air as a member of the Yankee singers, and regular member of the Eliot Church quartet, will be the soloist.

CHRISTIAN SCIENCE

"Christ Jesus," is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 30.

The Golden Text is: "God sent not his Son into the world to condemn the world; but that the world through him might be saved" (John 3:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And he said unto them, Go ye into all the world, and preach the gospel to every creature. . . . And these signs shall follow them that believe: In my name shall they cast out devils; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover" (Mark 16:15, 17, 18).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning. . . . Our Master said to every follower: 'Go ye into all the world, and preach the gospel to every creature! . . . Heal the sick! . . . Love thy neighbor as thyself!' It was this theology of Jesus which healed the sick and the sinning" (p. 133).

Why put things off?

"PROCRASTINATION is the Thief of Time"—but did you ever stop to think that "putting things off" can also rob you of both peace of mind and money?

For example, had you opened that bank account when you first decided you ought to start saving, you'd be free from a nagging conscience today, besides being "in" the dividends we've paid each six months.

Miss Scarborough was graduated from Dean Academy a year ago and last year was a student at the Massachusetts State College at Amherst, where she took an active part in dramatics and the school magazine.

Sons of Vets Give Concert

A concert and military ball were held at the State Armory on Washington st., West Newton, on Saturday evening under the auspices of the Sons of Veterans of Foreign Wars, Post No. 22 of Newton. The affair was the initial one of its kind by the Post since it was organized about three years ago. Members of the senior Post and several members of the junior Post served as a committee under Commander George E. Tufts of the Senior (Daley) Post. Music was furnished by the Waverley Post, V. F. W. orchestra.

The field day planned for the afternoon at Norumbega Park athletic field was postponed because of rain to Sept. 5. A program of sports, shows, and a drum and bugle corps competition will be given on that afternoon.

Conservatory Offers Theatre Art Scholarships

In accordance with the policy of many schools throughout the country, in offering tuition scholarships to worthy students, the Boston Conservatory of Music, 26 Fenway, Boston, has this year made available several such scholarships for study in its Drama and Theatre Arts Department for the year 1936-1937.

One of these scholarships for one year of the Theatre Arts two-year course, under the direction of Harlan P. Grant and associate instructors will be open to a graduate of the Newton High School.

Scholarship awards will be made after examination of applicants by the director of the department, on the basis of previous scholastic work, character, financial circumstances, and general ability and availability for dramatic work and a career in the theatre. Information regarding scholarships and examination requirements will be furnished by the Secretary of the Boston Conservatory. Applications for scholarships will be received at the Conservatory until Sept. 19.

ELLIS RESIDENCE SOLD

Alvord Bros. report a sale of great interest to old residents of Newton in that of the old homestead of the Wainwright Farm located at 1245 Commonwealth ave., West Newton. Those remembering the property in the old days will recall that Mr. George H. Ellis, a prominent publisher and Massachusetts legislator, maintained a prize herd of cows on its many acres. Now the parcel is reduced to 18,470 square feet of land on which stands an attractive frame Colonial house of ten rooms and a two-car frame garage. Several beautiful shade trees add to the charm of the property. Mrs. Gertrude Bailey Ellis of Newton conveyed to Mr. and Mrs. Paul R. Brennan of Newton Centre, who plan to occupy after some renovation.

NEW HOUSE IN WEST NEWTON SOLD

John T. Burns & Sons, Inc. report that final papers have been passed in the conveyance of the Cap Cod Colonial residence located at 36 Westfield rd. in the West Newton Hill district of Newton. With the house, which contains seven rooms and two baths, there is an attached garage and 8,600 square feet of land. The total assessment on the property is \$10,600. Willis B. Fellows conveys to J. A. and E. B. Fulham, who purchase for a home.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in pursuance of the power of sale contained in a certain mortgage deed given by Frederick S. Wells, to Harry N. Squires, dated October 16th, A. D. 1931 and recorded with Middlesex South District Deeds, book 5599, Page 42, of which mortgage the undersigned is the present holder, and for breach of the conditions contained in said mortgage and for the purpose of foreclosing said mortgage, will be sold at public auction on Tuesday, the twenty-second day of September, A. D. 1936, at ten o'clock in the forenoon, on the premises described below, all and singular the premises conveyed by said mortgage and therein described substantially as follows:

"The land in said Newton, Middlesex County, Massachusetts, being lots forty-nine and fifty, Dwyer's Road, as shown on a Plan of a Portion of Newton Terraces, Newton, Mass., by E. Worthington, Jr., Engineer, dated April 15, 1887, recorded with Middlesex (South District) Registry of Deeds, Book of Plans 104, Plan 8, to which plan reference is hereby made for further and more particular description. Being the same premises conveyed to me by deed of Joseph Congdon of even date and recorded herewith. This mortgage is given to secure the purchase price paid for said land and is delivered simultaneously with the deed thereof and is part of the same transaction, including all heating apparatus, ranges, plumbing fixtures and supplies, electric light fixtures, screens, screen doors, window shades and all other fixtures of whatever kind and nature at present contained in the buildings upon the land covered by this mortgage and hereafter placed in said buildings prior to the full payment and discharge of this mortgage. The conveyance is made subject to restrictions of record, if any, so far as the same may now be in force and applicable. Two hundred dollars will be required to be paid in cash at the time and place of sale. Other terms will be announced at the sale. For further particulars apply to:

HARRY N. SQUIRES, Mortgagee and present holder of said mortgage, Boston, Mass., 77 Franklin St., Rooms 908-909, Aug. 28-Sept. 1-31.

Recent Deaths

MARIA A. NOLAN

Mrs. Maria A. Nolan, a former resident of West Newton, and the widow of Thomas F. Nolan, died on Thursday, August 20th at the New England Hospital for Women and Children in Roxbury. Mrs. Nolan was in her 77th year. She was born in Galway, Ireland and had resided in Newton for the past 56 years. Funeral services were held on Saturday morning from the home of her daughter, Mrs. Charles Nally at 226 Cabot st., Newtonville and a solemn high mass of requiem was celebrated at the Church of Our Lady at nine o'clock. Burial was in Holyhood Cemetery, Brookline. Mrs. Nolan is survived by three daughters, Mrs. M. John Ennesegs of West Newton, Mrs. Charles Nally of Newtonville and Mrs. Paul J. Bartelsen of Beverly Farms, also by five grandchildren.

MILDRED M. HAYDEN

Mrs. Mildred M. Hayden, wife of William V. Hayden of 25 Prospect ave., Newtonville, died at the home of her sister, Mrs. J. W. Kissane at Malone, New York on Sunday, August 23rd, after a long illness. Mrs. Hayden had been a resident of Newton for a number of years. Services were held at the Congregational Church, in Malone on Tuesday at 2 o'clock. She is survived by her husband and two sons, William V. Hayden, Jr. and John E. V. Hayden and a daughter, Miss Madeleine Hayden, all of Newtonville.

Want Maplewood Avenue Accepted

Residents of Maplewood ave., Newton Centre, have filed a petition with the Board of Aldermen to have the roadway constructed and accepted by the city as a public way. The petition is for a street forty feet in width for a distance of 450 feet from Jackson rd. The property owners who signed the petition are Audrey Cagliano, Anthony Oteri, Munziata Malfa, Frank Vespa, Joseph Cucchi, James F. O'Brien, Jr., and Pietro Vespa.

Newton District Nursing Ass'n.

On Thursday afternoon, August 20th, a group of twenty mothers and babies who attend the Well Baby Conferences, enjoyed the hospitality of the Newton District Nursing Association at the Headquarters, 297 Walnut st., Newtonville.

The following mothers were present from Upper Falls and Newton Centre: Mrs. Charlotte MacKinnon, Mrs. S. J. Temperley, Mrs. Viola Head, Mrs. Anne Pelczar, Mrs. H. Goodwin, Mrs. Bynn L. Witton, Mrs. Florence Arduino, Mrs. James A. Anderson, Mrs. Evelyn Kennally and Mrs. Taylor of Newton Centre; Mrs. J. L. Davis, Mrs. Frank Walker, Mrs. George Waugh, Mrs. Micheline Covino, Mrs. Mary Bowman, Mrs. Olive Porter and Mrs. Katherine Wallace of Newton Upper Falls; Mrs. T. Lane and Mrs. Fred Feeley of Newton Highlands.

The babies were entertained in an adjoining room by Miss Theresa Guzzi, assisted by Eleanor Leahy and Florence Capobianca, both Girl Scouts.

After a few words of welcome, Miss Nelson, the Executive Director, introduced Miss Mary Pfaffman of the Nutrition Department, The Boston Dispensary. Miss Pfaffman spoke of the vital necessity for health education at all clinics and told the progress being made along this line in many of the hospitals. She gave a most graphic description of the methods used—health pictures—books, games, motion pictures—fairly stories and attractive charts—all while the "patients" are waiting for their "turn" to see the doctor. After a most alluring story of Milk, the perfect food, what it does for all who drink it and what can happen when it is not used, no little child could refuse his daily portion.

Two motion picture reels, loaned by the Massachusetts Department of Public Health, "How Teeth Grow" and "The Healthy Child," both entertaining and instructive, were then shown.

A social hour followed when refreshments were served by Miss Charlotte Raymond, Community Nutritionist.

The Association is indebted to both the local Boy and Girl Scouts organizations for making this party a success. Because of its success, others will follow and mothers from other Infant Welfare Conferences will be invited.

Several Fined For Speeding

Angelo DiRenzo of Rosindale paid a fine of \$5 in court last Friday despite his affirmation that he had stopped his truck within two feet after hearing a police whistle. He stated that he was driving at a speed of 25 miles per hour which led Judge W. Lloyd Allen to remark that if he had brakes which would stop a car going at that speed in such a short distance that he ought to market his invention.

Fines of \$5 each were also imposed on three other defendants appearing on charges of speeding. They were Albert R. Clemens of Waltham, Fred W. Crowe of Waltham and John E. Lymer of Watertown.

Damon F. Marshall of Arlington was fined \$5 for speeding and given a suspended fine of \$10 on a charge of failing to stop for a red light. Patrick H. Carrara of Norwood was fined \$5 on a speeding charge while a charge of driving without a license in his possession was placed on file. Charges of speeding and driving by a red light were placed on file against Orville W. Forte of Waban. A speeding charge against Blanche Weston of Needham was also filed.

VOTE SEPT. 15th

Swimming Meet At Auburndale

The children of the Auburndale Playground under direction of Miss Claire McCarthy put on a very interesting demonstration Wednesday, August 19, of the swimming ability which they have acquired during a summer spent at the exceptionally well-equipped playground.

The first event on the program was the 30 foot for beginners which was won by Louis Dulong; Leonard Devlin, second; and Richard Hanlon, third.

The second event, the 35 yard dash for boys under 12 was won by Fred Hoyt; Lawrence Sullivan, second; and Louis Dulong, third.

The 35 yard dash for girls under 12 was won by Barbara Hanlon; Madeline McIsaac, second; and Phyllis Reilly (from the Eden Avenue Playground), third.

Next came a demonstration of the hair carry in life saving, which was won by Betty Cunningham and Mary Farrell, with Eddie Hanlon and Walter Sullivan, second.

Billy and Bobby LeVert, and Tommy Devlin put on a group of water games which greatly pleased their audience.

The sixth event of the afternoon was the 50 yard dash for boys 12 years of age and older which was won by Lawrence Sullivan, with Eddie Hanlon, second, and Edward McIsaac, third.

The 50 yard dash for girls of 12 and over was won by Betty Cunningham; Barbara Hanlon, second; and Mary Farrell, third.

The obstacle race which consisted of a 35 yard dash to the raft, climbing up and getting a folded newspaper from under a stone, and then per held out of the water with one hand, back to the start was won by Tommie Devlin; Lawrence Sullivan, second; and Madeline McIsaac, third.

The 200 yard swim for boys and girls over 15 was won by Betty Cunningham, Walter Sullivan was second and Lawrence Sullivan, third.

The final event was the awarding of the junior and senior life saving badges and the ribbons won in the various races of the afternoon. Walter Sullivan and Mildred Hanlon received their senior life saving awards and Betty Cunningham received her junior badge.

Judges for the races were Miss Mary Devlin and Miss Mary Varra, from the Eden Avenue Playground.

Burdett College To Open On Tuesday, Sept. 8

The fall term at Burdett College will open Tuesday, September 8 at which time students taking the executive secretarial, stenographic secretarial, shorthand, typewriting, and business courses will begin their work. Business administration, accounting, and all evening school courses will begin September 21.

The opening in September will mark the 58th year in which Burdett College has offered courses of training for young men and women as preparation for positions in business. Enrollment for September opening has shown marked increase, being the largest in five years. This enrollment is not only noticeable in the registration of students living at home, but also in those who will come from a distance. Many states outside of Massachusetts as well as several foreign countries are represented in the enrollment. Interest is especially marked among college people, there being among those registered men and women from many of the leading colleges and universities.

Employment calls for Burdett graduates have shown marked improvement during the past twelve months. In the twelve-month period ending August 1, 1936, the Personnel Department received 1821 employment calls, from which 1123 placements resulted. This represents an increase of 507 in the number of employment calls received for the twelve months, and an increase of 317 in the number of placements resulting.

New appointments to the faculty include Miss Dorothy J. Spreuer in the shorthand department, Mr. Henry J. Griffin in the department of business administration and accounting, both university graduates. Miss Marjorie E. McCready will return as a full-time instructor in both day and evening schools. Mr. George Clayton, business administration graduate has been appointed to a position in the grading department. Other important changes include Mr. Harold L. Goodwin who becomes head of the business administration and accounting departments, and Mr. J. F. Robinson who has been added to the executive staff. With these faculty and staff changes, Burdett College enters the new school year with all departments well organized and under strong faculty leadership.

Burdett College courses fit individual needs. Day school and evening school catalogues recently published describe the courses offered, and will be mailed to any interested person upon request. The evening school curriculum of interest to adults offers twenty-seven regular and special courses, with upwards of fifty individual course combinations covering all important business subjects.

The college offices are open each day until 4:30 for consultation and registrations. Beginning September 9 the offices will remain open until 8:30 in the evening for prospective evening school students who find it impossible to visit the office during the day. Personal visitation is invited, for visitors at Burdett College are always welcome.

KING: on August 25, Kate S. King of 299 Parker st., Newton Centre.

U. S. Loses Trade by New Treaties

Foreign Nations Dump Products Here Under Latest New Deal Policies.

Washington, D. C.—American foreign trade balances are shrinking rapidly as a direct result of the New Deal Party's reciprocal tariff treaties, latest figures released by the Department of Commerce show.

The United States is losing daily with every country with which the New Deal treaties have been put into operation, the figures show.

At the same time, United States imports jumped upward, from \$1,644,055,000 in 1934, before the treaties went into effect, to \$2,047,287,000 in 1935 after the agreements were in operation.

Only Germany Barred.

Germany is the only country in the entire world that does not reap the benefits of the tariff reductions in the New Deal treaties, because Secretary of State Cordell Hull ruled Germany out of the reciprocal tariff system.

All in all, for the first six months of 1936, foreign trade books of the United States were in the red \$9,011,000 as compared with a black ink showing of \$29,645,000 for the corresponding period in 1935. Meanwhile, the American trade position with Germany improved more than 400 percent.

The report reveals that with 14 of the 51 nations of the world, American exports actually declined in the first six months of 1936, causing Americans to lose millions of dollars.

Cuba Shows Gains.

The negative balance of trade with Cuba, which is always present because of heavy United States sugar purchases, jumped from \$31,628,000 to \$51,935,000 under the reciprocal treaties.

The favorable balance of trade with Brazil dropped from \$26,111,000 to \$24,712,000. The favorable balance with Canada dropped from \$28,038,000 to \$24,682,000.

With Sweden, in 1935, the United States had a favorable trade balance of \$851,000, the report shows, but in 1936, after the New Deal's tampering, the United States had a negative balance with Sweden of \$1,337,000.

Famous Historian Hits New Dealers on Broken Pledges

New York, N. Y.—America's most famous historian, James Truslow Adams, in his latest volume on current history, discloses that from the nonpartisan viewpoint of the historian the New Deal administration has broken more pledges to the people than any other administration.

"I cannot recall any other president and party which has gone so far in the solemnity, of their pledges," Mr. Adams writes in his new book. "Nor do I recall any other such repudiation of them."

"That repudiation has not been the result of overwhelming circumstance, but has largely resulted from the endeavor to make over the whole pattern of our social and economic life to meet the personal approval of a president."

"The question at once arises, how can self-government continue if a people cannot put trust in the most solemn pledges of the party and candidates for whom the majority vote?"

"If we cannot do so, then the system of party government must crumble and there will be nothing to take its place, except dictatorship or revolutionary chaos."

The book, "The Living Jefferson," is published by Scribner's. Mr. Adams is the author, among others, of "Founding of New England," a Pulitzer prize winner, and "The Epic of America."

Landon Leading 2 to 1 in Six-State Radio Poll

Chicago, Ill.—Reflecting the nationwide swing away from the New Deal Party, Governor Alf M. Landon, Republican Presidential nominee, is maintaining a two-to-one lead over President Roosevelt in a poll conducted by the midwestern radio station, WIND.

Covering six states, Illinois, Indiana, Michigan, Ohio, Iowa and Wisconsin, the poll requires that all votes must be written and sent in through the personal interest of the voter.

With Governor Landon showing better than 12,000 votes at the latest count and President Roosevelt trailing with less than 6,000, the minor candidates of Lemke, Browder and Thomas divided another 1,500 votes.

Evils of Restricted Production
No policy of restricting production and artificially raising prices is sound policy. Reduction of production inevitably affects the real wages of everyone; therefore, it lowers the standard of living. And, more than anything else, it leads to the bread lines, to ration cards and to a form of government that is not a democracy but an autocracy. (Frank Knox, Worcester, Mass., speech.)

JUST WHAT DOES HE MEAN?

Playground Field Days Climax Season

(Continued from Page 1)

The prize dance awards were given to Mary McIsaac and Betty Campbell of Boyd; Ann Murphy and Teresa Phipps of Boyd and Loretta Delecondro and Dora Lupo of Stearns.

James Mason blew Taps on his bugle, and the children and audience gave the pledge of allegiance to the flag as the afternoon closed.

Mr. Dacey was assisted by Mrs. Ragna Hovgaard, Miss Phyllis Brown, Miss Helen Landry, Miss Margaret Flood, Miss Julia Farrington, Miss Mary Hughes, Mrs. Ralph Hamilton and Mr. Edward Gough of the Stearns ground, and by the instructors of the other grounds.

Friday afternoon saw more than 400 children at the district field day for the Williams, Weeks, Eden Avenue, Lower Falls and Auburndale playgrounds at the latter grounds. A Parade of Nations opened the program of events with Eden Avenue representing England, West Newton representing France, Levi Warren, Germany; Auburndale, Italy; Lower Falls, Poland; and Williams the United States. Competition in the remaining events was keen with a banner to be awarded the playground with the most points. The banner will be held until the next field day.

The Weeks Playground won a total of 65 points to capture the honors with Superintendent of Playgrounds Ernst Hermann awarding the banner at the close of the events. In addition to the competitive events there were specialties staged by the various playgrounds.

A Punch and Judy Show was conducted by Levi Warren, Joan Wentz did a song and dance number, the Boyd sisters a song and tapping number, and Ella Tedesco an acrobatic dance for the Eden Avenue playground; the Lower Falls playground had two specialty numbers, a Gay 90's number with ten little girls singing and a military tap dance by Bernice Collins in a smart silver and blue costume and the Williams school playground staged an amusing farce entitled "The Old Homestead."

The prize elimination dance which closed the afternoon was won by Marian Tobin and Blanche Brybos of Lower Falls. Bernice Collins and Betty Grant of Lower Falls was second and Mary Hanley and Joan Wentzel of Eden Avenue, third.

Ribbons were also awarded in the handicraft exhibition as follows: Bob McDaniels of Lower Falls, first; Herbert Colcord of Williams, second; and Milton Gardner of Williams, third. Girls' District Prizes were won by M. Boardman of Williams, first; Ruth Grant of Lower Falls, second; and Mary Hurley of Eden Avenue, third.

The summary of other events was as follows:

35 yd. dash boys under 10 won by Harris of Williams; Dugan of Weeks, second; and Wilson of Williams, third.

50 yd. dash boys under 14 won by Guzzi of Weeks; Harris of Williams, second; and Owens of Williams, third.

35 yd. dash girls under 10 won by H. McCurdy of Lower Falls; H. Sohanzy of Lower Falls and Boyd of Eden Avenue, tied for second.

50 yd. dash girls under 14 won by Guzzi of Weeks; M. Bradley of Lower Falls, second; and Joyal of Weeks, third.

50 yd. three-legged race boys under 14 won by Harris and Owen of Williams; Rooney and Nolan of Auburndale, second; and Gardner and Uttaro of Williams, third.

50 yd. three-legged race girls under 14 won by M. Marberio and T. Burkin of Eden Avenue; Guzzi and Joyal of Weeks, second; and Collins and Graylos of Lower Falls, third.

Lollipop race boys under 10 won by Zawaskey of Lower Falls; Moan of Weeks, second; and Garrity of Warren, third.

Lollipop race boys under 12 won by Higgins of Lower Falls; Recco of Auburndale, second; and Guzzi of Weeks, third.

Lollipop race girls under 10 won by Gardner of Williams; H. McCushin of Lower Falls, second; and Emmets of Lower Falls, third.

Lollipop race girls under 12 won by H. Guzzi of Weeks; B. Joyal of

Weeks, second; and Hanlon of Auburndale, third.

Sack Races boys under 12 won by Tracy of Weeks; Bianco of Weeks, second; and Mingachi of Weeks, third.

Sack Races boys under 12 won by D. Cappello of Weeks; Harris of Williams, second; and C. Bradley, third.

Sack Races girls under 12 won by H. Guzzi of Weeks; McCushin of Lower Falls, second; and Gardner of Williams, third.

Sack Races girls under 15 won by B. Joyal of Weeks; Hanlon of Auburndale, second; and Momillo of Auburndale, third.

Shoe race 50 yards boys won by Meredith of Weeks; Butterfield of Auburndale, second; and Sohaski of Lower Falls, third.

Shoe race girls won by K. Mills of Auburndale; Guzzi of Weeks, second; and K. McMarin of Warren, third.

75 yard dash open to all boys won by Mays of Warren; Sullivan of Weeks, second; and Coll of Lower Falls, third.

Horse and Rider Race of 50 yards and Wheelbarrow race 50 yards back won by Owens and Harris of Williams; P. Bradley and C. Bradley of Lower Falls, second; and Ferrera and Duggan of Weeks, third.

House Projects Into Walnut Street

Seeking to clear the title to their home in Newton Highlands, Vincent C. Bresnahan and his wife, Mary J., of 961 Walnut st., have appealed to the city. Through their attorney, James A. Waters, they have filed a petition for the "discontinuance of that part of Walnut st. which runs through the front wall of the house." It was discovered recently that the house projected over the street line for about a foot. The Board of Aldermen will hold a hearing on the petition before any action can be taken.

Playground Field Days

The children of the Newton Lower Falls playground received much commendation in the West district competition held on last Friday at the Auburndale playground. The Williams School received the banner for the largest number of prizes but Lower Falls was awarded first prize in dancing which went to Marion Tobin and Blanche Grybos, second to Bernice Collins and Betty Grant; 1st prize in handwork to Marion Tobin, Blanche Grybos, second to district and 3rd to Helen Emmets. In woodwork the first prize for the entire district was awarded Robert McDaniel and first in woodwork from the playground to Stany Victus. The supervisors were pleased with the excellent work attained by the four instructors, the Misses Daly and Ferick and Messrs. Leighton Reiner and Ted Coiter.
